Monthly Meeting Wednesday, April 10th
At 7:00 pm in the Lakewood Park Building

This month our guest is:
Carolyn Lutticken,
Program Coordinator
of Columbia Neighborhood Center

President's Column

-***Judy Fernandez***

Hello Neighbors

Congratulations to our returning board members:
Judy Fernandez …President
Wendy Stanley… 1st vice President
Dee Dee Lloyd….2nd Vice President
Leah Lane……..Treasure

We are looking forward to another eventful year; however, we are still in need of a Secretary. Come and meet our new board members and let us know if you have issues to discuss.

This month our guest is **Carolyn Lutticken**, Program Coordinator for the ***Columbia Neighborhood Center.*** We will be hearing about the different programs offered at the Neighborhood Center. This is a chance for you to find out about the wonderful programs offered!

The March meeting attendance was disappointing. We asked the City to make a presentation of Ordinances and Codes regarding our homes. The turn out was very low.

For those of you who didn't make the meeting, here is some of the information we received:

The City drives around the neighborhood about once a month and will cite your property if they see any violations.

Dog Parks In Sunnyvale

When: Tuesday, April 9 at Noon and 7 p.m.
Saturday, April 13 at 10 a.m.
Where: Lakewood Park

City staff will present the same information at each meeting. Meetings are expected to last one hour in the recreation buildings

The City of Sunnyvale is studying dog parks and off-leash alternatives to dog parks. The City currently has one fenced dog park at **Las Palmas Park, and is considering Fair Oaks, Lakewood, Serra and Las Palmas Parks** as potential sites for new dog parks or off-leash options.

♦ Whether there should be additional dog parks in Sunnyvale and where they could be located;

♦ What amenities should be included

♦ Whether there should be designated times and unfenced areas within parks for dogs to be off-leash;

For more information or to give feedback about dog parks to the City's Parks Division:
♦ Call (408) 730-7506, TDD (408) 730-7501
♦ Email: parks@sunnyvale.ca.gov

Volunteer Opportunities Available At Lakewood School

By Principal Pamela Cheng

There are three areas where we are in need of volunteer support that are making the biggest differences for our students:

Reading Partners: volunteers are trained and provided with targeted comprehensive reading materials to use with students one-on-one for 45 minutes two days a week. This year the Reading Partners program has helped 45 students at our site make significant gains in catching up where they were more than 2 years below grade level. Our Reading Partners coordinators are looking to expand the program and services as we have many students on the waiting list, so any volunteers here would be incredibly appreciated.

American Heart Association Teaching Garden: Lakewood School received a grant this year and has started a teaching garden that works with the third grade, but also includes a lunch time **"Green Team"** two days a week that fosters student leadership, environmental education, and positive adult relationships. Our long-time Garden expert volunteer is looking to recruit and train volunteers who may be interested in supporting the program through the end of the year.

ABC Readers: This program relies on volunteer readers to attend a training on a particular book each month (45 minutes), then read the book and conduct a fun, hands-on activity (included in the training) in a classroom. By having the same classroom over the course of a year, volunteers serve as adult role models and use the book to teach students common language to build self-confidence, empathy, and school community. This program is key to preventing bullying, building character, and maintaining a positive tone on campus.

If you are interested in volunteering for any of these programs, call the school at (408)522-8272 Thank You. ◆

The "10 Most Unwanted" List!

Tips from Neighborhood Preservation on How to Keep Your Property Attractive.

1 - Trash and recycling containers must be screened from public view or stored in the side yard behind the fence.

2 - Outside storage of junk, debris or materials must not be visible from the street.

3 - Fences visible from the street must be maintained in good condition and not sagging or leaning.

4 - Graffiti must be removed immediately.

5 - Major auto repair is allowed only within an enclosed structure and may not be done for profit.

6 - Parking of vehicles, boats and trailers is not allowed on the landscaped portion or the yard.

7 - Inoperable, wrecked or dismantled vehicles may not be visible from the street.

8 - Vegetation in the park strip or on private property may not impair visibility of the street or sidewalk and must not exceed two feet in height in the park strip.

9 - Weeds must be removed to avoid health and fire hazards.

10 - Home businesses require a business license and must meet specific requirements. ◆

The City also receives anonymous calls reporting violations and they will follow them up. The fines can range from $100.00 to $500.00!

Neighborhood Preservation then does an investigation that lasts about tree days. The owner of the property will first receive a courtesy notice and then two warnings to fix the problems before a citation is issued. Between January and February, there were 16 complaints and 45 active cases against homes in the Lakewood/Fairwood area. The City does everything they can to help you out before they cite you.

Garage Conversions: you must have a permit and a separate carport built. If you have lived in Lakewood/Fairwood during the 70's and 80's you were grandfather in. One side note regarding the garage, **there is no sleeping in it allowed!** Even with a permit most insurance companies will not cover a conversion, so check your policy first.

Construction Hours:
Repairs done by a homeowner are allowed:
Monday – Friday: 7am to 7pm
Saturday -8am to 7pm and
Sunday - 9am to 6pm.
If you hire a professional, the hours are: **Monday-Friday -7am – 6pm**
Saturday 8am to 5pm
And no work on Sunday or National holiday's.

Front Yard Fence: can be no higher than 4 feet. The backyard fence can be up to 6 feet; unless you get a permit, then it can go to 8 feet.

New Driveway: You don't need a permit for it, but it can only be 50% of the front yard. You can get a more detailed list from the City of Sunnyvale's web site. If you have any questions you can also contact Neighborhood Preservation at (408) 730-7610. My advice is to check things out before stating your remodel of repairs so that you will not have to take things down which in turn will cost you more money.

See you at the April 10th meeting! ◆
