Welcome to the LVNA

Villager

The Newsletter of the Lakewood Village Neighborhood Association

Volume 58 Number 7 Circulation: 1,650 July 2014 Sunnyvale, California Editor: Phyllis Fowler

Monthly Meeting: Wednesday, July 9th

At 7:00 pm at the Lakewood Park Building

Our Topic: Dumpster Day, Drought & Lakewood Park

Check out our NEW website: www.lvna.net
And Our NEW Facebook page: Lakewood Village LVNA

Hot August Night August 5th from 5:00pm—8:00pm

President's Message

By Fred Fowler

Greetings Neighbors!

On June 24th the City Council declared a drought emergency in the City of Sunnyvale. They voted to ask citizens to voluntarily cut back on water usage by 15%.

Suggestions by the council were to encourage people to water their lawns only between 6:00pm and 9:00am and to refrain from washing their cars except at commercial car washes (they are required to utilize water saving techniques). According to the Santa Clara Valley Water District, this is the driest rain-year on record and voluntary steps have to be taken now in order to avoid mandatory water rationing in the future.

Come to the Lakewood Park building on Wednesday, July 9th to hear ***Mansour Nasser, The City's Water and Sewer manager***, talk about the drought and its impact on our community. Mr. Nasser will talk about a number of programs, including grants of up to $2000 to replace lawns with drought resistant landscaping. He will bring a number of "freebies" with him, including free low-flow shower heads, flower bed "moisture meters" and other gadgets and tools to make water saving a reality. They will be given out on a "first come first served" basis, so come to the meeting and get them while supplies last!

In addition to the drought information, ***Sunnyvale Parks Supervisor Scott Morton*** will be giving an update on Lakewood Park and the proposed new Branch Library. *(Continued on page 5)*

Dumpster Day Volunteers Needed!

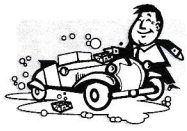

By Fred Fowler

Hi neighbors. Dumpster Day will be **Saturday, July 19th** and we're gearing up for another successful event.

Longtime coordinator ***Skip Gottschalk*** has lined up locations for each of the 19 Dumpster's we'll have that day and he has recruited enough volunteers to staff them all. Many thanks to Skip for doing this important work. It is very true that the 5 "p's" are the key to success. Those 5 "p's" are: Proper Preparation Prevents Poor Performance. Skip has prepared things well. All we have to do is what we already know how to do in order to have another record-breaking neighborhood cleanup event.
(Continued on page 2)

Hot August Nights Preparation

By Fred Fowler

Plans are coming together for our new ***National Night Out/Hot August Nights*** event. We'll be taking over half of the ***Lakewood Shopping Center*** parking lot for a combined car show, band concert and food truck party. It should be a celebration to remember!

We need some specific things to help pull the event off. I would like to know if you are able to help us fill some gaps.

First of all, if you have a car or two you want to show, please go to http://www.lvna.net and sign up!
(Continued on page 8)

Dumpster Day Volunteers Needed!

(*Continued from page 1)*

Having said that, there are still a few details to be worked out. We're doing two new things this year and we need some volunteers to step up in order to cover the bases.

First of all, Goodwill is going to give us two 28 foot trailers to fill up with donations. They will pay the LVNA ***$1,500 for every trailer we fill up***, so we're anxious to do so. Besides, every item that goes to Goodwill will help someone who needs help and will also be kept out of the landfill. What a deal! I'm a little surprised no one thought of this before now.

Goodwill has asked us for help in managing the trailers. Goodwill will have their own people at each trailer site, but they would like us to assign at least one neighborhood volunteer to help with each trailer. Some moderately heavy lifting may be required, so please don't volunteer unless you are reasonably fit. If you are and you want to help, THANK YOU!

Please contact either Skip Gottschalk or me. (My e-mail address is fmfainc@gmail.com, and my cell phone is (408) 505-2813.)

The Goodwill people will be guests in our neighborhood and will be doing us a great service. One thing that Goodwill requests is that we provide a way for their people to take bathroom breaks. The trailer site at the Fairwood School is near some public restrooms, so that will not be a problem. The Lakewood school site is a different matter, though. If you live on Lakechime and you would be willing to open your house to the Goodwill people for this purpose, please let me know. And thanks again.

By the way, we still need people with trucks or vans to take things from the Dumpster sites and bring them to the Goodwill trailers and the garage sale site. We've got two volunteers are present but we could probably use at least twice as many. Once again, if you are interested please let me know.

One more thing, check out http://www.lvna.net for more information about Dumpster Day. There is a special section with the Dumpster map, the locations of the Goodwill trailers, documents describing what is acceptable and what is not, and much more. We'll keep the website up to date with the latest information. If you need information about the event, try the website first!

Thanks ! ◆

Newsletter Walkers Needed for Fairwood Side!

Fred Fowler is looking for a new walker or two. It takes about a half an hour each month.

If interested, please **call Fred Fowler at (408) 505-2813 or email: fmfainc@gmail.com** ◆

 ©2014 Lakewood Village Neighborhood Assoc.

