Editor– There seems to be more auto thefts lately. Here are a few tips:

- *Remember to lock your car and take the key with you!*
- *Lock all your packages in the trunk.*
- *Don't leave anything in your car that is important or valuable to you!*
- *Don't leave anything in sight not even a coat or sweater.*
- *If you observe any suspicious people, vehicles, or activity in your neighborhood, please contact Public Safety immediately by dialing 911.*

I once had my car broken into and all they took was my jacket. It wasn't even an expensive one! However, replacing the back window that was broken, cost me almost $500.00, just under my deductible. The jacket only cost me $30.00! ◆
