Monthly Meeting: Wednesday, May 14th
At 7:00 pm at the Lakewood Park Building

Our Topic:
Pizza party for Volunteer Appreciation Night
Dumpster Day is July 19th !

President's Message

By Fred Fowler

May meeting: Party time!

Greetings neighbors! It is May and Mother Nature is smiling on Lakewood Village. We've finally shaken off winter's gloom. The world is green and growing again.

So what should we do with the next LVNA meeting? Have a party, of course!

Please come to the Lakewood Park Building at 7:00pm on Wednesday, May 14th for a party to celebrate all of the people who make the LVNA what it is! It is time to thank all of our volunteers for their hard work, and we're going to do it with PIZZA. Bring the kids!

One of the hard things about thanking all of the volunteers is making sure we know who they all are. We have lists of people who normally deliver the newsletter but we also want to thank the people who "pinch hit" for them every once in a while. We have lists of the normal "Dumpster monitor" volunteers on Dumpster Day, but we also want to celebrate the friends and family members who help them out on *Dumpster Day*. Finally, lots of people have pitched in on the *Parade* each year but we don't have good lists of who you are either.

Wanted:
Advertising Salesperson for The Villager

By Fred Fowler

Are you crackerjack sales pro? Can you sell ice in Alaska and sand in the Sahara desert? If so, your neighborhood needs you!

The LVNA pays the cost of printing The Villager by selling advertisements in it. Many local businesses support us and have done so for years, but we still need someone to call on our old customers and develop new ones.

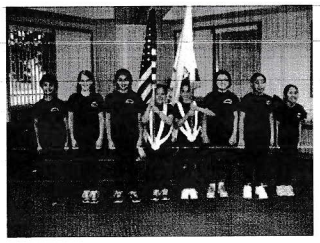

This job pays no salary or commission of any kind – just the satisfaction of knowing how much you've helped your neighborhood. Who can ask for any more than that?

Please contact me if you are interested: Fred Fowler, fmfainc@gmail.com Thanks! ◆

In Loving Memory of Elena E. Anderson
6/14/32 – 12/25/13 by Fred Fowler

"I was very sad to hear of the passing of Elena Andersen. Elena and her husband Mel were the backbone of the LVNA in the 1990s when the future of the association was in doubt. Elena was a fierce advocate for the neighborhood and was instrumental in getting neighborhood issues onto the "radar screen" in City Hall. She made a friend of John Christian, the late Sunnyvale parks and Recreation director for whom the John Christian Greenbelt is named. Together they created programs for Lakewood kids. Elena even got a grant from the City and organized tennis lessons for neighborhood children.

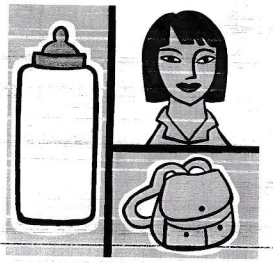

One of the proudest things I did as Mayor of Sunnyvale was to award the Mayor's Special Award of Excellence to Elena Anderson in 2002. Elena's health was starting to decline at that time and her great energy was starting to fade. Unfortunately she ended up in a long convalescence that made her withdraw from neighborhood activities. I know she kept her eye on things, though. She was always there in spirit.

We learned recently that Elena passed away on Christmas Day, 2013 in Naples, Florida. Funeral services will be held at Oak Hill Funeral Home, 300 Curtner Avenue, San Jose, on Friday, June 20th at 11:00 am with gathering afterwards.

We miss her greatly. She will not be forgotten." ◆

Dumpster Day Opportunity

By Fred Fowler

Hello again. Dumpster Day is just around the corner, and the LVNA may have a huge opportunity to kill several birds with the same stone.

Phyllis and I have been working as Dumpster Day volunteers for 19 years now, and every year we see lots and lots of useful things loaded into our Dumpsters and hauled away to the land fill. From time to time we've tried to rescue some of the better items, but it turns out to be difficult to sell them or get rid of them. We've had a "garage sale" in the shopping center parking lot for the past few years, but it only generates about $350 and at the end of the day most of the items end up going into the Dumpster anyway.

