HOLIDAY PARADE REFLECTIONS

JUDY FERNANDEZ

The Holiday Parade was held on December 11th at 10:00 a.m. The step off was a little late, but about 300 plus neighbors lined the parade route with the spirit of Christmas on their minds. A special thank you to the officials who joined in our celebration. In attendance were Vice Mayor Stan Kawcznski; Councilman Jim Roberts; Sunnyvale School Board members Linda Killian, Pamela Kittler, Bill McDowell, Ellen McHenry, and Peggy Quillinan; Parks Director John Christian; Parks Commissioner Butch Johnson; Chief Regan Williams and Officer Bob Isaacs of Neighborhood Resource.

Among the parade participants were Cub Scout Pack #403, the Bell Swingers, Spirit of Sunnyvale Marching Youth Bands (both Cadet and Senior groups), a fire truck, recycle truck, Mrs. Schmitz class with pets from Lakewood School, Planning Commissioner Vicki Piazza with her ginger bread house and children, Fremont High School Marching Band, Santa and his elves.

At the end of the parade, neighbors and parade participants joined in for an after parade celebration at Lakewood Park. There was refreshments and dancing provided by the Bell Swingers. Vice Mayor Kawcznski thanked LVNA and hopes to see this tradition continue and get even bigger in coming years. Councilman Roberts mentioned he would like to be invited every year. A great time was had by all.

LETTER FROM THE PRESIDENT

Happy New Year! I hope you enjoyed everything LVNA had to offer during the Holidays.

Thank you Pat Maloney, for the parade and Judy Fernandez, for the lighting contest. I would also like to thank those who worked to decorate the "lot": Rosemary Coles for the plywood (that started it all), Lynn Cordova, June Brown, Jamie and Robyn Nixon, for their artistic contributions, Denny for his financial assistance, and Wayne Taylor, for providing the electricity. A true community project.

We will not have a regular LVNA meeting this month, however, there is a special bylaws meeting January 19th at 7:00 p.m. in the park building. Thank you Mel Anderson, Geoff Carter, Pastor George, and Helen Lane for all your efforts to inform and represent the community. **This would be a perfect opportunity to submit nominations for the upcoming elections.**

LET BYLAWS BE BYLAWS

GEOFF CARTER (733-0502)

Recently, in Lakewood Village, there has been "much ado about something." If you've been reading the flyers, *"The L.V.N.A. Newsletter,"* and *"The Underground Chronicle"* delivered on your doorstep, over the past few months, you may have an understanding of what it's all about. In order to better appreciate where we are and where we want to go in the future, it is important to consider where we have been. So please bear with me as we consider the saga of the bylaws of the L.V.N.A.

The Lakewood Village Neighborhood Association (otherwise known as L.V.N.A.) was started some three odd years ago. As a new organization we needed a set of governing rules to work and live by. The leadership "borrowed" a set of bylaws from the defunct Lakewood Village Residents Association (LVRA) as a starting point for their own set of bylaws. These bylaws were worked on for a while but were never approved by the general assembly of the L.V.N.A. nor by its board of directors.

The fact that we had no bylaws came to a head this past August when the president of the L.V.N.A., Mr. Matt Castrigno, was asked to resign for, among other things, failure to take action on getting the bylaws approved. Mrs. Debbie Nixon took over as president with a mandate from the general assembly to bring the bylaws forward for discussion and approval.

At the September General Assembly meeting a set of bylaws were presented for approval, but not discussion. The general feeling of those present were to not approve the document without first having the opportunity for public review and debate. They failed to pass.

Nothing about bylaws was on the agenda for the October General Assembly meeting. The meeting in November was devoted to public review and discussion of a newly revised set of bylaws. Much discussion on many issues took place. Pastor George, of the Victorious Life Christian Center, was present at this meeting. In an effort to help our neighborhood retain its strong, cohesive, work-together attitude that has made this neighborhood association the envy of the valley and which had garnered the respect of city government, he volunteered to publish the bylaws presented so that every resident of Lakewood Village could have a chance to study them. Look for them to be delivered to your door right after the first of the year with the Victorious Life newsletter.

Please read the bylaws and be prepared to discuss them at the next meeting on Thursday, January 19th. You are invited to bring your comments and concerns forward so that they can be considered. We want the bylaws to reflect the "will of the people" who live in Lakewood Village.

Anyone interested in joining the bylaws committee to complete this task should contact Mr. Mel Anderson or Mrs. Debbie Nixon. We invite you to show your support for the neighborhood by taking an active role in this very important process.

SUNNYVALE TEEN COUNCIL

JAMIE NIXON

At the last meeting, 5 additional students attended from Fremont High School. We talked about the **"Buddy Connections"** and it's purpose. What the volunteers will be doing is, after school, going to an Elementary or Jr. High school and help out with the after school homework program.

As we get more volunteers in **"Buddy Connections"**, we will be paired up with younger students to help them with their school work, to just be their friend, and possibly taking them on group field trips.

If you are interested and would like more information, call Jamie Nixon at 245-8382 or Pat Kelly at . Our next meeting is January 17th at 4:00 p.m. at the Community Center, in the Conference Room.
