President's Column

-Judy Fernandez

Hello Neighbors,

For our June meeting, the LVNA invited of the City of Sunnyvale Staff to discuss our recent survey. Due to problems with our printer, we were unable to get the newsletter out before our meeting. With that being said, we had a very low turnout.

Our meeting included three guest speakers to address our neighborhood concerns including traffic, pool and firehouse closures, and expansion of services.

Our first guest speaker was Heba El-Guendy, from the Traffic and Transportation department. Heba explained the different types of calming measures the City can use to slow down the traffic. The different types are: V-calm Signs, Speed Trailers, Lawn Signs, Middle Line, Traffic circles and speed humps. The board will continue to work with her to see if we can get this issue resolved.
Our second guest speaker was Nancy Stewart from the Parks and Recreation

Department. Nancy talked about the City cuts that will directly affect Lakewood pool and Firehouse 6 that service our neighborhood.
Thank you to the neighbor's who went down to the June 14th City Council meeting. They spoke to ask the City to defer the budget cuts that would close the Pool and
reduce the manning of firehouse 6 (located at Elko and Lawrence.)

Our last speaker was Planning Commissioner Bo Chang.

National Night Out - August 2nd

by Phyllis Fowler

August 2nd is the 28th Annual "National Night Out." This event gives a chance for people to get out and meet your neighbors. Sunnyvale is one of 9,400 communities and over 31 million people participate across the country.

Come to Lakewood Park and join us for an Ice Cream Social Tuesday August 2nd at 7:00pm There will be ice cream and toppings to create your own sundaes. I will even bring some "Snickerdoodles" made from my Mom's recipe! Hopefully we will also have some of our Public Safety officers and maybe even a fire truck! See you on August 2nd. ◆

Our Lakewood Pool May Close!

By Skip Gottschalk

Many of the Lakewood Village residents have yet to experience the convenience and comfort of Lakewood's heated pool! Did you know it is located between Lakewood School and the ballpark on Lakechime Drive? The pool is open Friday thru Sunday, between 1:30 to 4:00pm.and the fee is only $1 per person!
Did you know that the pool can also be rented or reserved for private pool parties???? (Any reason is a good one!) If you are interested, contact the City of Sunnyvale Community Services (734-8190)

Our Lakewood Pool May Close!

By Skip Gottschalk

(Continued from page 1)

the City of Sunnyvale's Community Services Division was asked to prepare a proposal with additional savings and/or new revenue. The closing of Lakewood Pool (operating costs approx. $62,000/year) was part of this proposal due to low usage. Unfortunately, the Sunnyvale's City Council approved the closure with a 3 – 3 vote. The Lakewood pool is currently scheduled for closure after this summer.

However, it is your LVNA Board's opinion that this decision is not final and we, as a neighborhood, can convince City Council to reverse the closure decision and perhaps even expand the usage of Lakewood pool. This will require more usage by our neighborhood. Your LVNA Board is going to solicit for a sponsor and will also submit for grants to offset some, if not all, of the operating costs. **BUT WE NEED YOUR SUPPORT** by using the pool for you, your family's and friend's enjoyment!!!!

Use the pool and stay cool!!!◆

Fourth of July Trivia

By Phyllis Fowler

I recently found these trivia facts about Fourth of July and I thought I would share them with you. Enjoy!

In 1777, thirteen gunshots were fired, once at morning and again as evening fell, on July 4 in Bristol, Rhode Island. Philadelphia celebrated the first anniversary with an official dinner for the Continental Congress. The celebrations included toasts, 13-gun salutes, speeches, prayers, music, parades, troop reviews, and fireworks. Ships were decked with red, white and blue bunting.

In 1779, July 4th fell on a Sunday. The holiday was celebrated on Monday instead!

1781, the Massachusetts General Court became the first state legislature to recognize July 4th as a state celebrations.

In 1791, the first recorded use of the name "Independence Day" occurred.

In 1820, the first Fourth of July celebration was held in Eastport, Maine which remains the largest in the state.

In 1870, the U.S. Congress made Independence Day an unpaid holiday for federal employees.

In 1936, Congress changed Independence Day to a paid federal holiday.◆

BEYOND THE BADGE

SUNNYVALE DEPARTMENT OF PUBLIC SAFETY

Project ChildSafe

Reprinted from "Beyond the Badge:

The Department of Public Safety encourages parents to keep their children and family safe this summer by properly securing their firearms. The latest statistics show that there are more than 270 million privately owned firearms in the United States today. Approximately 40% of Americans own at least one firearm and of those gun owners, more than 74% own more than one gun. The most recent data from the US Center for Disease Control and Prevention identifies that more than 3,000 children and teens die from gunfire in the United States each year. There were more kindergarten age children killed by accidental gunfire last year than Police Officers in the line of duty.

The Department of Public Safety has partnered with Project ChildSafe to ensure safe and responsible firearm ownership. Residents of Sunnyvale can stop by Public Safety to obtain a free cable-style gun lock. These locks will fit almost any firearm to provide a gun owner the ability to safely store their firearm. Let's reduce the these tragic statistics and take advantage of this free program. Thank you. ◆
