Villager

The Newsletter of the Lakewood Village Neighborhood Association

September 2011 Volume 55 Number 9 Sunnyvale, California Editor: Phyllis Fowler

Monthly Meeting Wednesday, September 14th

At 7:00 pm in the Lakewood Park Building

This month's topic:

What Do We Want in Our Parks? City's Park & Recreation Dept. will be our Guest

President's Column

-Judy Fernandez

Hello Neighbors!

August meeting was very informative. We had Jackie Besoyan from the City's Environmental Outreach program telling us about the "Clean Method's" we can use in our household.

Here's one good idea:
½ c baking soda
½ c vinegar
2 cups boiling water.
Pour down the drain each week to help with hair clogs.

We will print more useful tips each month. They will also be having a tour of the Water Pollution Control Plant on Sept. 10th at 1pm Call 408 730-7738 to schedule your time.

Our next speaker was Anne Ferguson's from Bay Area Older Adults. She shared information about local parks and things to do. Also, about how to ride share with others going to same locations, her website is www.bayareaolderadults.org , go to this website for great adventures.

School has started. Lakewood and Fairwood schools start at 8:00am. Please watch out for our children and drive the speed limit! Remember that it is 25mph in the neighborhoods! Children, remember if you are riding your bike you MUST wear a helmet.

The LVNA has decided to hold a candidates forum for the upcoming counsel election. It will be held on October 12th at (*Continued on page 7)*

Message From the Chief

By Interim Chief Pang

A sign that our Public Safety model is an effective system is the ability to provide services that maintain a safe community. As we ended fiscal year 2010/2011, the end of year report for crime statistics has been prepared. At first glance, we can see why Sunnyvale enjoys the distinction of being among the safest cities in America. During the past year, overall crime in the City dropped 16%. Statistics compiled by the Crime Analysis Unit showed that 423 fewer crimes occurred since last fiscal year. The most significant reduction in crime occurred in auto burglary which decreased by 366 crimes.

While three of four categories of violent crimes had statistical increases, the number of violent crimes was still relatively low, with FY 09/10 having 144 crimes and FY 10/11 having 170 Public Safety will continue to analyze this data in an effort to identity trends and common factors.

Burglary Alert in South Sunnyvale!

By Phyllis Fowler

I recently received this information from Detective Jose Marines of Sunnyvale Public Safety. "In the last few days there has been quite a few residential burglaries in the south side of the city. Several witnesses have described seeing a black 4 door Lincoln Town car (94-96 model) with large chrome rims having red paper plates. On another attempted residential burglary the resident saw a black Ford sport truck with a sticker on the back window that read "ARMORY."
(*Continued on page 2*)

Message From the Chief

(continued from page 1)

In conjunction to crime analysis, officers have been provided access to real time crime Information, in the field, that assists with daily enforcement operations. This crime/statistical information has helped officers make approximately 200 more arrests and issue nearly 1,000 more citation during the fiscal year.

Impressive statistics like these do not occur by luck. It takes great partnerships with the community and with our partners from surrounding local law enforcement agencies. Even more important, is the hard work and professional, but aggressive police services our people perform daily. So with this information, I'd like to thank everyone at Public Safety for all of their hard work and fiving their best to Sunnyvale. It's resulted in another great year of Public Safety service to our community. ◆

(*Editor's Note: I copied this article from Interim Chief Pang in this month's issue of "**Beyond the Badge**", the Sunnyvale Department of Public Safety newsletter that comes out each month. If you are interested in receiving "**Beyond the Badge**" or have comments or questions, you can e-mail them at:* **pubsfty@ci.sunnyvale.ca.us**

This month's newsletter contains articles about safety tips, National Night Out, "The Kick", a KLD Summer Soccer camp, the 2011 Power Pull and other events.) ◆

Burglary Alert in South Sunnyvale!

(Continued from page 1)

If you see either of these vehicles described or any suspicious activities that might be related, do not hesitate to call:

- 911
- (408)730-7208 (the non emergency number)
- (408) 730-7100 - Jose Marines (6:30-4:30)

A good idea is to put the police non-emergency number on your cell phone contact list. Enter it as "_svpolice". (Hopefully, the underline will make it appear at the top.)

If Public Safety is going to catch these guys speed is of the essence. So please call as soon as you see something, but **DO NOT CONFRONT THEM!** That is why we have Public Safety Officers! They are the professionals we hire. They know how to handle situations such as this.

With a little luck and our neighborly contact system, we might just be able to help the police catch these guys and make Sunnyvale a safer place to live. Please spread the word to other residents who might not read this.

Let's get to it and locate these guys! ◆

School's Open, Drive Carefully!

By Phyllis Fowler

Summer Vacation is over and kids are back in school. I found these safety tips at www.safekids.org , check out the website for tips on safety basics, recalls & their newsletter. Safe Kids USA recommends that parents take the time to talk about safety with their kids. Parents should walk with their kids the route to school and access the hazards and select a course with the least number of traffic crossings.

