President's Message

By Fred Fowler

Greetings Neighbors!

July has been a beautiful month here in Lakewood Village, and August is looking good too! There are some exciting things coming up! We'll be starting out the month with our Hot August Nights party, which is perhaps the most ambitious thing we've ever tried.

HOT AUGUST NIGHTS ALMOST HERE!

By the time you get this newsletter our Hot August Nights super block party will be just days away! I hope to see you all in the parking lot of the Lakewood Shopping Center the evening of August 5th between 5:00pm and 8:00pm. We'll have classic cars, live music, good food and good companionship! It looks like it will be a great time!

The LVNA is taking over half the parking lot of the Lakewood Shopping Center on the 5th. General Manager Stan Yee has given us permission to use his facility for our big event. We've put out a general invitation to Classic Car owners throughout the area to come by and show off their cars! So far we've had some awesome vehicles registered for the event, including a 1947 Studebaker truck, a 1957 two door Cadillac with only 35,000 miles on it, a 1967 Chevelle S/S with a 472 cubic inch 706 horsepower engine, and a genuine 1967 Chevrolet Camaro (in my opinion, the best Camaro ever made). We continue to get sign-ups on our website: http://www.lvna.net.

Dumpster Day Was a BIG Success!

By Fred Fowler

Dumpster Day has come and gone, and the results are starting to come in. Information is still incomplete, but what we have heard so far points to another record breaking event.

According to Jerry Nabhan, General Manager of the Sunnyvale SMaRT station, we filled up **56 Dumpsters** during the event. He said we actually filled up the SMaRT Station recycling floor at one point. As of yet Jerry does not have final tonnage totals, but as soon as he gets them to me I will post the results on our website, http://www.lvna.net

We donated about 8 tons of useable items to Goodwill. The Goodwill volunteer at the Lakewood School site said "*This was the best event we've ever been to. Everything was organized and we kept busy all day. I want to come back next year.*"

Our crew of dozens of volunteers did their usual outstanding job. Special thanks to Skip Gottschalk who organized all of the Dumpster monitors and to John Wanniger & Bonnie Smietanowska (*Continued on page 2*)

(continued from Page 1)

For a complete list of entrants, go to the website and click on the "Hot August Nights" tab.

Cool cars are nice, but what is a party without music? We've got that covered too! We'll have a live band called ***Idol Hands*** that promise to play "dancing in the street" music. We will also have some local Lakewood singers who will entertain us during the band breaks. We'll have a professional sound system and stage for the music acts thanks to the **Sunnyvale Downtown Association and Specialty Solid Waste and Recycling** (The Downtown Association gave us a great deal on the stage and sound system they use for the **Summer Jazz** series and **Specialty Solid Waste and Recycling** has agreed to cover the cost.) Also, special thanks to the **Shell station** in our neighborhood for agreeing to supply the electricity for the sound system.

In addition to cars and music, we'll have crafts for kids, food from food trucks and participating Lakewood Shopping Center merchants, and lots more.

The event is part of the "National Night Out" program sponsored by the National Association of Town Watch. The idea is to have big outdoor parties in neighborhoods across America in order to "Take back the night" from criminals. The LVNA has participated in National Night Out in the past, but always on a small scale. This time we're trying to do the event "big time". We need everyone reading this to stop by on August 5th in order to make the event a success.

By the way, if you aren't busy on the afternoon and evening of August 5th, we could use some volunteers!

We have to set up traffic barriers to keep shopping center customers from parking in the areas reserved for the classic cars. We have to have people directing traffic, so the truck carrying the stage can get to where it is going. We would like to have one or two people patrol the area where the cool cars are parked to help keep everything safe. Finally, we'll have to clean up the parking lot after the event is over and we could use some people to help with that effort too.

If you are interested, please let me know! My e-mail address is fmfainc@gmail.com and my phone number is (408) 505-2813. Please let me hear from you today. Thanks!

PS: August 5th just happens to be Phyllis's birthday! Phyllis has done a great job editing and printing the newsletter you are reading now, and she is also serving as the LVNA secretary. Hot August Nights is Phyllis's idea, so I think it is only fitting that we should all sing "Happy Birthday" to her on Tuesday night. I'll see you there.◆

stopping by our Dumpster locations, picking up donations and delivering them to the Goodwill sites.
Here is a note from the coordinator at Goodwill:

Hi Fred, Good morning.
We have weighed in the donations from last Saturday's event for a total of 16,329 pounds. This will equate to a payment of $2,841.78 to the Lakewood Neighborhood Association. Thank you for all of your efforts in organizing the Donation Drive and ensuring that it was a success!

Many of us (Phyllis and I included) ended up sore and exhausted by the day, but we know it was another job well done. Thanks to everyone who was involved! We'll see you all again next year.◆

...p Put Together a New Daytime LVNA Monthly Meeting!

By Fred Fowler

Ever since I can remember, the date and time of the LVNA's general monthly meeting has been a controversial issue. We've had to balance people's work schedules and other organization meetings (such as PTA) with the availability of the Lakewood Park building in order to come up with a regular, predictable time for our monthly get-togethers. The current "2nd Wednesday of the month" schedule represents a compromise that was worked out years ago.

For a long time we've heard from many of you that the current meeting time just doesn't work for families with young children. Such families ought to be the backbone of the LVNA. After all, who could have a bigger stake in the health of the neighborhood than people trying to raise children here?

You have spoken and we have listened. Our neighbor Dawn Haddaway has agreed to be the point person on setting up this new Daytime monthly LVNA meeting. Let us know if you are able to attend a daytime meeting and which time is preferable. 9AM? 10AM? noon? What kinds of topics and information would you like to see covered at the meetings? Will you have children with you? Will a picnic bench and playground meeting work better or a meeting room?

Please respond to either me or to Dawn Haddaway, **dhaddaway@comcast.net**, give her a call at 408-734-9084 or post your comments on the LVNA Facebook group page!

Also, Dawn invites all interested parties to join her for a kickoff meeting on Wednesday, August 13th at 10:00am in the Playground area of Lakewood Park, near the water feature. Dawn will be there to meet with whoever stops by to talk about possibilities and alternatives. It should be an interesting discussion! Watch our website, **http://www.lvna.net** for updates.

We look forward to hearing from you ◆
