California Theatre Center

CTC presents it's Summer Theatre lineup:

THE CANTERVILLE GHOST
A mansion in England, a family as American as apple pie who moves in and a ghost who simply won't let go!
American Hiram Otis and his family have recently moved to Canterville Chase, a grand estate just outside of London, even though the home was haunted. A reappearing blood stain and the perpetual nocturnal visits of a rather noisy ghost with a taste for the theatrical convince them. Clearly the ghost is going to be driven mad by the very people he is trying to haunt! Resulting in an entertainingly funny romp for the whole family. **June 9, 23 and July 14**

THE CONTRAST
The first comedy written by an American citizen that was professionally produced - " a sophisticated, subversive, and dead funny piece of theater."
Set after the Revolutionary War, but don't let this fool you! There is plenty of things we can relate to in 21st century America, like the theme of home-made versus foreign goods and ideas on moral behaviors, economic liberties and standards of education for their young country. Enter Maria Van Rough - a "dangerously well-read" young lady, betrothed as a child to Billy Dimple, but falling in love instead with earnest soldier Henry Manly. Further complicating Maria's life includes; two calculating belles, a scheming servant, a naive bumpkin and a boorish old father. The contrasts between old and young, integrity and pretense, tradition and innovation, city and country living and high and low society has never been more fun! **June 14, 15, 16, 17, 21, 23, July 7, 14, 19, 22**

A THOUSAND CLOWNS
A heartwarming comedy "filled with laughter and warmth, sweetness and inspired daffiness." - The New York Daily News
A coming-of-middle-age story of eccentric bachelor Murray Burns, an unemployed children's television writer who has found himself raising his sister's son after she went out for a pack of cigarettes and never returned. When social workers come to investigate whether his nephew is receiving a proper upbringing. Getting an actual paying job becomes high priority, which means returning to his former work writing for "Chuckles the Chipmunk"! ***A Thousand Clowns*** speaks to us of commitment and the power of love **June 16, 22 July 6, 8, 12, 21**

DIAL M FOR MURDER
A intricately plotted psychological thriller
The made famous by the Hitchcock movie. Wealthy Margot Wendice has convinced her professional tennis player husband to give up playing. However, her husband has other plans, to plot the perfect murder… Margot's! His scheme goes disastrously wrong, he finds himself in a suspenseful game of cat and mouse with a determined police detective and a suspicious mystery writer from Margot's past! **June 28,19 July 1, 5, 13, 15, 20, 21**

Auto Burglary – April 23rd on Lakeside Dr. A 2010 Mercedes 350 parked in the visitors parking lot was broken into over night.

Fraud—April 25th N. Matilda Ave. A person gave a man counterfeit money for an item the man sold on Craigslist.

(*Editor—Even though this was not in Lakewood Village, I wanted everyone to be aware that counterfeit money is being passed around in Sunnyvale. There is a pen you can buy at Office Depot that helps to spot counterfeit bills)*

Theft—April 20th on S. Bernardo Ave. Fuel was stolen from several vehicles on the victim's property.

(*Editor—I know this one was not in our neighborhood, but I wanted to bring it to your attention. With the cost of gas at over $4.00 a gallon, this will happen more and more often.*

Protect yourself and your vehicles, buy a locking gas cap. If you see someone acting suspiciously, call 9-1-1 and report it. DO NOT CONFRONT THE PERSON YOURSELF! That's what our Public Safety Officers are for, to protect our safety.)
