No Meeting This Month

President's Column

-Michael Majchrowicz

Summer is nearly here! It is great to see so many people out utilizing our parks and the bike path. Another great way to get some exercise is to volunteer to drop off the Villager newsletter at people's doors. A Walker is needed on Sandia. It is only one day a month, and doesn't take long, and it is a good opportunity to walk around the neighborhood.

Many people have confirmed with me that they are monitoring a dumpster for Dumpster Day on June 27th. If you usually participate and would like to do so this year, please send me a quick email. At the June meeting, I will be passing out the flyers for the dumpsters. Remember that there is no May meeting.

Also don't forget the Parking Lot Sale that goes on the same hours as Dumpster Day. We will be setting aside the best items that people have thrown away and having a sale between the Valero and Shell gas stations. This money goes towards the events that Lakewood Village Neighborhood Association puts on each year.

Children will have an opportunity to work with dozens of local professional artists at Sunnyvale's 24th annual Hands on the Arts festival, Saturday, May 16. The festival will open at 10 a.m. and run until 4 p.m. at the Sunnyvale Community Center, 550 E. Remington Drive.

Participating children in kindergarten through 8th grade can purchase a wristband for $5 at one of the information booths the day of the festival. Simpler projects for children ages 2 – 4 are also available. Admission for parents and siblings not participating in the festival is free, and includes all-day live entertainment. Adults are not permitted to participate in art activities, except to assist their children. Local vendors will sell refreshments. Parking is free, and the Community Center is served by VTA Line 55.

Hands on the Arts is a favorite event with both kids and artists. The event is expected to draw more than 1,000 children and their families. Hundreds of volunteers, including teens who participated when they were younger, come back each year to make the event a success.

With so many workshops from which to choose, children can keep busy all day and leave with armloads of projects. Most workshops allow a child to create an art project to take home in about 15 minutes. Performing-arts workshops teach a song or dance to be presented in impromptu performances throughout the day.

Participating artists were chosen through a competitive jury process. The field includes some favorites who have led popular workshops for 15 or more years, as well as some new artists. Organizers select a diverse group, with artists representing a variety of genres, methods, and cultures.

For more information, visit *HandsOnTheArts.inSunnyvale.com*, or call (408) 730-7350.

Volunteer to Help with Hands on the Arts

Volunteering is a great way to meet new people and connect with your community. It's also an activity that you can do with your friends. Each volunteer will receive a T-shirt, and volunteers working an all day shift will also receive a free lunch. For high school students, service credits are available for this event.

Teen Volunteer Opportunities for this Summer

Makes kids smile by joining the Teen Volunteer Program. There are opportunities to volunteer to help in Sunnyvale's Summer Camps, Aquatic Programs, or in the Theater Programs. You can gain experience that will help you become a leader while you are helping others. Spaces are limited and they fill up fast, so apply today. You must be 13-18 years of age, complete an interview/assessment, and attend training to participate.

For a Volunteer Application and Interest form, see the following website: www.ci.sunnyvale.ca.us/recreation or call (408) 730-7741.

We will miss you Dad!

Arthur Daugherty, longtime Lakewood resident, passed away April 29. He suffered from the complications of a weak heart and lung disease. He was very active in the LVNA and a crossing guard at Fairoaks and Ahwanee. His memorial service will be held at Spangler Mortuaries in Los Altos on May 16th at 11:00 am. In lieu of flowers, please send donations to the Veterans Hospital in Palo Alto.

Thank you from his family.

CITY OF SUNNYVALE

HOME IMPROVEMENT LOANS AND GRANTS

The high cost of housing and the repairs needed to maintain your home can be daunting. To help you maintain and enhance the livability of your home, the City of Sunnyvale offers several programs through the City's home improvement program to fund needed electrical, roofing, plumbing or heating repairs; painting the exterior of your home; retrofitting your home for handicapped accessibility; making your home more energy efficient; or making emergency repairs that pose a health and safety risk.

The City of Sunnyvale home improvement programs are funded with restricted federal funds to help low-income households at or below 80 percent of Area Median Income to maintain their homes. The City of Sunnyvale's housing rehabilitation program offers several home improvement programs; including single-family rehabilitation loans program, paint loans and grants programs, energy efficiency loan program, and home access grants program.

Household Incomes for These Programs Must Be Less Than:

$59,400 for 1 person	$76,400 for 3 people
$67,900 for 2 people	$84,900 for 4 people

SINGLE FAMILY REHABILITATION LOANS

The Housing Rehabilitation Program offers low-interest deferred loans of up to $60,000 for single-family homes to address code violations, deferred maintenance, general improvements and livability of the structure. The loans can be used for the following necessary repairs: electrical, roofing, weatherization, kitchen remodel, plumbing, heating, bath remodel, structural reinforcement, and all health and safety-related issues.

PAINT LOANS AND GRANTS

The City of Sunnyvale offers a paint grant or paint loan that can be used to paint the exterior of your home. The paint grant is a grant up to $1,000 to reimburse you for paint materials and lead testing. The paint loan is a low-interest deferred loan, for an amount up to $4,000 to paint the exterior of your home.

ENERGY EFFICIENCY LOAN

The Energy Efficiency Program provides low-interest deferred loans of up to $25,000 to increase the energy efficiency of residences. The program funds repairs to replace inefficient and aging appliances, heating systems, windows, increase insulation and other types of weatherization improvements.

HOME ACCESS GRANTS FOR DISABLED RESIDENTS

The Home Access Grant Program provides grants up to $6,500 to disabled or frail elderly homeowners or tenants to retrofit their home by eliminating physical barriers which inhibit the use of the home. Typical projects funded through the program range from bathroom modifications which include: grab bars, bath benches, and hand-held shower heads; to modular ramps, door widening and the installation of hydraulic lifts (with property owner consent of rental properties).

For more information on any of these programs, contact Richard Gutierrez at (408) 730-7459, or e-mail *rgutierrez@ci.sunnyvale.ca.us*, or visit *www.sunnyvale.ca.gov/housing*.