Simple Reminders for Drivers:

- Slow down and be especially alert in residential neighborhoods and school zones!
- Take extra time to look for kids at intersections, on medians and on curbs.
- Enter and exit driveways slowly and carefully
- Watch for children on and near the road in the morning and after school hours.
- Reduce any distractions inside your car so you can concentrate on the road and your surroundings.
- Put down your phone and don't talk or text while driving!

Reminders for Kids:

- Kids should cross the street with an adult until they are at least 10 years old.
- Cross the street at corners, using traffic signals and crosswalks.
- Never run out into the streets or cross in between parked cars.
- Make sure kids always walk in front of the bus where the driver can see them.

As adults, we should teach and model the safety behaviors that all children should follow, even if they don't walk to school every day. We need to be proactive to keep our kids safe as they head back to school. Whether you are taking your kids to school or driving through a school zo zone, we all can do our part to keep kids safe.◆

World Water Monitoring Day in Sunnyvale

Saturday, October 29, 2011
10 am – noon

Interested in what's going on in the local creeks? Join volunteers from the Stevens & Permanente Creeks Watershed Council for World Water Monitoring Day to learn about water quality and aquatic life in Stevens Creek. Activities will include crafts and presentations. Additional information will be posted soon at **wpcp.insunnyvale.com** .

Update on Newsletter Walkers on Lakewood Side

By Wendy Stanley

I need a walker for the route on Velvetlake. I am also still looking for walkers for Greenlake or Hiddenlake or Lakefair. If you are interested in any of these positions please **contact Wendy Stanley at 745-1331**. In the meantime, there may be delays on these routes as I'm a very slow walker! ◆

***Editor's Notes**--Fred is also looking for someone to fill a small part of Prescott on the Fairwood side. The route is only **28 houses**, so if your are looking for a gentle walk once a month. This is it! Call **Fred @ (408) 747-1454**)*

BILINGUAL STORY TIME is moving to Thursdays!

Bilingual Story Time, a very popular weekly program provided by Sunnyvale Library staff in collaboration with the CNC, is moving to a new day. It will now be held:
every Thursday from 4 – 5 pm
in the Columbia Middle School Library.
In addition to having fun while learning both Spanish and English songs and stories, the program encourages parents to read to their children. Participants are able to borrow books to take home to promote increased literacy.◆

Sunnyvale Neighborhood Actively Prepare

Dept of Public Safety/Office of Emergency Services

Following a disaster, emergency services personnel may be unavailable to meet the demands of its community. The emergency services that you have come to expect through 9-1-1 at a moments notice, such as police, fire, medical, etc. may be dispatched elsewhere.

As we witnessed during previous disasters, initially people have to rely on each other for help in order to meet their immediate life saving and life sustaining needs. In an effort to prepare residents of Sunnyvale to protect family and property, the Sunnyvale Department of Public Safety Office of Emergency Services developed the SNAP Training Program. The purpose of SNAP is to provide Sunnyvale residents with tools to be self-sufficient for a minimum of 72 hours following a disaster.

The training program is on a volunteer basis, taught for seven consecutive weeks. As a SNAP participant, you will learn about disaster preparedness empowering you to help save lives while working with the City of Sunnyvale to do "The greatest good for the greatest number of people." The fall classes for SNAP will be starting in September.

Free Singing Lessons!

The **Peninsulairs Barbershop Men's Chorus** is offering a second free six-week "The Singer's Voice Clinic", the first clinic held last March was a huge success and some 30 men got a lot out of it.

The next clinic will be held from Tuesday, September 13th through October 18th at the First United Methodist Church, 550 Old San Francisco Road, Sunnyvale at 7:30PM

For additional information and to register, call John Hinkle at (408)896-0444 or visit: www.freevoicelesson.net ◆

Coastal Cleanup Day in Sunnyvale

September 17, 2011
9 AM - Noon

Cleanups will be held throughout California along bays, creeks, rivers, sloughs, highways and the coast. Recruit your family, friends and co-workers to help!

Area to be cleaned: Guadalupe Slough - along the area adjacent to the San Francisco Bay Trail around the Water Pollution Control Plant Oxidation Ponds.

How to Register: For more information or to sign up as a volunteer, call Environmental Outreach at (408) 730-7717 or send an e-mail to wpcp@ci.sunnyvale.ca.us. Those under the age of 18 must have a waiver signed by a parent or guardian prior to participating. ◆

Volunteer by Donating to the Lakewood Village Neighbors Association (LVNA)

By a Lakewood Village Resident

I have lived in the Lakewood Village neighborhood for many years and never volunteered for any of the events or projects that the LVNA has provided. I have the same excuse that many of us have…..too busy and not enough time to do what I want to do. However, after seeing firsthand what the LVNA and its Board has done year after year for our neighborhood, I thought if I couldn't volunteer my time; why not volunteer some money to help the LVNA execute its neighborhood projects. I have asked the LVNA Board to provide a form so that we "Volunteers by Donating" could get donations to the proper LVNA point of contact. Even though we residents don't pay a penny, I realize that the Lakewood Village newsletter, events and projects are not free, so let's help them out.

