Monthly Meeting Wednesday, April 11th

At 7:00 pm in the Lakewood Park Building

Meet the New LVNA Board!

Next month's Topic: New Ban on Plastic Shopping Bags

President's Column

-Judy Fernandez

Hello Neighbors!

Last month's election was a big success. We have, for the first time in a long time, a complete board. I will be staying on for another year as your President and my congratulations to my new board.

1st Vice President - Wendy Stanley
2nd Vice President – Dee Dee Lloyd
Secretary – Skip Gottschalk
Treasurer – Leah Lane

All of our board members are long time neighbors and have helped out as volunteers in our different events. This means that LVNA can continue all the wonderful events throughout the year.

Our March meeting had our NRO Brian Gantt (Neighborhood Resource Officer) talk to us about the crime rate in Sunnyvale. North Sunnyvale (Lakewood) has no more crime than any other part of Sunnyvale. Burglaries are up and he mentioned to always make sure doors and window are closed and locked.

Councilmember Jim Griffith also attended our meeting and mentioned that the pool was a done deal. The City has decided that it will take too much money to continue to operate and will be closing the pool this summer. They will have meetings with LVNA and the neighbor's to discuss what type of new recreation will replace the pool.

Thanks to all the neighbors and board members who tried very hard to keep our pool open for the children, it just wasn't in the cards.◆

Fairwood Elementary News

Sarah Tellez, Principal

A group of volunteers from AmeriCorps came to help build the second phase of Fairwood Elementary School's garden on March 31.

The garden was planned by a parent group, with funding and labor provided by Health Trust. We had a great (but wet) day building the garden on March 31st.

Working with over 30 AmeriCorps volunteers, we were able to install 7 additional beds for classroom use and plant 12 fruit trees donated by Fairwood families.

Come by the kindergarten playground and check it out. The event was planned in celebration of Cesar Chavez Day, which brought Rita Chavez-Medina, Cesar Chavez' sister, out for a brief visit.

Special thanks to our garden committee, led by Matty Hughes, and Paul Catura who prepared the lumber for the beds.

Thanks also to our wonderful partners at HealthTrust for help with funding, coordination, and manpower. ◆

Box Tops for Education

By Phyllis Fowler

Clip Box Tops !

Have you ever seen those little pink "Box Tops for Education" printed on hundreds of your favorite products? Each of these *Box Top* coupons are worth **10 cents** to our schools. I have found them on Kleenex boxes (the square ones and it's under the plastic wrap), Pillsbury rolls and biscuits, Ziploc bags and even Avery labels!

When I buy anything that has the *Box Top*, I cut in out and put it in an empty Altoids tin (or anything will do). Even during the summer, I am filling my little box. When my box is full, I take it down to ***Lakewood, Fairwood or Columbia Middle School*** and drop them off.

You can also go to **www.2ways2earn.com** and register your Safeway card to earn even more points for your school. At the website are promotions and a list of products that have the *Box Tops for Education* coupon.

Send Box Tops to School

You don't have to be a parent to collect *Box Tops for Education*. So turn in your *Box Tops* and our schools will collect and send them to *Box Tops for Education.*

All those little *10¢ Box Tops* add up. (Lakewood is up over $400.00 already!)

So clip those *Box Tops* and drop them off at your favorite school. ◆

Sign up for eScrip !

Lakewood Elementary and ***Columbia Middle School*** participate in the national **eScrip** program. There is absolutely no cost to sign up. All you have to do is log on to **www.escrip.com** and click "sign up."

To designate

Lakewood Elementary as your group beneficiary use group **ID #139572349**.

Columbia Middle School PTSA as your group beneficiary use group **ID #5304543**

After you register, just do your normal shopping and the participating merchants will make the contributions to our school.

Have you ever seen the "10% back to schools" ads at Safeway? When you purchases of the items with this logo, 10% of the price will go back to the schools you designate.

Registration is free and simple, so register today! ◆

Officer Teddy

From March issue of Beyond the Badge

In February, Lt. Robert Sorci lost his retired canine partner Teddy to cancer. Teddy was the Department's and City's first cross-trained explosive detection canine.

Teddy and Lt. Sorci set the standard for the current explosive detection canine teams. Whenever the President or another dignitary was in the area, he was a favorite of the Secret Service - not just any canine is used by the Secret Service! In addition to his explosive detection work, he was also successful in locating and capturing numerous dangerous suspects.

Teddy served the officers and citizens of Sunnyvale for six years. He kept officers and citizens safe during the years after 9/11. Teddy will be missed by all. Our thoughts and prayers are with Lt. Sorci and his family.

(*Editor-I have had the pleasure of seeing Officer Teddy and Lt. Sorci perform at various community events over the years. Teddy was amazing to watch, talk about combining brains, beauty and talent! It was an honor to have him represent and serve Sunnyvale.)* ◆
