Welcome to the LVNA

Villager

The Newsletter of the Lakewood Village Neighborhood Association

August 2011 Volume 55 Number 8 Sunnyvale, California Editor: Phyllis Fowler

Monthly Meeting Wednesday, August 10th

At 7:00 pm in the Lakewood Park Building

This month's topic:

"Programs in Sunnyvale for Adults over 50" and "Environmental Outreach"

President's Column

-Judy Fernandez

Hello Neighbors!
Our July meeting was very well attended, including most of our dumpster monitors and other neighbors.

They came to hear ***Councilmember David Whittam*** talk about what we can do to help prevent the Lakewood pool closing. The LVNA has decided to go forward with trying to save our neighborhood pool. A flyer announcing the Opening of the Lakewood pool was inserted into our monthly newsletter and sent to 1,600 homes. Pool attendance has gone up, but we still need a higher attendance!

Our **2nd VP Skip Gottschalk** has submitted a grant proposal to "***Internet Grants for Public Facilities. Org***" and we have asked the council to support this grant. We are currently waiting for the results.

Councilmember Whittam didn't want to give us false hope, but he encourages our neighbors to let the council know how we feel about the closure of the pool during the public announcement section during the council meetings. To see when the next council meeting is go to www.sunnyvale.ca.gov. You can also email the council at their website: www.cityofsunnyvale.org and use the "contact us" button to express how you feel about what might take place with our pool.

Speakers for August Meeting

By Phyllis Fowler

Our speaker this month will be Anne Ferguson President of **Bay Area Older Adults. BAOA** is a nonprofit 501(c)3 organization that serves people 50+ in the San Francisco Bay Area. Their vision is to promote an active and healthy lifestyle for older adults in the Bay Area. Their website: www.bayareaolderadults.org, offers information about outdoors, fitness, social and cultural activities. It's a wonderful resource for fun and healthy adventures right in our own backyard. *(Continued on Page 5)*

Dumpster Day 2011

-Another Successful Neighborhood Event

by Skip Gottschalk

The Lakewood Village 2011 Dumpster Day, Saturday 16 July, was a busy day for all. There were 19 dumpsters for broken appliances, yard waste, household trash, and tires. The Yard Sale associated with Dumpster Day made $131 for LVNA. **Fifty nine loads** were taken for a total of 128.43 tons of trash removed from the Village. That's **over 256, 000 lbs – *good job Lakewood Village!!!***

The planned 1 day event turned into a 2 day event for some locations, as some dumpster monitors were present to permit the neighbors to dump on Friday. It certainly appeared like most people were prepared, as the traffic around the dumpsters was quite busy throughout the event.

(*Continued on page 2*)

 ©2011 Lakewood Village Neighborhood Assoc.

Dumpster Day 2011
-Another Successful Neighborhood Event

(Continued from page 1)

A **SPECIAL THANKS** to all the dumpster monitors who accepted the responsibility to watch over the dumpsters, they are the main reason this event has been so successful and continues to be supported by the City:

Pat Fletcher, Darryl Dowd, Annie Gottschalk, Lenora O'Neill, Michael Miguel, Willy Rodriguez and Family, Tom Watkins, Leah Lane, Rudy Ortega, Cathy and Rich Bray, Juan Ruiz, Robin Lopez, Dan Bailor, Sarah Daugherty Family and Friends, Fred and Phyllis Fowler, Beverly Mansfield, Anthony Anderson, Bev and Robin Woidyla.

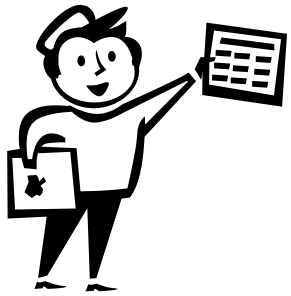

A huge thanks to Dennis O'Neill who again donated his time and his truck to shuttle usable items from the dumpster locations for the Yard Sale.

Way to go Lakewood Village, you done good!!!

Hope to see y'all at the next LVNA meeting! ◆

Update on Newsletter Walkers on Lakewood Side

By Wendy Stanley

The neighborhood lost a great set of walkers last month. The Gilbertson's were walkers with me since I started doing this several years ago. They took on a second route when I couldn't find anyone to walk it. Since it was close to their street, they said "it only takes us half an hour to deliver". They even talked a neighbor into doing their original route when they knew they were moving. I will miss Tom & Gerrie and their dedication to the neighborhood, but wish them a happy retirement.

As a result of their departure, I need a walker for their second route on Velvetlake. I am also still looking for walkers for Greenlake, Hiddenlake, and Lakefair. If you are interested in any of these positions please contact Wendy Stanley at 745-1331. In the meantime, there may be delays on these routes as I'm a very slow walker! ◆

(*Editor-Fred is also looking for someone to fill part of Prescott on the Fairwood side. The route is only 28 houses, so if your are looking for a gentle walk once a month. This is it! Call Fred @ (408) 747-1454)*

Do you have more stuff that you didn't get in the dumpsters on Dumpster Weekend?
Don't worry!

Extra Dumping Weekend!
Bring it to the SMaRT Station
301 Carl Rd
October 1st and 2nd Between 8:30:-4:30
Residents may dump extra trash at no charge.
Prevent litter, please tarp all loads.

Bus: 408-541-1368
Cell: 408-242-6467

PG&E To Test Gas Main Under Lakewood Village

By Fred Fowler

Hello neighbors. A sign has sprouted on the southeast corner of the intersection of Lawrence Expressway and Lakehaven Drive. Sometime during the day on August 4th, PG&E put up a large notice saying that a major natural gas main running under Lakehaven Drive would be inspected and/or tested in the coming weeks. They apologize for any inconvenience.

