Volume 57 Number 2 Circulation: 1,750 FEBRUARY 2013 Sunnyvale, California Editor: Phyllis Fowler

Monthly Meeting Wednesday, February 13th

At 7:00 pm in the Lakewood Park Building

This month is Volunteer Appreciation Night!

President's Column

-Judy Fernandez

Happy New Year Neighbors!

Sorry that I missed our January newsletter. Life was crazy for me after the holidays.

Our Lighting contest winners were:
751 Lakehaven
1118 Prescott
770 Lakemuir
1349 Socorro

All of the homes looked beautiful. Thank you for all of your efforts and time to make our neighborhood look so festive. Congratulations to everyone!

This month we are having our ***Volunteer Appreciation*** event. Without you this association would not run so efficiently!

With the New Year come a few reminders. The speed limit in the neighborhood is 25 mph, please drive carefully and watch for our children.

Before the holidays, we had a neighbor hit while crossing over Lakehaven in her wheelchair. I don't know her status, but hope that she is okay. Just last week we had a car on Lakebird hit the neighbor's fence and drive all the way up to the garage. Thank goodness no one was home at the time.

If you see car's driving faster than the speed limit, please try and get the license number and report to Public Safety. *(Continued on page 2)*

LVNA Opportunity

By Skip Gottschalk

The LVNA Board Secretary position will become vacant in March as my term will expire. I hope that there are more Lakewood residents that would like to get involved in the coordination of the LVNA events.

The LVNA Board is the foundation for establishing the LVNA Monthly meetings, LVNA Dumpster Day, LVNA Picnic, LVNA Christmas Parade, and other neighborhood events.

If you wish to become involved in supporting your neighborhood and would consider being nominated for a LVNA Board position, please contact any of the LVNA Board members no later than the end of February. **LVNA Board elections will take place at the March 13th meeting.** ◆

ZUMBA CLASS!

Where: Columbia Middle School Gym
739 Morse Ave
When: Every Wednesday
Time: 7 – 8 p.m
Cost: $1.00 per class

Come and dance your pounds off at this fast-paced, energetic class. The class will continue every Wednesday night through June. The Health Trust of Silicon Valley will present Zumba for $1 per participant per class. Additional donations are always accepted.

Children 10 years old and up can attend with a parent. Due to the nature of the class, no younger children will be allowed to participate or watch.

All participants are required to sign a registration form and waiver prior to their first class, so come a few minutes early to sign up! ◆

President's Column

(Continued from page 1)

We are still trying to get speed bumps, but the City's budget does not allow for this right now. LVNA will keep working on it.

Pet owners when walking your animals, please remember to pick up after them and keep them on a leash. Not only is it your responsibility, but **it's the law** here in Sunnyvale. Also, for those of you who take your dogs to the parks, ***please, please*** pick up after them. The school children play on those fields during the day.

Our March meeting is a BIG one. We will be having Neighborhood Preservation out to talk about code violations. I know that some of you have received a notice about your personal homes, so I think it would be good if you come and find out what the City will and will not allow.

Also, March is election time again. Think about holding an office in our associations so that we can continue our events for the coming year.

See you at February 13th meeting! ◆

Graffiti at Columbia Middle School

On February 7th a wide range of graffiti was found on the Columbia Middle School campus, some of which indicated a bomb threat. Sunnyvale Department of Public Safety has completed all precautionary measures, including a thorough search of the Columbia Middle School campus and an evacuation drill. Students were not in danger at any time, and the campus has been deemed safe by Sunnyvale Department of Public Safety. The school day is continued as normal.

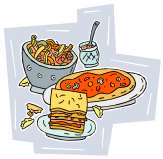

Sunnyvale School District takes these safety precautions very seriously and we wish to thank Sunnyvale Public Safety for their cooperation, communications and assistance in keeping our schools safe. ◆

What's on Your Plate Film Screening

Where: Columbia Middle School
Staff Room, 739 Morse Ave
When: Thursday, March 21st
Time: 6 – 8 p.m

Spanish subtitles
Free and open to all
Children welcome
Prize raffle for attendees

Finally, there is a film that can help to get children to eat their vegetables. "What's on Your Plate" is a film that was filmed from the perspective of two eleven year old girls; it is a film that every adult should see. This family friendly film screening will follow the girls as they explore what is in our food and where it comes from. As the girls discover, our food system greatly impacts our health, environment and general wellbeing.

Full Circle Farm of Sunnyvale will be joining us for this healthy screening. There will be a post film discussion with a Palo Alto Medical Foundation Youth Nutrition Program Specialist and a real Sunnyvale farmer.

For more information on the film, visit: http://www.whatsonyourplateproject.org/

A Message from the Chief

By Chief Grgurina and Superintendent Benjamin Picard

Reprinted with permission from Beyond the Badge January 2013

It has been a month since the tragedy at Sandy Hook Elementary School in Newtown, Connecticut. Our thoughts and prayers continue to be with the victims, their families and the entire Newtown Community. As our children return to school from the holiday break, we thought it would be helpful to let you know what we are doing to ensure the safety of our children.

The Department of Public Safety dedicates a group of personnel, Neighborhood Resource Officers (NROs), to focus on school and neighborhood safety issues. The NROs are assigned to the Crime Prevention Unit and each has specific schools and neighborhoods that they provide dedicated services to. One important aspect of their function is providing school safety training to staff and students at each school in the City of Sunnyvale. The training is offered on an annual and on-going basis. Each school has participated in the training within the last two years.

Members of DPS also receive regular and on-going training for response to school violence situations. In addition, the department regularly attends outside specialized training in the area of school safety in order to remain contemporary in response protocols. Department members attended two separate specialized courses over the last year.

The training has paid dividends as DPS and the Sunnyvale School District have a strong working relationship that has allowed for swift and appropriate response to safety issues in and around the various schools. As an example, last January a false report of an intruder armed with weapons was reported at one of our grammar schools. The combined response of the School District and DPS to the event highlighted the importance of the on-going training. Whether there are events occurring at a particular school or incidents near a school that call for school safety measures, we must continually work together to focus on the safety of the children.

Based upon recent events, we cannot be satisfied with our current efforts in safeguarding children and must continue looking for preventative measures. Violence prevention, mental health response, and gun safety are topics of discussion at the national and local levels. We will remain engaged in these discussions and look for ways to increase our efforts in proactively addressing school violence. Please know that both of our organizations are working together to provide a safe and healthy environment for our children.

Breaking the Cycle of Bullying: Strategies for Parents and Children

Facilitator: Holly Pedersen, LMFT, PhD

Where: Sunnyvale Public Library
665 West Olive Avenue
When: Wednesday, March 6, 2013
Time: 7 - 8:30 p.m.

Registration required beginning February 7

***at www.learningtogetherbullying.eventbrite.com* or by calling 408-730-7386**

During this interactive session, parents and children will learn together how to effectively recognize, respond to and prevent the cycle of bullying.

This workshop will teach the specific friendship skills that can prevent involvement with bullying, what to do if you are being bullied and how to help if you are a bystander to bullying.

Children and parents will have the opportunity to share their experiences, ask questions and practice the tools they learn.

Holly Pedersen's areas of expertise are childhood abuse and trauma, domestic violence and violence prevention, conflict resolution, and bullying prevention. She has taught family sociology at the University of Southern California. ◆