✂

Note from the LVNA Board: Donation information (amount and name only) will NOT be published in ***The Villager*** unless approval from the donator has been received.

Mercury Fever Thermometer Exchange & MedDrop Event

Wednesday, September 21, 2011 from 11 – 1:30 PM
Sunnyvale Senior Center

Thermometer Exchange Info: Would you like to properly dispose of that old mercury fever thermometer that may be stored in the back of your medicine cabinet or bathroom drawer?

The first 100 residents who bring in their mercury thermometers will receive a free, non-mercury containing fever thermometer in exchange (limited to 1per household). To avoid breakage and contamination, mercury fever thermometers **MUST** be contained in an unbreakable and closed container such as its original case, a plastic toothbrush holder, or a soda/water bottle with a screw-on cap. As a second measure of protection, the closed container must be placed in a sealable plastic bag (zip-lock is fine). Other mercury-containing products **will not** be accepted at this event. For more information call Environmental Outreach at (408) 730-7717.

MedDrop Info: Do you have medications pilling up and need to get rid of them? Residents can bring their unneeded prescription and over-the-counter medications for proper disposal. This program does not collect sharps or illegal narcotics. For more information call the Department of Public Safety at (408) 730-7100. ◆

FREE Community Health Forum

From **California State Senator Elaine K. Alquist's** office:

HEALTHY FAMILY LIVING
Saturday, October 1st
9:00am-12:30 p.m.
Mayfair Community Center
2039 Kammerer Ave, San Jose

the Lakewood school multipurpose room.

Also, our annual picnic will be held on October 15th at Lakewood Park from 11-2, details will follow. Please mark your calendars.

Thank you to ALL the families and children that used our pool this summer. Hopefully we made a difference & the City takes notice. Thank you Virginia Lindstrom for advertising in your monthly news about the pool opening, it takes a village. ◆

Lakewood School News

By Heather Mumy

School is back in session! Lakewood Elementary students are off to a wonderful start of a new school year. The Library Media center is almost complete, and students are looking forward to checking out books for the first time in the new library. They have already begun using the new Computer Lab and are getting their first experiences with a Smartboard. The first PTA meeting will be held on Wednesday September 7th at 5:30PM. Please come and help us plan for an exciting year. ◆

Calling All Readers!

All Lakewood Village residents are invited to the Scholastic Book Fair at Lakewood School!
The Book Fair will be open:
Monday, Sept 26th through Friday, Sept. 30th
11:15am – 12:30pm
and during Back to School Night,
Thursday, September 29th, 6:30 – 8:00pm.

This is a great time to stock up on Christmas and birthday presents!
THANK YOU for supporting learning at Lakewood!!! ◆

Neighborhood Crime Corner

Quoted From the:

THE SUNNYVALE SUN

Vandalism--July 29 @ 6:22pm, Lakeside Dr the convertible top of a 1998 BMW M3 was slashed on the 1200 block of Lakeside Dr

Theft--Aug. 4, @ 9:53 am, Morse Ave. a garage door opener was stolen from a Jeep Wrangler. The jeep's rear window was left open.

Auto Burglary--Aug. 15 @ 10:29am Lakewood Drive. An unknown person entered a 2002 Honda Civic and removed the faceplate of the stereo from the glove box, but was unsuccessful in taking the stereo. The person was able to open the trunk and steal a pair of shoes. All four tires of the car were also stolen and one was replaced with the victim's own spare.

Identity Theft--Aug. 1 @ 8:19am all America Way. A woman in the Sunnyvale Dept of Public Safety reported her identity had been stolen and an unknown person used her Key Point Credit Union Visa card to purchase $677.75 worth of items from Wal-Mart.

*(**Editor's note:** One way to protect a credit card is to write **"See ID"** on the signature line. I always thank the shop clerks who ask for my ID since it is for my protection!!!)*

Neighborhood Crime Corner *Continued...*

Vandalism--July 24, @ 9:55am E. Ahwanee Ave, east of N. Fair Oaks Ave. The electrical manhole covers for several street lamps were removed and the wires leading to the street lamps had been cut. The wires were intact other than being cut. Fortunately, no copper wire had been taken.

*(**Editor's note:** Even though this incident happened outside our neighborhood, it still effects all of us! There has been an increasing number of incidences in other cities of thefts of brass plaques, electrical lines, manhole covers, even water pipes!*

Street lamps light our neighborhoods, making it safer. When electrical lines are cut, people go without power. Missing manhole covers can cause car accidents or pedestrians can fall in. The money that pays for the repair of this, comes out of our city's budget. Each time our city has to repair or replace city property because of vandalism, it means less money is available for important programs such as: summer youth camps, library books, pruning street trees, and repairing pot holes. When someone steals city property, they are actually stealing from all of us!) ◆
