The new Kids Storytime at the Lakewood Park Building and Walmart

President's Message

By Fred Fowler

Greetings neighbors! March 12th was the turn of the LVNA year and it was time to elect a new Board. Many thanks to our outgoing board members: President Judy Fernandez, Treasurer Leah Lane and 2nd Vice President D. D. Lloyd! The neighborhood owes a debt of gratitude to these people who worked hard on our behalf, and who carried the load until it was time to turn it over to a new set of volunteers.

The result of the board election on the 12th was a bit of a milestone. For the first time in my memory the LVNA board has a full roster! Every slot is filled! Wendy Stanley is returning as 1st Vice President, new volunteer Pat Muniz was elected 2nd vice president, new volunteer Maria "Dess" Tamez was elected Treasurer, longtime newsletter editor Phyllis Fowler was elected Secretary, and for the third time in 20 years I will serve as LVNA President. It is a good team and we are in for a good year of LVNA .

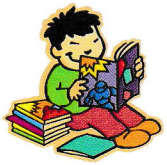

GOALS FOR 2014

The Board gathered for its first Board meeting about a week after the election in order to come up with goals for the coming year. The LVNA has had some "traditional" activities we've done for many years, and we discussed each of them. We asked the question "are these things we should be doing? Just because we've organized these activities over and over again doesn't necessarily mean they are still the right things to focus on."

April LVNA meeting: Kids Storytime and Walmart

By Fred Fowler

Come to the Lakewood Park building at 7:00 pm on Wednesday, the 9th of April. Get the details of a special children's program sponsored by the City of Sunnyvale. Each Saturday morning in May there will be storytelling for children in the Lakewood Park Building. Come get the details.

Also by the time we meet the new Walmart store in the Mercado center will have been open for about a week. Come share with your neighbors how it is affecting you and how you feel about it. It should be a lively and informative discussion.◆

Spring Break Camp:

For students in first through eighth grades during Spring Break, **April 14 – 18**.

President's Message

By Fred Fowler (Continued from page 1)

The conversation that resulted was very interesting and I'm sure will prove to be very fruitful in the long run. Here are some of the highlights:

WE NEED TO BE MORE "PARENT FRIENDLY"

Just about everybody in the neighborhood reads the newsletter each month, but only a few people make it to the monthly meetings. Part of the reason is that the meetings happen in the evening on a Wednesday in the Lakewood park building. We've heard that there are many young parents in the neighborhood who can't get to the meetings because they coincide with getting their young children into bed. Others have conflicts because some PTA meetings happen at the same time.

The LVNA needs to speak for everyone in Lakewood Village, and especially for parents of young children. They will be affected by the various issues we've worked on (closing the swimming pool, building the library, traffic safety, etc.). We need to find a way to give them a better opportunity to take part.

One of the ideas the board has is to organize some kind of regular meeting at a different time of day and a different location that would be more convenient for parents of young children to attend.

Can you think of a way to give these families more of an opportunity to participate in the LVNA? Please let us know! Either send your ideas to the newsletter editor or send them to me. My e-mail address is fmfrainc@gmail.com.

THE LVNA NEEDS TO EXPAND INTO "SOCIAL MEDIA"

Our newsletter is the largest and most widely distributed neighborhood newsletter in Sunnyvale. We print and distribute more than 1,650 six-page copies each month. The closest competitor is the SNAIL neighborhood association, which distributes about 1,200 four-page newsletters monthly.
The newsletter has its drawbacks, though. Sometimes important events take place just after it is published, or else city issues come up and are decided before there is time to publish anything about them.

One of the benefits of using internet tools such as Facebook and Twitter is that information can be distributed quickly.

We know that social movements around the world use these tools to organize themselves. Perhaps we should give them a try and see what they can do for our neighborhood.

One person who wants to try is our former 2nd Vice President, D. D. Lloyd. She has volunteered to set up an LVNA Facebook page. Our new 2nd Vice President Pat Muniz wants to work on this with D. D.

We are not sure how this will work as we are not very experienced with these tools. Do you have any suggestions? It would be great if D. D. and Pat could form a kind of "task force" to work on this idea. Would you like to contribute? Please let me know at my e-mail address, fmfainc@gmail.com.

