## Gangs? In Lakewood Village?

What is a gang? What does it mean to be a "gang member"? Does the problem exist in Lakewood Village? How can we tell? What are the signs? Are they "real gangs" or just "wannabes"? What's the difference?

These questions and many more will be answered by **Public Safety**. October 20th, right here in Lakewood Village and everyone is invited to attend! LVNA has scheduled a presentation, with **Gang Awareness** as the topic, for the next general assembly meeting. Come, see if there is something we can do to prevent our youth (all of them) from becoming involved with gangs. No children in your family? It doesn't matter, gang activities affect us all and we all should be informed. Teens are especially encouraged to attend.

## Neighborhood Watch

The Public Safety meeting, held at the home of Tammy Iglesias, was a success with 15 to 20 residents in attendance. The meeting was from 7 - 9 p.m. with lots of questions and much information given out. Officer Isaacs and Lt. Freeze did a very good job informing the attendees. Everyone there signed up for the police to come into their homes and identify their property. Future meeting(s) have been pledged with dates and places to be determined. For additional information on the Neighborhood Watch Program call 730-7110.

Special thanks to the residents who attended and to the Public Safety officers involved.

## Letter from the President

I want to begin by thanking all of the people who helped make the BBQ a success. Special thanks to Verna Kirk, who stepped in to chair the project.

I just attended a conference through the Sunnyvale School District, called **"Dare to Care"**. The importance of parent and community involvement were stressed. We have to stay focused on our common goals, our children. Combining the strengths and resources in the community with the schools will provide our children with the best foundation possible for their future. We **need** to be involved, we **need** to, as a community, take responsibility for our children's future. The world we shape is the world they will inherit.

-Debbie Nixon

## L.V.N.A. Funding

The L.V.N.A. in now self supporting. The money from the Community Foundation is being returned based upon the agreement signed by past President Jessica Lee, dated June 17, 1993. The agreement states that the grant had been approved to "fund the activities described in your proposal". With the expectation that "all grant funds will be spent by August 31, 1994". The money was not spent, therefore it is due to be returned. We are working on new ways to fund the projects we choose to pursue.

## Fairwood Park

The Sunnyvale City Council has approved modifications to the budget allowing improvements to be made to the Hetch-Hetchy strip adjacent to Fairwood Park.

## Tips for a Safe Holloween

Try to Trick-or-Treat when it is still light outside.
Wear a costume that makes it easy for you to walk, see and be seen.
If you must go out at night, make certain that your costume is light in color.
Carry a flashlight so you can see and be seen easily.
Use retro-reflective tape on your costume so people driving cars can see you.
A face mask will keep you from seeing well. Take off your mask before you cross a street.
Why not use make-up instead of a mask?
Have a parent, older brother or sister go Trick-or-Treating with you.
If someone older cannot go with you, Trick-or-Treat with a group of children.
Plan your Trick-or-Treat ahead of time. Pick streets that are well-lighted.
Tell your family on which streets you will be Trick-or-Treating.
Cross only at corners. Never cross the street between parked cars or in the middle of the block.
If there is no sidewalk, walk facing traffic.
Wait until you get home to sort, check and eat your treats.

## Special Election

In response to the general assembly request for a special election.

In the September issue of the newsletter, under Minute Briefs, an announcement was made referencing this request. Also contained in that newsletter, was a survey, of which item 6 reads:

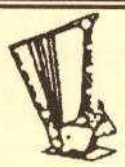

"Nominations for offices currently held by appointment, or vacant, are now being taken and may be submitted with this survey"

Due to the lack of response, a nominations committee is in the process of being formed.

## Annual Barbecue

We held our barbecue on September 10th. It was a beautiful day, there was plenty of good food, music, and good company. A good time was had by all. Heartfelt thanks to all who volunteered,. You are terrific. And a special thank you to the folks of Victorious Life Christian Center for their donations of both material items and volunteers.

We had several noteworthy guests. Mayor Francis Rowe gave horseshoe lessons to a number of our residents, ranging from elementary children to our more mature population. Also in attendance were, Stan Kawczymski and Landon Noll from the City Council, the Chief of Police, the Director of Parks and Recreation, and our Neighborhood Preservation Officer. From the school district, we had the new Principal from Lakewood School Marcy Dobrow, and Pamela Kittler representing the Sunnyvale School Board. We also had the Bookmobile and Public Safety brought in fire engines and police cars.

LVNA continues to strive towards excellence for our community through these kinds of outreach. Thank you one and all.

## Minute Briefs Sept. 15 Meeting

Meeting opened at 7:10 p.m. Due to the late start, remarks were brief. Presentations began at 7:15 p.m. with Bill Powers doing the Mission College update and Christine Fisher doing the Lawrence Undergrounding, followed by a question and answer period.

By-Laws were put up for adoption. A vote to accept them failed 21 to 28. Sighted as the reason was not having them readily available to the public.

A 10 year old girl spoke to the crowd on how unsafe she felt on her own street.

## By-Laws

What are By-Laws and why do we need them? By-Laws are guidelines. We use them to clearly spell out (or as clearly as possible), everything from our purpose, to rules of conduct. This document gives consistency to an organization. For example, the role of each officer is defined, you know what is expected of you. Some may view it as "accountability", and some as "guidance".

A request was presented by a Lakewood resident that a copy of the By-Laws be delivered to every home in Lakewood Village. After thorough analysis of the Neighborhood Association's current financial status, it has been determined this is not cost effective; however if you wish to obtain a copy, we are asking that you please do so by mailing a legal sized SASE along with $0.75 (to cover printing cost) to:

Lakewood Village Neighborhood Assoc.
PO Box 9249-1690
San Jose, CA 95157

If enough interest is expressed, a public reading of the By-Laws will be held, time/date TBD. For info, call 245-8382.
