NEIGHBORHOOD LIGHTING CONTEST - DECEMBER 20TH

President's Column

-Fred Fowler

Greetings neighbors! I have exciting news. The annual Lakewood Village Holiday Parade will step off at **11:00 am on December 5th**! The parade route will start at the Lakewood School at the corner of Lakechime and Meadowlake Drives. It will proceed down Meadowlake to Lakehaven, turn left and follow Lakehaven to Lawrence Expressway. It will cross Lawrence and proceed on Sandia to Fairwood Park. Once it reaches Fairwood Park there will be a reception where free hot cider, hot cocoa and cookies can be had.

There are lots of exciting participants this year. We'll have the Fremont High School Marching Band, the Columbia Middle School choir, and lots of cub scouts, girl scouts, and boy scouts. We'll have antique cars, tow trucks, garbage trucks and politicians. We'll have Santa Claus. Best of all, the parade will be led by the Lakewood Elementary School Color Guard.

I'm pretty sure this annual event has been staged continuously for more than 30 years, making it by far the longest running neighborhood tradition in Sunnyvale. What's more, this event has always been organized and run completely by volunteers.

So come out of your houses on the 5th and cheer on the parade! Your neighbors have worked very hard to bring it off. Let's come out and show our support for each other, and have a great time to boot. I'll see you there!

NOTE:

KLAS (Kids Learning After School) will be collecting toys for their Annual **Toy Drive** at the Lakewood Parade. There will be a **collection point at Fairwood Park** immediately after the parade.

LAKEWOOD VILLAGE HOLIDAY LIGHTING CONTEST!

It is the time of year when the days are getting darker and the nights are getting colder. What's the answer? Lights!

It is time again for the annual Lakewood Village Holiday Lighting Contest! Time to get out the decorations and put them up even brighter than before! Let's see who will have the best display of holiday spirit in the neighborhood.

We expect a fierce competition again this year, with the defending champions facing off against both old rivals and some new up-and-coming challengers. It should make for a beautiful display! May the best house win!

Judging will take place on Sunday night, December 20th. I will recruit several "celebrity judges" who will tour the neighborhood and name the winners. As usual, there will be a Northeast, a Southeast, and Northwest and a Southwest winner, plus an overall Grand Champion. The winners will get an award plus a year's worth of bragging rights, good until we do it all again next time.

This contest always makes Lakewood Village a beautiful sight to see during the holidays. People come from as far away as Gilroy and Morgan Hill to look at our houses. We put on the best display by far in all of Sunnyvale. No one lights up the way we do.

So if the economy has you down, or if you are tired of listening to bad news on the TV, then get out the ladder and some lights and show us what you can do! Let's fight the bad times with some community spirit and some holiday cheer. It's a tonic that works every time.

NEIGHBORHOOD NEWS

Fred Fowler

Greetings neighbors! As you may know (or may have guessed), there was a special election the night of November 11th, and I was elected President of the Lakewood Village Neighborhood Association once again. I want to thank you all for your confidence and support. I will do my best to help our neighborhood and give it a voice in city and community affairs.

During the meeting I asked people what the "issues of the day" are. I wanted to know what problems are on people's minds so I can get to work addressing them. There was an immediate response to this question: Tennis courts!

Both Lakewood park and Fairwood park have tennis courts that are open to the public free of charge. There are some posted rules saying that use of the courts is limited to one hour per game. Since the courts are free and public, the idea is to let as many people play as possible.

These rules constitute an "honor system" whereby people can share use of the courts fairly. What I heard during the LVNA meeting is that there are a few user who are not very "honorable". There are a few people who take advantage of the situation to play tennis all day without giving anyone else a chance to play.

There are various gimmicks these people use to monopolize the courts. When asked how long they've played, they lie and say they've just arrived when in fact they've been there for hours. When an hour or so passes, they arrange for one of their number to "arrive" and start a new game, claiming the court foryet another hour. It gets so bad that some people actually set up tents and have picnics while they rotate in and out of tennis games.

I brought this situation to the attention of the City Council on the night of November 17th. Assistant

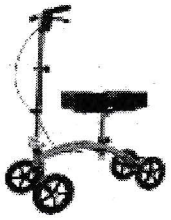

City Manager Robert Walker then told me that the City can't enforce the 1 hour rule on a 7 day per week basis, but that they could certainly do some "spot checking" if there is an ongoing problem. He asked me to give him the days of the week and the times when this kind of abuse is happening. He said that after a few enforcement actions happen the problem should diminish greatly.

Have you noticed this kind of problem? If so, please let me know the day of the week and the time of day when the "repeat offenders" cause trouble. I'll pass that on to the city (you need not worry about being named – I'll keep everyone "anonymous"). After the city comes out and "busts" some of these selfish people, the situation should get better.

Please let me know. My e-mail address is fred@fmfa.com.

Thank you very much.