"TRADITIONAL ACTIVITIES"

The board examined the other activities the LVNA normally undertakes and decided that, with one exception are worth continuing.

One activity that the board decided NOT to leave unaltered is our annual Fall Picnic. Putting on the picnic has been a large logistical challenge and some feel that the event is getting to be "old hat".

Instead, LVNA Secretary Phyllis Fowler and LVNA 1st Vice President Wendy Stanley have a new idea. They would like to expand the LVNA's participation in the "National Night Out" event that happens every August. The idea is to make it into a "Hot August Nights" event where the LVNA organizes a classic/hot rod car show in one of the big parking lots in our neighborhood. We would make it a "family friendly" event with cool cars for the Dads, crafts for the Moms and Kids, and things like popcorn and soda for everyone. It sounds like an exciting idea to me!

HOW CAN YOU HELP?

There are plenty of opportunities for you to help out in easily managed "bite sized" ways.

The Villager:
We can always use articles for it, walkers to distribute it, and people who can help out with the chore of folding it.

We can also use someone to help sell advertising for it. We pay the newsletter printing costs by selling ads to local businesses, and we could certainly use someone to drum up more business,

Dumpster Day:
We have many "battle scarred veterans" who have worked through Dumpster Day planning and execution many times, but we can always use new volunteers! Would you like to learn how Dumpster Day works?

Parade:
I love a parade! Putting one together is not very complicated, but it takes a lot of legwork. The trick is to contact potential participants early enough so that their calendars are not already booked up.
Would you like to help recruit more marching bands? How about getting the National Guard or the Rotary Club or the Boy Scouts to take part?

Lighting contest:
This is the easiest one to organize. It is just a party for various dignitaries who are then driven around the neighborhood to judge whose house has the best holiday decorations. Would you like to host the party?

As you can see, there are many things going on with the LVNA this year! Some of the plans are ambitious, but we've done harder things before.

By the way, if we end up working hard on behalf of the neighborhood, it will prove that our home, Lakewood Village, is worth working hard for. ◆

Wanted: Cool cars for our "Hot August nights" event.

By Fred Fowler

Do you have a classic car? A hot rod? Do you have any kind of car that makes heads turn and people take notice?

The LVNA is working on a a 'Cool Car" event in August. The idea is to combine "Hot August Nights" with "National Night Out". We'll congregate in one of the big parking lots in our neighborhood, provide light refreshments and crafts for the kids, and have a blast checking out all of the classy wheels our neighborhood has.

Neighborhood Crime Corner

Quoted From Beyond the Badge:

By **Chief Grgurina**

Are you ready for some football? It sounds funny to hear that question in March, but it is a question that staff from the City of Sunnyvale have been asking for the last several months in preparation for the opening of Levi Stadium. In fact, preparation between Sunnyvale staff, City of Santa Clara staff and the 49ers have intensified over the last year. Part of this effort has been the facilitation of several community outreach meetings presented by the collaborative planning entities.

Information related to the on-going planning efforts can be found on the City of Sunnyvale's website at http://sunnyvale.ca.gov/ under featured projects (49ers Levi's Stadium). Included in the information is a newly published document titled **"Levi's Stadium Frequently Asked Questions - City of Sunnyvale"** that was produced in response to questions received during the public outreach. The Levi's Stadium link will continue to be updated into the future to ensure that the community is kept abreast of the latest information.

Did you know the **Sunnyvale's Department of Public Safety** has a messaging system?

The Nixle messaging system is a community information service that allows DPS to send important information to members of the community via text message, email or the web. This service will be the main communication method from DPS to the community regarding stadium related events such as traffic conditions, road closures and other public safety operations.

The Nixle messaging system is a voluntary subscription service in which the subscriber chooses how to receive information and what type of information they want to receive. Subscribers may choose to unsubscribe at any time. There is no fee for this service, but subscribers should consider message and data rates of their personal carriers.

Information related to the Sunnyvale Department of Public Safety Nixle messaging service can be found at http://sunnyvale.ca.gov/Departments/PublicSafety.aspx

Wishing everyone a safe and enjoyable month!◆
