NEW - COLUMBIA NEIGHBORHOOD SERVICE CENTER

Would you like to know more about the new Columbia Neighborhood Service Center which is proposed by the City of Sunnyvale and the Sunnyvale School District? Have you wondered why Advanced Micro Devices, Inc. donated one million dollars towards this project? Well, at the June 16, 1994 meeting of the LVNA, Chief Regan Williams (Sunnyvale Department of Public Safety) and Elaine Curran (Administrative Assistant, City of Sunnyvale, Office of the City Manager) and a representative of the Sunnyvale School District will be making a presentation on this new neighborhood service center. The center will be located at Columbia Middle School and will offer a wide variety of services to the community, including recreation, social services, juvenile diversion, and educational programs. There will be an opportunity to ask questions and to provide input into the planning of the new center. Do not miss this opportunity to learn more about your neighborhood.

Mission College Project Update

Matthew Castrigno 734-5442

As of press time the Final Environmental Impact Report (EIR) has not been released for this project. It is expected that the EIR will be released during the second week in June. The earliest date for the Public hearing at the Santa Clara Planning Commission is June 22. The Santa Clara Planning Commission meetings are held in the Santa Clara City Council Chambers at 1500 Warburton Drive. Santa Clara Planning can be called for more up to date information at 984-3111.

In its formal response to the Draft EIR the City of Sunnyvale has indicated that it wants the final EIR to include a Wildwood - Lawrence intersection as a mitigation option. The City of Santa Clara has been provided a copy of the feasibility study done on such an intersection. This feasibility study is the one commissioned by the City of Sunnyvale to study the Lawrence - Wildwood intersection proposals made to the City Council in January by Matthew Castrigno. (see February & April issues of LVNA Villager). By presenting this information to the City of Santa Clara prior to the release of the EIR the City of Sunnyvale has an avenue of legal recourse should the intersection not be included as a mitigation option.

Newsletter Contribution

The deadline for next month's newsletter is July 5th. We attempt to print all submissions as space permits. However, we cannot verify information. Call the Editor at 734-9424 if you have any questions. For advertising space and rates, call Matthew at 734-5442.

Letter from the President

Lakewood Village has a lot to be thankful for this month.

Thank you to Praise Chapel for inviting all of Lakewood Village to a Memorial Day of family fun in Lakewood Village Park. I attended this celebration and can attest to the fun had by all.

Thank you to Chris Fischer, Jack Witthaus and other city staff for the great work done on the community identification sign (see article inside). The quality of your effort shows you care! Thank you!

Thank you to all the newsletter advertisers whose support has made the LVNA newsletter a self - supporting entity. Advertising requests have been so great we have had to turn some away.

Thank you to AMD, City of Sunnyvale, Sunnyvale School District and many individuals for bringing the Columbia Middle School Neighborhood Service Center closer to reality.

Thank you to all the Villagers who have been out this spring making extra efforts to keep their yards clean and well maintained. Keep up the good work. Your efforts really make a difference!

Thank you to the Community Foundation of Santa Clara County for the training provided to the LVNA board last month. I believe all the board members gained from it, and in turn so will the community.

Matthew Castrigno, President L.V.N.A.

MONTHLY MEETING

The Lakewood Village Neighborhood Association (L.V.N.A.) meets on the third Thursday of every month. All residents of Lakewood Village are encouraged to attend these meetings, to meet neighbors, learn about upcoming events, and voice concerns. Children are welcome.

Date:	**Thursday, June 16, 1994**
Time:	**7:00 PM**
Location:	**Lakewood Park Building Lakechime at Silverlake**
Topic:	**Village ID Signs & Columbia Neighborhood Center**

Bring a Friend or Neighbor!

Proposed Lakewood Village Identification Signs

The Lakewood Village Neighborhood Association has the opportunity to create a gateway to the neighborhood in the form of new neighborhood identification signs. As part of the Lawrence Expressway widening project, soundwalls along the Expressway will be replaced. As part of the reconstruction, the County has agreed to install signs at two corners of Lawrence and Lakehaven/Sandia. This sign will announce that travelers have reached Lakewood Village.

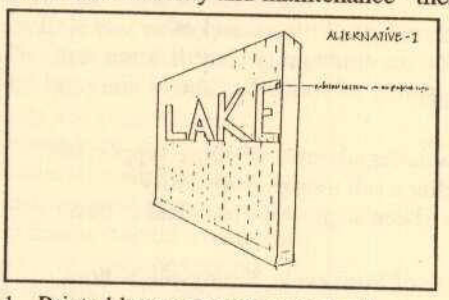

The basic choices on the type of sign could be summarized as follows:

The Wall Surface	The Signs
Embossed sign panel?	Embossed, cast concrete letters?
Raised sign panel?	Raised cast concrete letters?
Plain wall surface?	Precast, hanging letters?
	Pre-made hanging sign?
	Painted-on letters??

