Monthly Meeting Wednesday, May 15th
At 7:00 pm in the Lakewood Park Building

This month our guest is:
Assistant City Manager Robert Walker
To give an update on the Branch Library

President's Column

-Judy Fernandez

Dear Neighbors,

Our April meeting was very disappointing. The topic was one that I thought more of you would have attended since it was about a proposed "dog park". We had exactly 7 people from a neighborhood of 1600 homes, 3 board members and 4 neighbors'. I am not sure why people are not attending these meeting and giving voice to what you would like to see come and go in the Village.

As I walk the neighborhood nightly and see a lot of you with dogs, I am just wondering why you didn't attend. Oh well. Maybe this month will bring more of you out since it with be a discussion of the new branch library in place of our neighborhood pool.

Hope to see you there. ◆

A Good Deed

I live on the Fairwood side of Lakewood on Pecos Way. We read the Villager every month when it comes....We wanted to see if you would post a note for us (we see the reports of any crimes in our Lakewood area etc.) well this is the chance to print a good deed.....

My son went to Fairwood Park on Tues (4/9) with his daughter who was here for Spring break. While at the park my son lost his wallet. He went back looking for it but didn't find it. On Wednesday we all got home from work and went to get the mail.....TA DA.....

Whoever found his wallet put it in the mailbox at our house. We want to say a big **THANK YOU** to whoever did that.

Reducing Robocalls: Practical Tips & Tricks

By Kati Daffan, Attorney, Division of Marketing Practices, FTC

You don't have to tell us twice, we know robocalls are annoying. Our *Robocall Challenge* generated advice we wanted to share, from consumers who say they're using certain tricks to stop these harassing calls now.

Here are the tips, in a nutshell:

1. Ask your telephone company if it allows customers to block calls from multiple phone numbers, but note that it may charge for this service. You might also want to check out the call-blocking services offered by other companies, including Voice over Internet Providers.

2. Search online shopping sites for "call blocker" — you'll find a variety of products you can buy for your landline, along with reviews about how well they work.

3. Consider putting a "special information tone" that signals a non-working number at the beginning of your voicemail or answering machine message.

4. If you have a smartphone, look for call-blocking apps — and reviews — in your app store.
Use a "virtual phone line" with call screening options, forward that number to your actual phone, and only give out the virtual number. This option might work if you're willing to change your phone number and are tech-savvy enough to set up call forwarding and screening.

These tips might not work for everyone, but the good news is that they are helping some people block illegal robocalls. What works best for you?

New Recycling Carts are Coming!

It's time to replace your 64-gallon split-lid recycling carts, most of which have been in use for 12 years and are beyond the end of their useful lives. The old carts will be removed and recycled to make new plastic products.

Between May 31st and June 5th all Sunnyvale residents who are currently subscribing to residential recycling will be receiving new recycling cars. There is no extra cost to residents; it is part of our service.

This is how the new cart selection process works:

- Sometime between May 31 and July 5, a 64-gallon recycling cart will be delivered to your residence the **day before your normal garbage/recycling service day**.
- Once you receive your new cart, place your old cart, whether full or empty, out for retrieval on your newt regularly scheduled service day.

Do not bring in your old cart after it has been emptied! Leave it at the curb and it will be picked up.

If you don't currently subscribe to recycling service, but would like to, please call City of Sunnyvale at 408.730.7400.

If you have question or comments, please call Specialty at 408.565.9900.◆

"Large Family Day Care" in Residential Areas Study

When: Wednesday, May 15, 2013
Time: 6:30 – 7:30 p.m.
Where: Sunnyvale City Hall
West Conference Room
456 W. Olive Ave.

The City of Sunnyvale recently began a process to study large family day care (LFDC) locational requirements (LFDC is 9-14 children and operated from a residence).

The purpose of the study is to:

- look at spacing and concentration of LFDC's in residential neighborhoods;
- identify possible traffic control, noise and parking standards for new LFDC operators;
- review state law;
- survey other jurisdictions; and
- conduct community outreach

Please Join Us to Contribute to the Discussion!
If you cannot make it to the community outreach meeting and would like to provide input on the topic please contact Amber El-Hajj at ael-hajj@sunnyvale.ca.gov or (408) 730-2723. ◆

Bike Lane Survey - El Camino Real

You are invited to take an online survey about the possibility of bike lanes on El Camino Real!

The City of Sunnyvale is collecting feed-back regarding bike lane options along the portion of El Camino Real between Sunnyvale Avenue and Fair Oaks Ave-nue/ Remington Drive.

The addition of bike lanes on this portion of El Camino Real is part of the City's plans to add bike lanes on all major streets in the City and would also connect existing bike lanes on Sunnyvale Avenue and Fair Oaks Avenue/Remington Drive.

Caltrans has given the City permission to remove the existing on -street parking lanes to accommodate the bike lanes. Cal-trans determined that modifying the median or narrowing or re-moving travel lanes, were not practical.

As a result, the City is considering two potential options:

1. Remove the parking lane in each direction and replace them with bike lanes, or
2. Do nothing.

There is virtually no demand for on-street parking on this portion of El Camino Real and there is considerable off-street parking supply. The City currently has funding to install the bike lanes. Please visit the following site to participate:
