Hello Neighbors!

Our August 4th meeting (***National Night Out***) was a **HUGE** success! We served over 96 scoops for chocolate and vanilla ice cream.

Mayor Anthony Spitaleri, Council members Tara Martin-Milius, Jim Davis and Dave Whittum, Chief of Police Grgurina and over 15 Public Safety officers came by to meet our neighbors. We also had a fire engine, face painting, and craft projects for the children. Everyone had a lot of fun.

A big THANK YOU to all the volunteers who helped make this year's event the success it was!

Thanks again, to all of the wonderful neighbor's that gave up their Saturday (July 18th) for this year's **Dumpster Day**. Thanks also to Bev and Robin who again made our parking lot sale a success, they raised over $346.00.

The City told our LVNA board members, that they enjoy working with our neighborhood, because we are well organized and make sure that only debris gets into the dumpsters.

Job well done Monitors!

This month is a special meeting, our guest is Lisa Rosenblum, Director of Library and Community Services for the City of Sunnyvale. She will make a presentation regarding the satellite Library at the current Pool site. Please bring your ideas of what you would like to see in this new Library. ◆

September 29th is Picnic Time!

Our annual picnic will be at **Lakewood park, picnic area #3** on **Saturday September 29th from 11:00am to 2:00pm!**

Come on over for some good food, conversations and a lot of fun. As usual, the LVNA will supply the hot dogs, hamburgers, veggie burgers, buns, plates, napkins and condiments. There will also be water and soda provided. Please bring a side dish or dessert to share with your neighbors.

We will have activities for the kids and prizes. (Your editor will be there doing the face painting, come and say hi!)
Hope to see you there! ◆

Bargain hunters looking for great deals on used treasures will find them during the **Citywide Garage Sale Day event on September 22, 9 a.m. to 4 p.m.** when thousands of items will be sold at hundreds of garage sales throughout the City.

Look for all registered sales listings in the Sunnyvale SUN on September 21, or find them online at ***Recycling.inSunnyvale.com*** under ***Events, Garage Sale Day***. Printable online maps are organized by zip code and allow you to search for items using keywords and photos.

Garage Sale Smart Shoppers Guide

You can also pick up printed maps at City Hall, the Library, Columbia Neighborhood, Senior and Community Centers on September 21 after 10 a.m.

Pre-plan your route according to items on your list to save fuel, reduce your carbon footprint and make your shopping adventure successful!

Here are a few suggestions from some garage sale aficionados:

- Have your list of items and route planned.
- Take blankets, rope, bags, boxes and newspaper to wrap or tie down and protect your new treasures in transport.
- Take plenty of water in a reusable water bottle to stay hydrated and pack some snacks to keep you energized while you shop.
- Carry plenty of small bills and change.
- If you see something you like, pick it up right away – or someone else will!
- Group your purchases; you can often get discounts when buying more items.
- If there's something you like but think it's too expensive, leave your contact information with the seller. If it's still available after the sale, they may take your offered price anyway.

- Don't be afraid to bargain, sellers want to get rid of stuff and bargaining is part of the fun!

Courtesy reminder:

- Garage Sale Day sales are set to begin at 9 a.m., early birds may not be appreciated.
- Keep your pets at home and small children in check.

Savvy Sellers Garage Sale Tips

Cleaning up clutter and clearing out cupboards, drawers and closets is the most time-consuming task when preparing for a garage sale. It's helpful to use two boxes or bags: one for sale or donation items, the other for trash. A good rule of thumb is, if you haven't used or needed it in a year, you can probably live without it.

Here are some tips on making your sale a great success, putting some money in your pocket and helping the environment by keeping usable items out of the landfill:

- Make sure all items are clean and in good repair.
- Display small items at eye level, not the ground.
- Keep pets away from shoppers.
- Display items should have price tags on top for easy viewing.
- Group items by category such as clothes, kitchenware, books and toys to make shopping easier.
- Put books in boxes where titles can be easily read.
- Have a "Free" box of things that may be missing parts, or need repair.

- Have plenty of change and $1 bills.
- Put showcase items out front to attract shoppers.
- Provide day care for your young children so you can focus on your sale.
- Display a sign stating, "All Sales Final", to avoid returns.
- Consider having baked goods for customers to welcome them to your sale!

Seller Safeguards:

- Don't allow shoppers to use your bathroom, direct them to the closest public facilities.
- Don't leave your money unattended!
- Eliminate any tripping or falling hazards to shoppers. ◆

Letter to the Editor

People comprising Sunnyvale Neighborhood Associations have been told to always ask to see the solicitor's permit carried by door-to-door salesman. Unfortunately, none of us knows what one looks like. Can you tell us what a valid solicitor's permit looks like?

From Public Safety:
I am responding to your web request pertaining to solicitor's permits. Here is a copy of our current permit cards.

This example is for a taxi driver.

All the cards contain at the top "City of Sunnyvale", the person's photograph, name, date of birth, date issued, expiration date and name of permit type. They are also numbered for our records. If you have any further questions, please contact this officer at 408-730-7110.