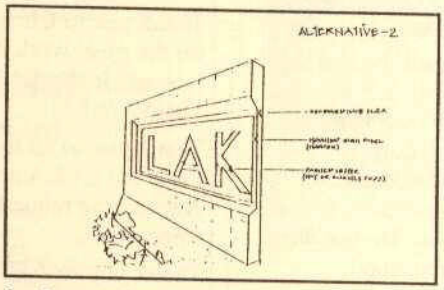

Options for materials, such as wood or metal letters or different colors of lettering, do of course exist. Other issues to keep in mind are durability and maintenance - these signs will be maintained by the City, and cost is an issue. Quickly deteriorating or chronically vandalized signs will likely be abandoned. For these reasons, plastic letters and lighting are not options for the signs.

The design will be prepared in cooperation with the LVNA and the City of Sunnyvale. City staff has identified the options for a sign. The drawings below present the types of lettering. The wall will be a "slumpstone" type, which has the appearance of adobe brick.

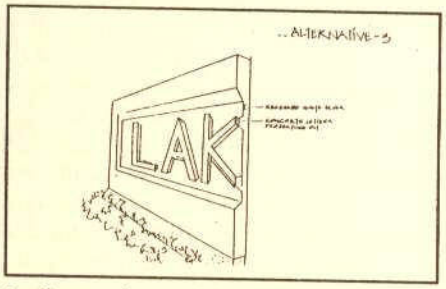

Representatives from the City will attend the June 16 LVNA meeting to discuss the options and help the LVNA begin making a decision. City staff is asking that a "design liaison" be chosen from the LVNA's membership to finalize colors and lettering styles for the signs. Members can contact Jack Witthaus in the City's Traffic Engineering Division with any questions at (408) 730-7330. Please join us and help find a sign that truly fits the neighborhood.

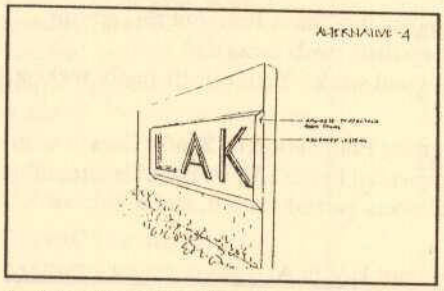

1. Painted letters on sumpstone wall

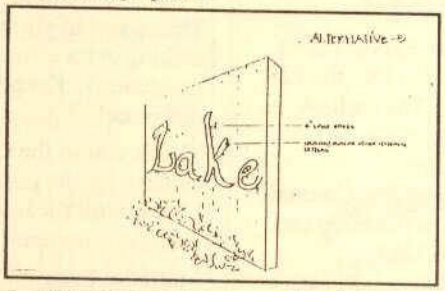

2. Recessed name block, painted letters on mounted sign panel

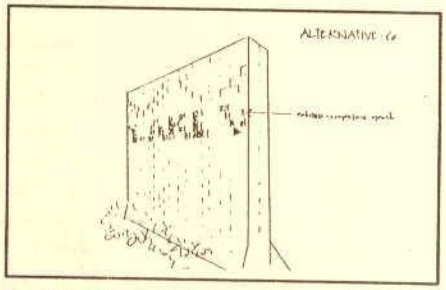

3. Recessed name block, concrete letters projecting out

4. Concrete projecting sign panel, recessed letters

5. Wrought iron letters on 6" spikes

6. Painted slumpstone mosaic

CONGRATULATIONS Spirit Jr. Cadet Band

Under the leadership of Drum Major, Daniel McCune, student of Lakewood School, for winning 1st place in the San Carlos Parade on May 21st.

DUMPSTER DAY

Jim lane - 734-1934

Well neighbors we have completed spring clean-up days provided by the city. Now we need to look around for the things we missed and take advantage of Neighborhood Clean-Up Day (Dumpster Day) on Saturday, July 23rd. We also need to know the name and addresses of the people who will need assistance on Dumpster Day because of physical restrictions. If you need help please call Jim Lane at 739-9405 or Gene Goldsmith at 734-1934 early so we can be sure that people are available to assist you.

ADULT ENGLISH CLASSES AT LAKEWOOD

Pat Boyle - 744-1149

Adult High School teaches beginning English classes from 6:30 to 9:30 P.M. on Monday & Thursday evenings at Lakewood School. Summer classes are from June 20 to July 28. You can register at the first class. Classes will start again in September. Class is free, but books cost about $20. Tell your friends and neighbors about these classes.

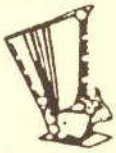

L.V.N.A. UNIT MANAGERS - 1994

Unit 1:	Craig Crawford	736-7371
Unit 2:	Melissa Castrigno	734-5442
Unit 3:	Thomas Mayer	734-3935
	Sara Chun (Distributor)	745-7328
Unit 4:	Diane Bowman	739-5453

Walkers to deliver the newsletters are needed for Units 1 & 3. Please call the above Unit Managers for specific details.

