Next LVNA General Meeting

WEDNESDAY, June 11

at 7 p.m. in the Lakewood Park Building

- **Dumpster Monitors: Come and Pick Up Your Badge at 6:50**
- **Dumpster Day Is *June 28***

President's Column

-Michael Majchrowicz

At our last couple of Lakewood Village Neighborhood Association meetings we have been joined by individuals running for public office, and I hope you were all able to vote on June 3. At our next meeting, on June 11, I would like to hear from all of you about how you think Lakewood Village could be improved.

As a group, we can briefly mention the particular area needing to be addressed, and then collectively discuss the best way to solve the problem. LVNA cannot solve everything, but we can create a forum to which neighbors can bring concerns and find out the right people to contact to get answers. We can also discuss how to follow up so that changes are actually made. Persistence is the key.

For example, there has been a problem with the mail delivery on some streets, and there are some abandoned homes that are in disrepair and have overgrown yards. Some people have mentioned spray painting that needs to be covered up. The purpose is not to vent, but to search for solutions to problems as a community and to improve our neighborhood.

Secretary Position Open

LVNA is now looking for a new Secretary. This would involve taking minutes at the LVNA monthly meetings, as well as at the occasional board meetings. You would be the official record-keeper of LVNA; these notes help us plan future events. The position does not require a great deal of time, but it is essential to the continued influence of our neighborhood association, the oldest one in Sunnyvale. If you are interested in serving your community, please call me: (408) 886-8037.

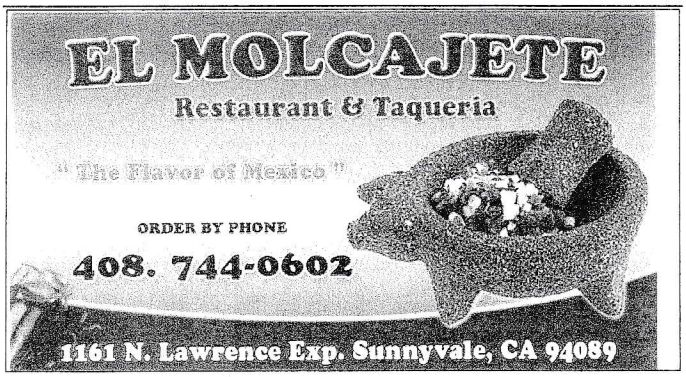

Dumpster Day Volunteers

We have all our volunteers for Dumpster Day on June 28! Thank you very much for your willingness to serve. *Volunteers, please come to the June 11 LVNA meeting about 10 minutes before 7:00 p.m.* to receive the flyers for this year, and so we can have a quick meeting before the general meeting.

Dumpster Day is coming up on June 28. Dumping in the dumpsters that will be distributed around Lakewood Village can begin that morning. Please respect neighbors who are monitoring the dumpsters. See page 3 for what can and cannot be dumped. If you have hazardous waste materials, you will need to take them to the SMaRT Station (see below) on June 21, July 19, or any other third Saturday of the month. TVs and other items containing hazardous materials *cannot* be put into the dumpsters on Dumpster Day.■

Remember: NO Hazwaste in the Dumpsters!

Take items listed in the No section on page 3 to the SMaRT Station (see page 3). Check Computer Recycling Center (370 West Caribbean Drive), www.crc.org, for a way to donate home electronics. ■

Dumpster Day Is Saturday, June 28, 8 a.m. to 4 p.m.

Dumpster Day Rules

YES!:

•Dumping on Saturday June 28, 2008.
•Trash
•Furniture
•Wood
•Fence wood
•Appliances (except refrigerators or air conditioning units; see No list at right)
•Car parts and car body pieces without ANY fluids
•Small amounts of concrete (no entire driveways!)
•Small amounts of construction debris (no commercial dumping!)
•Tires (ONLY in the tire dumpster, which will be located between the two gas stations at the Lakewood Village Shopping Center).
•Dried paint

Help Lakewood Village keep Dumpster Day by respecting the volunteer dumpster monitors and the dumping rules!

→ → → → → → → → → → → → →

Take items in the No list at right to the SMaRT Station, 164 Carl Road on June 21, July 19, or any other third Saturday of the month, between 8 a.m. and 1 p.m.. To get to the SMaRT Station, go north on Lawrence Expressway (becomes Caribbean Drive) to Borregas Avenue and turn right. Follow the signs for the Household Hazardous Waste Drop-off Event. Take the hazwaste in a sealed container that doesn't leak or bags or buckets that you don't want to keep. Take no more than 5 gallons or 50 pounds per trip to the station. Be ready to show your driver license to the attendants.

NO, NO, NO:

•Dumping before Saturday June 28, 2008.
•Computer monitors (see *No Hazwaste* on page 1)
•Television sets (see *No Hazwaste* on page 1)
•Refrigerators
•Air conditioning units
•Car parts with fluids
•Big loads of concrete
•Commercial construction debris
•Motor oil
•Adhesives
•Pool chemicals
•Oil filters
•Insecticides
•Aerosol cans
•Antifreeze
•Herbicides
•Automotive fluids
•Mercury (thermometers)
•Batteries
•Fire extinguishers
•Household & automotive cleaners
•Latex and oil-based paints and stains (paint that has been poured onto newspaper and dried is okay to dump)
•Flammable or combustible liquids
•Compressed gas cylinders
•Syringes (syringes may be placed in an approved sharps container or 2 liter bottle with cap so the contents are visible). ■

June in Your Yard and Garden

☼ Weed. Do not let the weeds form seedheads. Be sure to knock down tall dry grasses because they create a serious fire hazard.

☼ Add young, seedhead-free weeds to the compost pile. Remember to keep the pile as damp as a wrung-out sponge for faster composting. Turn the pile occasionally.

☼ Watch out for snails and earwigs, both of which devour seedlings.

☼ Use a strong spray from the hose to wash away aphids.

☼ Wrap fruit tree trunks with a sticky tape to control ants. Wrap low so that birds, particularly hummingbirds, will not be attracted. Fruit will be ripening soon and the ants will go after the fruit. Water plants as needed.

☼ Insulate the garden soil from hot, dry weather by applying a two-inch-thick mulch.

☼ Fertilize plants if you see signs of pale, lackluster growth. Yellow leaves with green veins often indicate an iron deficiency, which can be corrected with chelated iron.

☼ Fertilize the lawn. Fertilize all flowering plants about to bloom. Fertilize roses.

☼ Pinch off dead flowers, particularly off lilacs and other late-spring flowering shrubs. Make sure you get the entire flower head when dead-heading annuals—including the swollen ovaries where seeds form. This will encourage new flowers as the plant rushes to reproduce itself.

☼ Transplant summer-flowering plants into the bedding plot. Hot weather is hard on newly transplanted plants. Shade them for a few days with the temporary shelter of an umbrella or wooden shake. Stake tall sprawling flowers such as delphiniums and dahlias.

☼ Continue to plant the vegetable garden. Thin vegetable seedlings that were sown too close together by snipping them with scissors. Harvest vegetables as they ripen, picking them early in the day.

☼ Be very attentive to your watering system to make sure that it is in good working order. Soak all newly transplanted plants deeply.

These tips are from the book *Northern California Gardening: A Month-by-Month Guide,* by Katherine Grace Endicott, published by Chronicle Books, San Francisco, copyright 1996, and are used with the publisher's permission. ■
