7 p.m. in the Lakewood Park Building

Annual Holiday Parade

*** Saturday, December 13, 11am - 1pm**

President's Column

-Michael Majchrowicz

The Lakewood Village Neighborhood Association Picnic was a success! Thank you to all who came, and a very special thanks to our many volunteers. The picnic was well attended, as usual, and we were able to have a fire truck drive up to the picnic area so the kids could take turns sitting in the fire truck and spraying the water hose.

Our next event, and always the largest, is the Holiday Parade on December 13th. The parade will begin at 11:00AM and will be followed by a party at Fairwood Park with cookies, hot beverages, and a performance by the Fremont High School Choir. We will end at about 1:00PM.

Lakewood Village is the only neighborhood in Sunnyvale to do a parade, and we are very excited to be able to participate. The parade route begins at Lakewood Elementary and follows Lakehaven and Sandia to end at Fairwood Elementary. If you are interested in volunteering and being a part of the event, please contact me.

For those of you who arrived at the Lakewood Park Building on October 8th to find it empty, the meeting has been moved to the third Wednesday in October for this month only. I hope to see you on October 15th. We will be having a voter registration booth set up, so if you have not yet registered, please come to the meeting. You are able to register even if you are 17 years of age, as long as your birthday is before the November election.

I hope to see many of you at the monthly meeting!

Villager Positions Open: Volunteer walker needed for Lakewood

A volunteer is needed to deliver *Villager* for a route on Lakewood Dr from Meadowlake to Lawrence. It only takes an hour once a month, is great exercise, and gives you a chance to meet some of your neighbors.

If interested please contact Wendy at 745-1331

Secretary position is open.

1st Vice President is also open. The duties include running the meeting if the president cannot attend. Also helps wit LVNA events.

For a full description of these positions, go to: http://lvna.net/LVNA/By-Laws/by-laws.html

If you are interested in serving in these areas, please contact **Michael at 408-886-8037.**

CHOICECOLLECT CART DELIVERY BEGINS

Phase three has begun, delivering new, black garbage carts to Sunnyvale residential customers starting in mid-September. Delivery will continue through October.

Cart crews will deliver carts on a resident's regularly scheduled service day, moving from north to south. Since not all of a single day's route can be delivered in one day, residents on the same street may not all get their carts the same week. Each customer's rate will convert to the applicable new rate for their 35-, 65- or 95-gallon cart on the date the cart is delivered.

During cart delivery, leave your old City-provided garbage cart or can at the curb all day on their service day so it can be collected. Residents may either keep or discard garbage cans they own. To discard a can, simply place it at the curb with a "take" sign attached.

In August, residents selected from cart sizes of 35, 65 or 95 gallons, based on their household needs. Those who did not order a new cart will be provided with a new cart based on their existing service. For example, residents with their own 32-gallon cans who did not make a cart selection will be provided a new 35-gallon cart. After cart delivery, residents who want to change to a different cart size may do so online at *ChoiceCollect.inSunnyvale.com*, or they may contact the Sunnyvale Utility Customer Service Division at (408) 730-7400, TDD (408) 730-7501.

More program information and updates are available by visiting *ChoiceCollect.inSunnyvale.com*, or by calling (408) 730-7508. TDD (408) 730-7501.

Lakewood School needs your help...please sign up with eScrip

School budgets are tighter than ever and Lakewood School is asking for the support of families and community members like you! The program below is a great and easy alternative to the usual gift wrap fund raisers.

What is eScrip?
eScrip is a way for schools and on-campus groups like sports programs to raise funds through purchases made at eScrip merchants.

How does it work?
eScrip and hundreds of merchant partners have created a system that rewards customer by contributing a percentage of purchases to your chosen group. Shop as you usually do for groceries, clothing, travel and entertainment. All you need to do is register your grocery club card and debit/credit cards

Please sign up at www.escrip.com Click on "Register Here, It's Free" then select Group ID, and enter 139572349.

When I first heard about **eScrip** I was hesitant about registering my debit/credit card numbers, but haven't had any issues during the past 7 years. The **eScrip** website has state of the art security measures to protect the loss, misuse and alteration of the information.

For more information on helping Lakewood School, please contact **Tammy Michels**, PTA Treasurer at LakewoodPTAL@yahool.com.

Thank you so much for your support!

Re: Regarding Residue from Infected City Tree Ruining Car and Discoloring Street

An effective treatment for the aphid infested trees is Imidacloprid, available in a number of commercial products such as Bayer's Tree and Shrub Insect control. Best applied in the spring by pouring onto the soil around the trunk, effects should last all year.

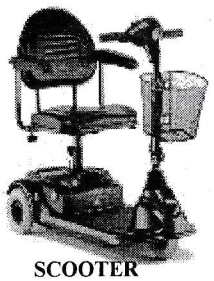

It would be better if the city took responsibility for their trees as it makes sense to treat all the trees at the same time for maximum effectiveness. Perhaps the city could be persuaded if enough concerned residents contacted the city preservation officer. ~Lakewood Resident
