Next LVNA General Meeting

Wednesday, August 13, 2008

7 p.m. in the Lakewood Park Building

* **Discussing New Ideas for the Neighborhood**

President's Column

-Michael Majchrowicz

At our next meeting on **Wednesday, August 13th** we will have the opportunity to review two candidates for the open Secretary position for LVNA. If the candidates are able to come, we will most likely be voting that night. If you are considering the role, please contact me for more information on what the position entails. My contact information is on the back of the *Villager*. It is not a difficult position, but an essential one.

The annual **LVNA Neighborhood Picnic** will be held **September 13th**, which is the second Saturday in September. More details will be included in the September Villager, but please set this day aside. It is always a great time, and the best opportunity all year to meet many LVNA neighbors for food and games.

I would like to try something new. Many neighborhoods have block parties, and this is a great way for a smaller group of people to get to know each other. Because of the large size of our Association, this is a difficult logistical undertaking. What I would like to do is have some sort of "Street Team Captains" who could organize one event a year, or as often as they feel comfortable. The Captains could be a single volunteer, a family, or several neighbors on a street. You could have a potluck, or have people contribute money, with a couple families barbecuing

If you are interested in discussing this idea more, or would like to volunteer to help plan your neighborhood block party, please come to the next LVNA meeting, or call or email me. I would like to brainstorm ideas with those of you who are interested. Hopefully this is something we can start, and as neighbors realize how much fun these parties can be, more people will get excited about participating. Maybe you don't quite feel up to it, but know someone who would be great. Have them contact me!

Villager Positions Open:

Walker needed for Fairwood

School starts **August 25** at **Fairwood** and **Lakewood** Elementary Schools. From the principals:

Principal's Message—Fairwood

Parent involvement plays an important role at Fairwood. You are a major, important component in your child's education. We welcome your involvement and support. Here are some ways you can assist your child to reach their maximum potential and become partners with the school.

Successful Steps to a Great Learning Adventure at Fairwood School

1. Make sure your child is well rested, fueled with a nutritious breakfast and at school on-time! Learning begins at 8:00 a.m. sharp!

2. Review your child's homework daily and help your child be a responsible learner by completing and returning the homework on-time.

3. Ask your child about his/her day. Listen to what your child has to say. Spend time talking with your child about school.

4. Make sure your child is *at* school. Schedule appointments after school hours so your child does not miss the learning experience.

5. Set up routines at home (bedtime, homework, breakfast, family time, responsibilities). Children need consistency and good role models.

6. Communication is important! Communicate with your child's teacher and school. What you have to say is important!

Be involved at Fairwood. Join the PTG.

Together, we look forward to a positive year at Fairwood.

Principal's Message—Lakewood

Lakewood School is a safe and happy learning environment for all students and staff. Several programs have been implemented to improve school climate and academic success. Homework Heroes, Honor Roll, High 5 raffle tickets, and Student of the Month are structured to allow for more participation and formalized honoring of all students. Monday Patriotic Assembly and Student Leadership activities have a very positive impact on student behavior. Upper grade students are encouraged to develop leadership qualities by participating in the Student Leadership class with the Principal.

Lakewood School Student Character Pledge

Respect, Responsibility, and Citizenship too,
They bring out the best in me and you...
Trustworthiness and being Fair,
Help to show others that we really care...
We all know what's right,
We all know what's good
We will do the things We know,
We should!

August in Your Yard and Garden

☼Continue to weed. Unfortunately, as long as it is the growing season, it is also the weeding season. Add young, seedhead-free weeds and excess summer growth to the compost pile. Remember to keep the pile as damp as a wrung-out sponge for faster composting.

☼Use a strong spray from the hose to wash away aphids.

☼Pick up fallen fruit and vegetables to discourage ants from forming colonies near your house.

☼Insulate the garden soil from the hot, dry weather by applying a two-inch mulch.

☼Fertilize plants if you see signs of pale, lackluster growth. Yellow leaves with green veins often indicate an iron deficiency that can be corrected with a chelated iron. Fertilize the lawn, all flowering plants about to bloom, and roses, except most antique roses.

☼Hold off transplanting fall and winter flowering plants into the bedding plot. Hot weather is hard on newly transplanted plants. If you do transplant, shade them for a few days with the temporary shelter of an umbrella or wooden shake. Stake tall sprawling flowers.