It is likely that you have also received a notice in the mail from PG&E. Phyllis and I received one because our house is *"within about 2000 feet of a natural gas transmission"* from the pipeline under Lakehaven, as anyone can be in Lakewood Village, so it is a safe bet that everyone in the neighborhood must have gotten a similar letter.

So what is going on?

Here is the information we have at the moment. There is a major gas main that goes right through Lakewood Village. It runs roughly parallel to the Hetch-Hetchy pipeline, enters our neighborhood a little south of Fairwood Park, and exits just west of the condominiums at the end of Lakehaven Drive.

It may be of interest to note that this is not just "any" natural gas main. It is in fact the same pipeline that runs through San Bruno and that ruptured some months ago. The pipeline dates back to before Lakewood Village was built in the 1950s, and after the accident in San Bruno, PG&E is working through a program of inspection for all similar transmission lines.

The notice as Lawrence and Lakehaven states that the work may include both inspections and "hydrostatic testing".

Pipes are inspected by sending robotic inspection probes down into the system, where they check for leaks, bad welds and other defects. "Hydrostatic" testing involves pumping high pressure water into the pipes to see if the pressure holds. If either kind of test shows a potential problem, the only way to fix it is to dig up the bad pipe and replace it.

PG&E will be performing these tests in the coming weeks, and while they are underway there may be several PG&E trucks partially blocking Lakehaven Drive. If any problems are found, Lakehaven will probably be closed in places while repairs are made.

"No one wants a repeat of the San Bruno fireball taking place in Lakewood Village!"

In the end all of the inconveniences will be well worth it in order to keep our neighborhood safe. No one wants a repeat of the San Bruno fireball taking place in Lakewood Village!

If you see a PG&E truck or two parked along Lakehaven Drive and a crew of technicians hard at work, you might want to roll down your car window and say "thank you". Their job is to keep us all safe. PG&E has thousands of miles of pipeline to maintain, and the fact that they are about to get started here in Lakewood is something we should all be grateful for. ◆

National Night Out

By Phyllis Fowler

The LVNA had an ice cream social on August 2nd. We had a great time! Judy Fernandez handed out ice cream sandwiches, Skip and Annie Gottschalk dished out chocolate ice cream cones and I scooped out the vanilla. We served over **130 cold treats** to everyone who showed up. Some of our guests were: *Public Safety Canine Unit, Officers Robin Smith, Wally Miller and Colt. Councilmember Otto Lee and The-Vu Nguyen from County Supervisor Dave* **Cortese's** office. We hope to see you at next year's National Night Out! Cheers! ◆

Sunnyvale Neighborhood Actively Prepare

Dept of Public Safety/Office of Emergency Services

Following a disaster, emergency services personnel may be unavailable to meet the demands of its community. The emergency services that you have come to expect through 9-1-1 at a moments notice, such as police, fire, medical, etc. may be dispatched elsewhere.

As we witnessed during previous disasters, initially people have to rely on each other for help in order to meet their immediate life saving and life sustaining needs. In an effort to prepare residents of Sunnyvale to protect family and property, the Sunnyvale Department of Public Safety Office of Emergency Services developed the SNAP Training Program. The purpose of SNAP is to provide Sunnyvale residents with tools to be self-sufficient for a minimum of 72 hours following a disaster.

The training program is on a volunteer basis, taught for seven consecutive weeks. As a SNAP participant, you will learn about disaster preparedness empowering you to help save lives while working with the City of Sunnyvale to do "The greatest good for the greatest number of people." The fall classes for SNAP will be starting in September.

Speakers for August Meeting

(Continued from page 1)

They are currently in the planning phase of a new program that would offer fun and healthy group activities and social ridesharing as transportation to the activities. After listening to the thousand or so older adults they have interacted with so far, most prefer to participate in activities with other people in their community and some of them have challenges with transportation. .

In response to this growing and important need, they are in the planning phase of a new program *in Sunnyvale* called **BRSC** that includes a listing of fun and healthy ***group*** activities offered by other nonprofits serving seniors (so seniors don't have to go alone) and an online ride sharing community.

Before they embark on building the program, they want to get enough feedback from seniors in Sunnyvale to understand their specific needs. The link to the survey is: http://www.surveygizmo.com/s3/559763/Bay-Area-Older-Adults-Stay-Active-Healthy .

We will also have a short presentation from Jackie Besoyan, Environmental Outreach Coordinator with Sunnyvale Public Works Department.

Come to **the August 10th meeting** and hear more about **BRSC** and Jackie Besoyan. See you there! ◆

As we grow older, we must discipline ourselves to continue expanding, broadening, learning, keeping our minds active and open.

President's Column

(Continued from page 1)

The City's Traffic/ Transportation Department has written a grant for the "blinking crosswalk" at Lakehaven and Silverlake.

A few friendly reminders:

Please keep your dogs on a leash and pick up after them!

It's the law!

(*Editor: Fred and I have 2 dogs and we carry baggies to pick up their poop. It is so gross to be playing in the park and step or fall in a pile of dog poop.*

My 2 little guys are always on a leash when we go out. No matter how sweet or well behaved you dog is you can never be sure how your dog will react to a strange dog or the other dog's reaction to yours!

Also, there are many people who are afraid of dogs; having a strange dog run up to them can be very scary. Especially when it's a small child! It's part of your responsibility of owning a dog to obey the lease law and picking up after them .)

When you are having a yard or garage sale:
Please Take Down the Signs at the end of the weekend!

New email address. While on vacation someone "hacked" into our account. Starting now, our new email is: lakewoodvillagelvna@gmail.com Please use this email address to contact any board member. See you at the August meeting! ◆

We give dogs time we can spare, space we can spare and love we can spare. And in return, dogs give us their all.