FAIRWOOD PARK UPDATE

Matthew Castrigno 734-5442

The Fairwood Park improvement project continues to move forward. The plans went out for bid the first week of June. Once this step is taken construction can be expected to start between two to four months from that point. The results of the biding process will be known by the end of June. At that point it will be known if the project will include improving part of the Hetch Hechy right of way.(see April Villager for details). Robert Walker, Superintendent of Parks, explained that contract covers a 210 day period which contains approximately four months of construction and three months of plant establishment. Mr. Walker cautioned that this schedule is optimistic as it depends on many factors outside of the control of the City including the weather. During the plant establishment phase the park will appear completed but will remain fenced off as the plants get a chance to establish themselves without the burden of foot traffic compacting the soil. A sign that was posted at the sight erroneously stated the project would be completed in Fall of 94. Mr. Walker indicated he has been told by reliable sources that the sign has been corrected. It is anticipated that the park will be available for use in the Spring of 95.

LAWRENCE EXPRESSWAY CLEAN SWEEP

Complaints of Lawrence looking dirty were addressed at the May LVNA board meeting. Nick Wright took the action to call the County and requested a cleaning schedule. The County advised that it sweeps Lawrence the second week of every month. It was noted that Lawrence had not been swept this month due to the sweeper being in the shop. A commit date to sweep Lawrence by Friday, 5/28/94 was completed and appreciated.

TEEN PROJECTS

The city has begun a Teen Advisory council. The purpose of the council at this point is to identify what kind of programs and events would be of interest to our youth. Jamie Nixon will be serving as a representative from Lakewood Village. If you have ideas on activities, or need information on the council, please call Jamie at 245-8382 or Kelvin Foutano at 730-7514.

LVNA VOLUNTEER OPPORTUNITIES

MULTI-LINGUAL TRANSLATORS

If you can help LVNA reach out to others by translating your written or spoken language, let us hear from you by calling the Editor at 734-9424.

LVNA BBQ COMMITTEE VOLUNTEER

In the event that LVNA sponsors a BBQ in August, we would like to recruit volunteers to work with us. Please call Matthew Castrigno at 734-5442.

HOSPITALITY

Would you be willing to supply a treat for one monthly meeting? Do you have a new neighbor? Let's welcome them. Would you be willing to serve on a hospitality committee?

** If your answer is yes to any of these questions please call Debbie Nixon at 245-8382.

FUNDRAISING COMMITTEE VOLUNTEER

The LVNA is looking for volunteers who would like to participate in the planning and execution of fund raising activities. If you would like to volunteer for this very important role please call Matthew Castrigno at 734-5442.

ENJOY A EUROPEAN EXPERIENCE AT HOME

Host a European Intern This Summer

Selected European college age students (18-29 yrs old) come to California each summer to participate in a 10-12 week work and cultural exchange program.

If you would like to learn more about the program or are interested in hosting a student, please contact Jean Ikeda at (415) 949-7524.

MUSIC

We've lost most of the music programs in our schools! We haven't lost hope, we've still got Spirit! The "Spirit of Sunnyvale" Marching Youth Band has branched off to meet a need in our community. The Jr. Cadet Band was formed about 6 months ago to serve kids from 9 to 12, a beginning band to fill the desire for music. It's great! The Drum Major is a student from Lakewood school as are several other participants. This was a major undertaking though and we could use the help and support of our community, either by a financial contribution or an instrument you may be able to donate (we are a non-profit so your donations are tax deductable). Perhaps you could offer tutoring to a beginning student, what a great gift that would be! If you feel you would like to help keep music alive and available for our children, we could use your help. For more information call Debbie 245-8382.

"Spirit" is a city co-sponsored group so fee waiver assistance is available. For information call 408-738-4321.

NEIGHBORHOOD BEAUTIFICATION

The little county lot once filled with weeds on the corner of Lawrence and Sandia is now slowly changing into something we can be proud of. Thanks due to people like the Piazzas, Hofflands, Charlene Jolly, June and Wayne Taylor, and our city employees, Doug Spinelli and Larry Iaquinto. All of whom made contributions of time, support, materials, labor and most importantly, encouragement to bring the project this far.

It has provided an opportunity for many of the youth in the community (Oscar, Alicia, Shivon, Jamie, Robyn, Amanda, and Steve, to name a few) to become involved, and learn something about community service, and/or about themselves.

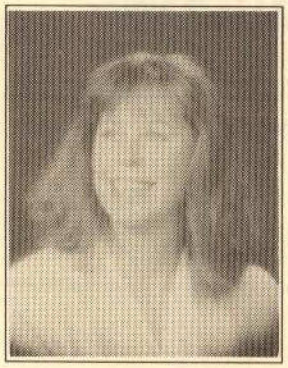

I'm looking for anyone who is interested in getting involved in beautification projects in whatever capacity they see a need for. It could be by taking responsibility in cleaning up trash in a problem area, starting up a "clippings share" group, or providing water for the "lot" (that's a real problem right now). Anything you can do to promote a more pleasing looking neighborhood. If your interested please call Debbie 245-8382.
