Recap of February Meeting

For those of you who were unable to attend the last LVNA meeting, we had a very helpful workshop on real estate and lending, also discussing basic home upkeep, home inspections, and a number of other topics.

If you were unable to make it and want information on what was discussed, please contact me for handouts. The foreclosure activity in our neighborhood has increased, and we want everyone to know what options are available to them if they find themselves in a difficult situation with their home loan, and what this means for people wanting to sell their homes.

Coming up: Volunteer Appreciation Night

March 12th is our annual Volunteer Appreciation meeting. We will have free pizza, and an opportunity to simply hang out with neighbors and show our appreciation to the individuals and families that contribute their time.

These volunteers ensure that there is a personal touch on our neighborhood in an increasingly impersonal culture. I have been extremely blessed to have formed real friendships with people in Lakewood Village that, without the monthly LVNA meetings and special events, I would not have initially met.

However, you don't need to wait for the next event to meet your neighbors. Try doing something thoughtful for someone who lives close by. You have nothing to lose, and great friendships to gain. I speak from personal experience.

Energy Workshop

Want to save money and energy? The energy saving workshop is still being planned, and I am looking for people to join me! The class is based on the Low Carbon Diet, a workbook with easy-to-follow instructions and ideas for reducing your energy bill and CO2 emissions. If you are interested in participating, please contact Ursula Syrova at 408-738-3092 or vicepresident1@lvna.net.

LAKEWOOD PONY BASEBALL

Opening Day!

Opening day of the Lakewood Pony Baseball season, March 15, is rapidly approaching and promises to be the best yet. The day will begin with team pictures followed by the Opening Ceremonies at 2 pm with the honorary first pitch followed by team introductions. The day will continue with snacks, games, and fun, including a cake walk and other carnival games.

Later in the afternoon, the first of two games will officially kick off the Lakewood Pony Baseball season, one at 5:15 pm with the 7-8-year-old Pinto Division, and the second following with the 10-11-year-olds from the Mustang Division.

Come out and support the players of Lakewood Pony Baseball. Then each week after that, the other teams in LPB will match up in weekday and weekend games, highlighted by a Saturday night game to top off the week.

Don't Be a Crime Victim

You probably remember the long list in the January Villager issue of tips for preventing burglary. Hopefully you found it helpful.

Here are some ways that we can help ourselves and also help each other as neighbors:

1) Organize a Neighborhood Watch Group

2) Schedule a Home Security Survey (public safety will come out to your home and make suggestions on how you can make your home safer). It's FREE! (408) 730-7116.

3) Get out and meet your neighbors! Make a legitimate effort to introduce yourself! It's important to know who belongs in the neighborhood . . .

4) Implement some of the safety tips provided in the **Burglary Prevention Tip List** which can be found in your January *Villager*.

A reminder of a few of the items on the **Tip List**:

- Make your home look occupied, and make it difficult to break in.
- Lock all outside doors and windows before you leave the house or go to bed. Even if it is for a short time, lock your doors.
- Leave lights on when you go out. If you are going to be away for a length of time, connect some lamps to automatic timers to turn them on in the evening and off during the day.

Odds and Ends

YOU KNOW YOU ARE LIVING IN 2008 when...

1. You accidentally enter your PIN on the microwave.
2. You haven't played solitaire with real cards in years.
3. You have a list of 15 phone numbers to reach your family of three.
4. You e-mail the person who works at the desk next to you.
5. You pull up in your own driveway and use your cell phone to see if anyone is home to help you carry in the groceries.
6. Leaving the house without your cell phone, which you didn't even have the first 20 or 30 (or 60) years of your life, is now a cause for panic and you turn around to go and get it.
7. You start tilting your head sideways to smile. :)
8. You're reading this and nodding and laughing.
