Monthly Meeting Wednesday, May 11th

At 7:00 pm in the Lakewood Park Building

SNAP presentation by Dan Walsh

And NRO Jim Davis

President's Column

-Judy Fernandez

Dear Lakewood Village Neighbors,

My first meeting as your President of the LVNA went very well. We had about 16 neighbors attend the April meeting. There were several concerns that were brought up during the meeting.

We asked the Nathan Truitt, Program Coordinator with the City of Sunnyvale for help with three of the questions that were brought up.

Q. Who cleans up the corner lot at Sandia and Lawrence Expressway?
Answer: the two corners of Sandia and Lawrence Expressway belong to the county. The county cleans up the walls and the overgrowing weeds at these two locations. They can be reached at 408-366-3100.
Q. How do we get a missing letter for the "Lakewood Village" sign?'
Answer: The city is not responsible for replacement of the missing letters, we suggest contacting the LVNA.
Q. Who cleans up the spray painted streets and sidewalks after the city completes their work?
Answer: Upon completion of construction of a "marked-up" street/ sidewalk area, the contractor is responsible for removing any remaining mark-ups. This also applies to work performed by city staff; any work done by city staff would require city staff to remove any remaining marks.

SNAP – Sunnyvale Neighborhoods Actively Prepare

By Phyllis Fowler

At our May 11th meeting the guest speaker will be Dan Walsh a **SNAP** Committee member to speak about earthquake preparedness and **SNAP**.

What is **SNAP**? **SNAP** stands for Sunnyvale Neighborhoods Actively Prepare.

SNAP is about preparedness and empowering Sunnyvale residents to "*do the greatest good for the greatest number of people*." The seven week course (Continued on page 7)

We Did IT!!!! Parcel Tax Passes!

By Benjamin Picard, Superintendent, Sunnyvale School District

Our Sunnyvale community really stepped up in these difficult times to support Sunnyvale School District. Measure B passed with nearly 70% approval. This means a new revenue stream of about $1 million per year for the next seven years to support our core programs and services to students. As I have shared with you previously, this local revenue will 'help' buffer us from the State cuts to our school district funding.

We could not have been successful without our army of volunteers who helped us get the word out to voters. I want to thank all of you that participated in the campaign and helped to communicate the important message of supporting our future generations by adequately funding our public neighborhood schools.

Thanks again and my best wishes to all of you. ◆

New Principal at Lakewood School

By Phyllis Fowler

At the end of this school year, Lakewood School will saying a tearful goodbye to their beloved Principal Annette Grasty. She has accepted an appointment as principal of Vargas School. I first met Annette at an LVNA meeting almost 15 years ago and I was impressed by her optimism and "Can-Do" attitude.

She had just accepted the position of principal of the soon to be reopened Fairwood school. She quickly won the hearts of the students and parents of Fairwood. Under her leadership, Fairwood was named a *California Distinguished School*. A few years ago, she took the reins of Lakewood school and worked her magic again! Last year Lakewood was also named as a *California Distinguished Schools*.

Annette, Lakewood Village will miss you, but we wish you all the best success at your new school. (*How soon will Vargas be named a "California Distinguished School"*!)

Beginning July 1st , Lakewood School will welcome their new appointed interim principal Pam Cheng. Pam joined our district eleven years ago and has emerged as an outstanding teacher leader. For the past four years she has served as an effective Teacher on Special Assignment.

As soon as I found out about her appointment, I asked for a quote for the ***Villager***, Pam quickly replied, "Wow, talk about getting the word out fast! I'm excited about learning and growing into a new role here in Sunnyvale. I feel privileged to join the Lakewood community in supporting the students I feel called to serve."

Join me in welcoming our new neighbor to Lakewood Village. Good luck Pam and welcome to our neighborhood! ◆

San Jose Giants Fundraiser!

By Jayne Ferreira

This year Lakewood is trying something new with our spring fund raiser. We are working with the **San Jose Giants** to help raise money for field trips and computers in the classroom. This is how it works:
Lakewood is selling tickets to the **June 3rd** San Jose Giants' game. Tickets are $5.00 each (children under 4 get in free).
Come to the game at 7:00 and watch *Mrs. Grasty* throw out the first pitch, our *Lion choir* sing during the 7th inning stretch and Mr. Davis try to redeem himself during the between inning dance off.
If you are interested in tickets, please email me (Jayne) at jayne.ferreira@sesd.org and we will work out how to get the tickets to you. It is a great event and it goes to a great cause. We are hoping you can all attend! ◆

New Sandbox Project at Lakewood School

On January 22nd, Lakewood Kindergarteners received a new sandbox! Thanks to Grant Hayward and his Eagle Scout Project, the old sandbox was replaced with new boards, a top edge for sitting, and new clean sand. About 50 people spent a part of their day sifting sand, measuring, cutting, shoveling, and nailing.

The Kindergarteners also received two new redwood trees to add shade to the playground. One tree was donated by Mr. Whited, fourth grade teacher at Lakewood, and the second tree was donated by the Mumy family.

