The cost for 8 weeks is $65. Register before January 21 by calling 864-8817 and use a credit card to pay, or pay by mailing a check and registration form to De Anza. Forms are available at the Lakewood School office from 8:00 A.M. to 4:00 P.M. Monday through Friday.

In addition, the adult high school will teach evening ESL classes at Lakewood School beginning January 25. Register at the first class. Books will cost about $35. ■

Second Annual Holiday Parade

Rain could not dampen the spirit of our parade. At about 9:00 A.M. on December 11, parade participants began arriving at Fairwood School with puzzled looks on their faces. The Chief of Police said, "You aren't going through with this, are you?" Our response was, "We're Lakewood, and the show will go on!"

At about 10:15, the parade started to move. It was still raining, but the neighbors came out and showed their support. By the time the parade reached Lawrence, the rain had stopped. We continued marching to Lakewood Park.

At the park, neighbors and City officials had refreshments, including coffee and hot cocoa. Our outgoing mayor Pat Castillo spoke about the spirit of Lakewood and her pride in living here. The new mayor, Frances Rowe, thanked Lakewood for inviting her and expressed her desire to be a part of the event next year. Councilmembers Stan Kawczynski, Landon Noll, and Jim Roberts thanked the neighborhood for their support.

We also had a coloring contest for the children. Congratulations to our winners Stacey Jenkins, Virginia Dao, and David. The winners will receive prizes at the January meeting.

Next year will be here before you know it. If you would like to get involved, please contact an L.V.N.A. board member.

Finally, our special thanks go out to parade coordinator Pat Maloney for a job well done. ■

Letter from the President

HAPPY NEW YEAR! I want to thank you ALL for organizing, supporting, and participating in our 1993 Parade and Holiday Lighting Contest. Our City was so supportive that many past and present City officials came out and celebrated the holiday with Lakewood Village residents.

The next order of business is that the 1994 L.V.N.A. election is coming up in March. New officers will take office immediately after the election. Current officers will stay on as assistants for three more months during the transition.

The L.V.N.A. is the voice of our community and the channel by which we get things done. The L.V.N.A. needs you to volunteer as officers now. So volunteer yourself or recommend a neighbor by calling Paul Schaefer at 734-1680.

On a different note, we have permission from the County to place two permanent "Welcome to Lakewood Village" signs on the sound walls at the intersection of Lawrence Expressway and Sandia/Lakehaven. We will discuss this proposition at our meeting on January 20.

Jessica Wei Lee, L.V.N.A. President

Holiday Lighting Contest Winners

On December 15 Lakewood held its third annual lighting contest. The contest was judged by Councilmembers Stan Kawczynski and Landon Noll, Chief Regan Williams, John & Carolyn Christian from the Parks Division, Iris Fox of California Young World, and Teresa Faz from Neighborhood Preservation.

The contest started at 6:00 P.M. There were so many homes lit that judging took about 2-1/2 hours. The judges had a difficult time choosing the winners, and they wood like to acknowledge all participating homes for a job well done.

The Holiday Lighting Contest winners for 1993 were:

Grand Prize:
1319 Socorro

First Place:

Unit 1:	1254 Sandia	Unit 3:	654 Greenlake
Unit 2:	750 Lakemuir	Unit 4:	1118 Pecos

The Santa trophies will be awarded at the January meeting. Once again, our neighborhood shined for the City officials. They enjoyed themselves very much and talked about doing this event citywide. Way to go Lakewood—we did it!

P.S. All the judges asked to return in 1994! ■

Flood Control Project Update

In April of 1993, the *Villager* reported on a year-long flood control project to be built on Calabazas Creek. The project was to reduce the risk of flood to less than once every hundred years.

The project has not begun yet, so Lakewood Villager Paul Schaefer called the Water District to find out why. Paul found out that there has been a delay in securing federal permits. However, the permits are expected to be resolved in January so that work may begin in spring of 1994. ■