This year things might be different! Phyllis found out that ***Goodwill of Santa Clara County*** has a new program. If we make the necessary arrangements with them, they will station one of their (nicer) trailers in a convenient location for us, and if we can fill it they will pay us $1,500 for the goods!

I talked with Mike Fox, the President and CEO of the local Goodwill agency, and he told me that Goodwill needs donations. They need them so much they are willing to pay organizations like us for them. All we have to do is tell them where to put "our" trailer and let them know where to send the check.

If we are going to take advantage of this offer we will need to change the way Dumpster Day works a little bit. We will still have to put the true trash into the dumpsters, but anything that is remotely salvageable should be set aside. We will need volunteers with pickup trucks to drive around and collect things to be given to Goodwill. We will also need people to work with the Goodwill folks to load it all into their trailer.

Mike Fox says this program does several good things. First of all, it really recycles lots of things that otherwise would end up in a landfill. Second, it helps Goodwill in its mission. Third, it puts money into the bank for organizations like us!

How well can it work for the LVNA? Mike Fox said that Cupertino High School had a recycling event recently. They ended up filling the trailer SIX TIMES! They got $9,000 out of the event.

I'm sure that with the kinds of things I've seen going into the Dumpsters we could easily break the Cupertino High School record if we try.

What do you say? Are you up for a challenge like this?

Our neighbor Skip Gottschalk has agreed to coordinate the Dumpster Day event again. Please get in touch with him or with me. We have a few weeks before serious preparations have to begin so we have some time. Think it over! My e-mail address is **fmfainc@gmail.com**

President's Message

(Continued)

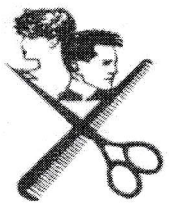

We're printing the names of the people we know of in this edition of the newsletter. If you know of people who should be on the list but got left off by mistake, please let me know! My e-mail address is fmfainc@gmail.com. Send me their names so I can add them in.

I don't want to spoil any surprises, but we are going to be handing out certificates of recognition to our volunteers. These certificates come from some very important people.

If you are a volunteer and we've got you on the list, you really want to be at the meeting this time! You will get the best (Costco) pizza money can buy, along with the best Kool-Aide available ;-) What's more, you will give your neighbors the chance to say "thank you" for all your hard work and for a job well done.

I'll see you there!◆

Parade Preparations

By Fred Fowler

Hello neighbors! It is not too early to start thinking about preparing for our Holiday parade! Things got a little messed up last time, so your LVNA board is starting things off early.

One thing we are thinking about is having more than one band. Fremont High school has done a wonderful job for us for many years and we hope they will be available to lead our parade again this year. With only one band, though, the parade starts off noisy and boisterous but then gets very quiet towards the end of the line. We would like to find other bands to fill the entire spectacle with their holiday music.

Does anyone reading this know of any other bands that we might approach? Does anyone have any connections we could take advantage of? If we want more bands, the time to get on their calendars is now. If we wait too long it will be too late.

If you know of a band we might ask, please let me know. If you are connected to a musical organization that might be interested, please let me know that too! My e-mail address is fmfainc@gmail.com

Thanks! ◆

Wanted: Cool cars for our "Hot August nights" event.

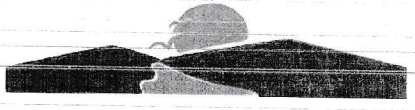

By Fred Fowler

Do you have a classic car? A hot rod? Do you have any kind of car that makes heads turn and people take notice?

The LVNA is working on a a 'Cool Car" event in August. The idea is to combine "Hot August Nights" with "National Night Out". We'll congregate in one of the big parking lots in our neighborhood, provide light refreshments and crafts for the kids, and have a blast checking out all of the classy wheels our neighborhood has.
