Do you have an opinion about the Arts in Sunnyvale?

Sunnyvale Parks and Rec. will be having an open discussion with the community. They want to hear your likes, dislikes, needs and desires regarding the arts, including visual arts (painting and photography classes), performing arts (dance, drama, music), along with the gallery, theater, and public sculpture. The discussion will be held at 7:00 p.m. on January 23rd in the Neighborhood Room, at the Community Center on Remington. For more information, call Katherine Chappelear at 730-7355.

LETTER FROM THE PRESIDENT

As you can well imagine, this has been a busy month. The parade was great! I want to thank Pat Maloney for chairing the parade committee and Dave Jenkins for chairing the post-parade party. Thank you, one and all, for your part in making this event such a success. And a special thanks to the City officials for their continued interest and support in our community.

Efforts are being made for a more effective outreach within the community. Thanks to Pat Boyle and Don Jolly for their part in making the multi-language translations possible.

LVNA meetings are now being held quarterly, the newsletter will still be published monthly. The next regular meeting will be held in March, when new officers will be elected. Until then, we will be working by committees, to resolve some of the issues facing us. On the back you will find a nomination form for all offices, PLEASE make recommendations!

My wish to you is for a Happy, Healthy, Holiday Season and a peaceful, prosperous New Year.

HELP FOR PRESCHOOL CHILDREN WITH SPEECH AND LANGUAGE DELAYS

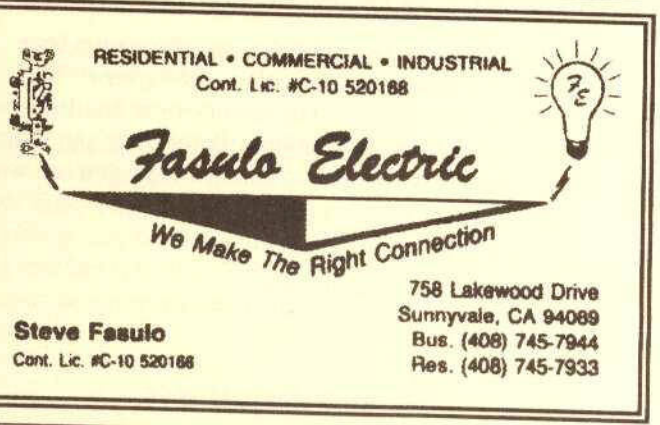

Being a parent is a very special job. You are your child's first and most important teacher. Your example teaches your child how to listen and talk with others. You can make a big difference in how well your child develops communication skills. It is important to help your child learn and practice these skills at home. This can be an overwhelming task, especially if your child has communication difficulties. Your child may have problems listening and following directions (receptive language). Your child's speech may not be clear (articulation). Or, your child may use shorter sentences than other children the same age (expressive language).

The Sunnyvale School District provides free speech-language evaluations and therapy for preschool children (ages 3 to 5 years). If you have concerns about your child's development of communication skills, please call the Sunnyvale Preschool Center (522-8287) at Columbia School

AYUDA PARA LOS NINOS PREKINDER CON DEMORAS EN HABLA Y LENGUAJE

Siendo padre es un trabajo muy especial. Usted es el primer y mas importante maestro. Su ejemplo, como padre, le ensena a su nino como escuchar y hablar con otros. Usted puede hacer una gran diferencia en cuan bien su nino desarrolla habilidades de comunicacion. Es importante ayudar a su nino aprender y practicar estas habilidades en casa. Este puede ser uno tarea sobresaliente, especialmente si su nino tiene dificultades de comunicacion. Su nino puede tener problemas en escuchar y el seguir direcciones (lenguaje receptor). El habla de su nino no es claro (articulacion). O, su nino utiliza oraciones mas cortas que otros ninos de la misma edad (lenguaje expresivo).

El Distrito Escolar de Sunnyvale provee evaluaciones gratis en hablar y lenguaje y terapia para ninos prekinder (edades 3 a 5 anos). Si usted esta preocupado sobre el desarrollo de las habilidades de comunicacion de sus nino, por favor llamar al Centro Prekinder (552-8287) en la Escuela de Columbia.

Believe you are defeated, believe it long enough, and it is likely to become a fact.

SCHOOL NEWS

Bookmobile

The Bookmobile Schedule, for the neighborhood, is every other Wednesday (December 7th and 21st, January 4th and 18th) at the following locations:

- Lakewood Park 2:45 to 3:45 p.m.
- Fairwood Park 4:15 to 5:00 p.m.

Report Card

Once a year the State has every school fill out a "report card" on themselves. This document is designed to inform the local community about conditions and progress being made at the school. This information is also used by realtors. The quality of our schools has a lot to do with the value of the neighborhood (property). To receive a copy of Lakewood's or Columbia's '94-'95 report, just call Jeannie Mohr at 522-8200 ext241.

A CHANCE TO READ AND SHARE

BOOKS - Over 100 were donated and put out at the holiday party. One observer commented on how the children went for the books even before the goodies. When the party was over, only about 10 books remained. Thank you all for your participation and let's KEEP READING!

Donations are always welcome, call Debbie at 245-8382.