Shelf Stable or Powdered Milk
Mac n Cheese
Canned Tuna, Salmon (low sodium)
Pinto Beans
Pretzels (unsalted)
Nuts (unsalted)
Pasta
Microwaveable Popcorn

President's Message

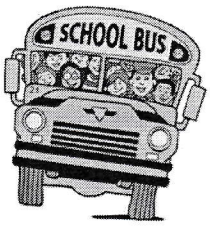

(Continued from page 1)

Every park in Sunnyvale is just about completely renovated once every 18 years and this year is Lakewood Park's turn. Unfortunately, the status of the Branch Library is gumming up the works. The new library is tied up in litigation having to do with the sale of the Raynor Activity Center property, and no progress is possible until the legal challenges are fully litigated. In the meantime, the Parks people face a dilemma. They would like to plan Lakewood Park's renovation, taking into account the final design and placement of the library building. Without knowing where (or even if) the library is to be constructed, they are having trouble planning the rest of the park area work.

Scott Morton wants to describe the situation and ask for our input as to how the City should proceed. There are basically three options: 1) plan and undertake the renovation assuming the library litigation will be resolved quickly and the building will be built as planned; 2) plan and renovate only the western half of Lakewood park at this time; or 3) skip the Lakewood Park renovation this year and do Fair Oaks Park instead, pushing Lakewood back to next year. Each choice has risks, and each choice will impact our neighborhood significantly. Come to the meeting, hear Scott's presentation and then let him know what you think the City should do.

One more thing, the July meeting will be the last meeting before Dumpster Day! All Dumpster Day volunteers are encouraged to attend to take care of any last minute questions or concerns. Don't forget that we will be doing things differently this year – we'll have the Goodwill trailers and the special Furniture garage sale. Come to the meeting to get the latest last minute details. **I'll see you there!** ◆

** School Supplies Drive **

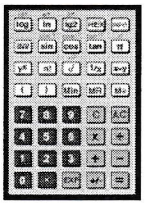

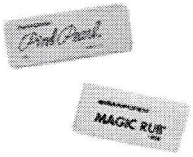

Sunnyvale Community Services is requesting donations of New School Supplies for our low-income school-aged children. Help our client's children to have a great start in school!

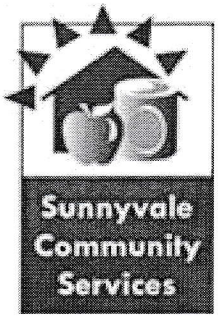

Donations are needed by the First Friday in August!

NEW School Supplies Needed:

Jazz & Beyond Returns!
Entertainment Line-Up for 2013

Every Saturday starting
July 05 - Aug. 23
5:30pm-8:30pm

On Saturdays, **Murphy Avenue** transforms into one big street cafe where you can enjoy a sit down dinner with over 20 restaurants to choose from! What makes this event named by locals as "The Ultimate Dining Experience" is that everyone at your table gets to choose what individual restaurant to serve them taking away that dreaded common dining dilemma of everyone trying to agree on what type of food are we having for dinner tonight! Oh and let's not forget some of the best regional jazz acts to grace "The Ave".

July 05 – Wally Schnalle (jazz fusion)

Hot August Nights Preparation

(*Continued from Page 1)*

There is a special "sign-up" tab on the website where you can put your name and car onto the sign-up list. We need to have sign-ups because we only have room for 60 cars and we want to make sure that neighborhood people get first crack at the available spaces. Go to the website and follow the directions. If you have any difficulty with it, call me!

By the way, http://www.lvna.net has a section full of information about the event. There is a site map showing what part of the parking lot will be used, where the stage will be, where the food trucks and children's crafts will be, etc. Be sure to check it out.

Next, we need to "*cone off*" part of the shopping center parking lot on the day of the event in order to reserve space for the car show participants. It may seem like a little thing, but we need some traffic cones in order to do this! We can rent them from the City of Sunnyvale (at a cost of more than $100), or we can see if anyone in Lakewood Village has any to loan for the occasion.

Does anyone have access to traffic cones we could use? We probably need 10-15 cones or so, although "the more the merrier". We also could use some "caution tape" and/or other tools for blocking off space from normal use. Anything one of you can supply for us is that much less that the LVNA will have to rent or buy to make this event happen. Please let me know! My email is fmfainc@gmail.com and my cell phone is (408) 505-2813.

Another thing we will need is people to help with setup and take-down. Someone will have to set out the traffic cones and ask shopping center customers to park in other areas of the parking lot. As classic cars, hot rods and food trucks arrive, someone will have to show them where to go. When the stage and sound system arrive someone will have to coordinate getting them into the right place. When the band shows up, someone will have to guide them to their proper location and get them onto the stage when it is time for them to start playing.

Likewise when the event is over someone will have to help guide the traffic back out of the parking lot, get the food trucks on their way and get the parking lot back to its "normal" state. There won't be any hard physical work to do but there will be plenty of details to make sure are attended to.

If you can help, please let me know. Thanks! ◆
