Teenagers Suspected in Burglary

Over Presidents' Day weekend, one or more homes in Unit 4 were burglarized. Among the stolen items were a video game system and game cartridges. The police suspect that the crime was committed by teenagers.

Parents of teenagers, please be aware. Be suspicious if your children suddenly have new video games or bikes or other toys that you know they can't afford.

If you have information about this crime or any other, please make an anonymous call to Public Safety at 730-7100. ■

Letter from the President

As Lakewood Village nears 40 years old, its best years have been those when Villagers were proactive in school and community affairs. Villagers have made 1993–94 a productive, rewarding year for all. I am proud to have led such a diverse, energetic, resourceful volunteer team and pleased to attain the objectives we set out to reach this last year.

We abated graffiti, kept our neighborhood clean, and brought teen programs to Lakewood.

We held forums for city council and school board candidates, strengthened our relations with the City, County, and neighboring communities. We voiced our appreciation and our concerns to the City Council, and to Santa Clara concerning the Mission College Mall.

We painted the Lakewood mural, supported adult E.S.L. classes at Lakewood, donated $350 worth of toys, held a block party, welcomed 30 new neighbors, and organized the L.V.N.A. for increased Villager support and involvement.

We published and distributed 12 issues of the newsletter, held 11 neighborhood meetings, and continued the holiday parade, the lighting contest, and many other traditions. This board started with $800 and will pass $3,700 on to the next board.

Villagers, each and every one of you is a leader in making the present and shaping the future of our Village in your own way. Without you, we could not have gotten this far. Keep up the good work.

As my presidency concludes, I want to thank you all for your support and trust. I look forward to working with the new board and continuing to serve Villagers as a volunteer.

Jessica Wei Lee, L.V.N.A. President

A Small Farewell

I just want to say what a joy it has been serving as editor of the *Villager* for the past 21 months. I look forward to helping the new editorial staff and working as a volunteer with the incoming L.V.N.A. board.

Thanks for the memories! —Linda B. Cheung