The additions were greatly appreciated by the Kindergarten staff and new sandbox is already being enjoyed by the kindergarteners. ◆

Fall Kindergarten Registration

By Heather Mumy

Registrations are still being taken for incoming Kindergartners this fall. If you have a child who will be 5 years old before the 2nd of December 2011, be sure to stop by either Lakewood school or Fairwood school offices and pick up a packet.

Registration is open from 10-2, Monday-Thursday. Also, if you already picked up a packet and have not yet returned it, please do so as soon as possible. Class lists are forming now, so be sure your child has a seat on August 25th ! ◆

"Zombie Prom" the musical

May 7 at 7:30pm

and May 8th at 2:30pm

This girl-loves-ghoul rock and roll Off Broadway musical is set in the atomic 1950s at Enrico Fermi High, where the law is laid down by a zany, tyrannical principal…Miss Strict. Pretty senior Toffee has fallen for the class bad boy Jonny…without an h. Family pressure forces her to end the romance, and he charges off on his motorcycle to the nuclear waste dump. He returns from the dead, glowing and determined to reclaim Toffee's heart. He still wants to graduate, but most of all he wants to take Toffee to the prom. Miss Strict tells Jonny "no zombies in high school," while reporter from a tabloid scandal sheet seizes on him as the freak du jour. The surprise ending creates a new reality for all while a tuneful selection of original songs in the style of 50s hits keeps the action rocking across the stage.

"A blast.... Slick fun for the whole nuclear family." - New York Daily News.

"Stays safely on the sunny side of the macabre.... A gentle send up of the teenage romance films ... given a radioactive glow of novelty." - New York Times.

"If you like Grease ... you [will] love Zombie Prom." - New York Daily News.

Lakewood Walkers

By Wendy Stanley

It is with great sadness that I must say goodbye this summer to a couple that has walked a route since I started doing this a decade ago.

Gerrie and Tom have always delivered the newsletter to homes on Lakeknoll Drive. A few years ago I couldn't find a walker for Velvetlake Drive and they said "it only takes us a half-hour to deliver our route, we could add another route" and so they did! You may ask then, why are they stopping? They want to retire and relocate to a calmer environment. Being the great people they are they have already talked a neighbor into delivering the Lakeknoll route. Now it is up to me to find someone to walk newsletters to homes on Velvetlake, if you're interested call me at 745-1331.

Gerrie and Tom, I wish you a happy retirement - you both have earned it.

As a reminder, I am still looking for walkers to deliver on Greenlake, Hiddenlake, and Lakefair. If you are interested in doing any of these streets, please call Wendy at 408-745-1331. ◆

Hands on the Arts

By Phyllis Fowler

Does your child love art? Then bring them to:
Sunnyvale Community Center
When: **May 21st**
Time: **10:00am to 4:00pm.**
Cost : **$10.00 per child.**

Hands on the Arts is a fantastic annual event sponsored by the City of Sunnyvale. Hands on the Arts is designed to help children learn about other cultures through visual and creative arts workshops. (and have fun as well!) Projects last year included: Japanese Brush Painting, Bubble Aquariums, Wands, Wings and Things, Native American Bird Masks, Colombian Dancing Stories and Kite making.

There are so many workshops to choose from that children are able to keep busy all day! They leave with armloads of projects. Most of the workshops allow a child to complete an art project in only about 15 minutes. I have taken my Girl Scout troop to several festivals over the years. They had a wonderful time (and so did I). I found that it is best to get there early or the children won't be able finish all the fabulous projects. SNAP – Sunnyvale Neighborhoods Actively Prepare

(continued from page 1)

covers a variety of topics, including Disaster Preparedness, Fire Safety & Suppression, Disaster Medical Operations, Safety/Damage Assessment and Light Search & rescue among others. Our city provides the training free of cost except for the American Red Cross Basic First Aid and Adult CPR course.

Following a disaster, emergency services personnel may be overwhelmed responding to multiple emergencies; city and county resources will be stretched thin. During the Loma Prieta earthquake, it was neighbors helping neighbors that made the difference. Even though we were not as severely affected as San Francisco or Santa Cruz, we were impacted by the power outages, gas leaks, collapsed chimneys, and no telephone service. SNAP participants responded to neighborhood needs by replacing panic with productive action.

"It's easy to put disasters in the back of our minds letting our daily life's priorities take center stage. But are we ready? Do we each have the ability and understanding to handle disasters? The SNAP Program provides the key survival elements needed for most disasters and the skills you learn can help save lives. "Arley C. Marley III, SNAP Captain for over 10 years.

"The SNAP program provides the key survival elements needed for most disasters and the skills you learn can help save lives"

All that is required is your time and participation. The benefit is you will acquire the skills that will help you protect your family and property, as well as help your neighborhood recover from a disaster. Classes are offered on a quarterly basis. To find out more, come to the May 11th meeting and meet Dan Walsh. He will be happy to answer your questions! ◆
