Next LVNA General Meeting

Wednesday, February 11, 2009

7 p.m. in the Lakewood Park Building

Richard Gutierrez

City of Sunnyvale

Housing Rehabilitation Specialist

President's Column

-Michael Majchrowicz

This is my last 'President's Column'. It is time for a new era to be ushered in. We will be voting for president at this next meeting, February 11. If there is one meeting that you come to each year, this should be the one.

Another important reason to attend the meeting is because we will be joined by Richard Gutierrez, a City of Sunnyvale Housing Rehabilitation Specialist. He will be speaking on the different programs the city provides, including Paint Loans and Grants, Home Access Grants, and Housing Rehab Loans. For more information on the topics, please see the right side column on this page.

There is one correction that needs to be made for the lighting contest. Last month we printed that 1281 Prescott was one of the Lighting Contest winners. The winner is actually 1287 Prescott. Congratulations, Khristine!

There are a lot of ideas that I would like to see brought to fruition over the next year or two. One idea that we began discussing, and was very well received, was the idea of block parties, with people on each street willing to help organize. If you would like to help spearhead something like this, consider running for the Vice Presidential position and have neighborhood party planning be your focus.

Thank you to everyone who has actively supported Lakewood Village Neighborhood Association, and me while I have been president. **Thank You!**

Walkers Still Needed for Lakewood Villager Delivery

Wendy Stanley is looking for 2 walkers. One route is on Lakewood from Meadowlake to Lawrence and back. The other route is on Lakebird, from Lawrence to about halfway down and back. It only takes about 1/2 an hour once a month. If interested please contact Wendy at **745-1331**.

Richard Gutierrez will address the following issues at the next LVNA meeting:

- **Housing Rehab Loans:** Low interest loans at 3 % (up to $60,000) that fund repairs for code violations, deferred maintenance and general improvements in low-income homes.
- **Energy Efficiency Loans**: Low interest loans at 3% (up to $25,000) to increase energy efficiency of low-income residences, including the repair or replacement of inefficient and aging appliances, heating systems, windows, repairing or replacing roofs, and other types of weatherization improvements.
- **Paint Loans & Grants:** Grants (up to $1,000) and low interest loans (up to $4,000) to low-income, single-family homeowners, to paint the exterior of their homes.
- **Home Access Grants:** Grants (up to $6,500) to retrofit homes by eliminating barriers that inhibit the use of dwellings occupied by low-income disabled persons, such as installation of grab bars, handrails, etc.
- **Emergency Loans:** Loans at 3% (up $5,000) to fund critical health and safety repairs for low-income home owners, such as: burst pipes, water heater repairs, heating repairs, and sewer line repairs.
