Successful Dumpster Day

Thank you to all of the fantastic volunteers we had for Dumpster Day! The fact that we have neighbors willing to put significant effort into Lakewood Village is a great encouragement.

Thank you to:

Fred and Phyllis Fowler
The Flovin Family
The Ortega Family
Skip and Annie Gottschalk & Friends
Rodriguez Family & Friends
Dennis McDonald
Pat Fletcher
Kathy and Richard Bray
Dan Bailor, Verna Kirk, & Friends
Sarah and Art Daugherty & Family
Pat Overhage
Bev Mansfield
Bob Chainey

Also, thank you to the respectful neighbors who listened to the dumpster monitors and followed the dumping rules. To those of you that don't fall into that category, better luck next year.

Our Dumpster Sale, run by the LVNA board was also a success. Thanks to those who helped out here.

June 9th General Meeting

At our next meeting we will again be having ***Bingo Night***. *Prizes* will be given; and bring a few dollars for snacks and beverages. This money goes back into the neighborhood through the events put on by LVNA.

We will also be having an update from Jim Davis, our Neighborhood Resource Officer.

If you have seen any activity in the neighborhood and wondered what was going on, Officer Davis is the one to ask. The June 9th meeting is a perfect opportunity.

Your assignment for July If you live near someone who is new to the neighborhood, take the time to go meet them and invite them to an LVNA meeting. Also let them know about the neighborhood events we do.

CHOICECOLLECT® ROLLS OUT ON-CALL CURBSIDE COLLECTION

SUNNYVALE, Calif. – *ChoiceCollect – Curbside Collection That Fits You*, Sunnyvale's new residential garbage and recycling system, will be implemented in phases beginning July 1. The initial phase will include ***on-call curbside collection.***

With ChoiceCollect's on-call curbside collection, Sunnyvale residents will be able to schedule two no-charge curbside collections of extra trash, bulky household items and electronic waste such as TVs and monitors, each year. ChoiceCollect on-call pickups replace the curbside collections formerly held Citywide during spring and fall, and now provides residents with the flexibility of choosing when they want to get rid of extra household items.

At each on-call collection, residents may set out up to two cubic yards of extra trash and non-hazardous household material (equivalent to a space six feet long, three feet high and three feet wide), plus two bulky items, such as appliances or furniture.

This service is available to all garbage customers in single-family, duplex, triplex or and mobile homes for no charge, twice yearly, by calling the Utility Billing Division, Customer Service at (408) 730-7400, TDD (408) 730-7501.

More information will be provided in a mailing scheduled to arrive at residences by early July.

In the ChoiceCollect second phase, residents will be mailed cost information, after City Council adopts refuse collection rates July 22. This August mailing will explain how residents select a size for the new garbage cart to be provided to each home. The new system roll-out will be completed in October 2008 with the delivery of the selected garbage carts to residents. Collection of yard trimmings and spring and fall dumping weekends at the SMaRT Station® will continue unchanged.

When ChoiceCollect is fully implemented in October, it will provide residents with a choice of cart sizes and corresponding monthly costs, flexibility in the timing of curbside collection of extra waste and bulky household items (including collection of televisions and computer monitors), and the addition of mixed paper to the newspaper side of the recycling cart.

More information and updates are available by visiting *ChoiceCollect.inSunnyvale.com.*
