President's Message

By Fred Fowler

Next LVNA meeting: West Nile Virus and Levi's Stadium impact.

Greetings Neighbors!

As many of you may know, the southern part of Sunnyvale is one of the hottest hot spots for **West Nile Virus** in the State of California. The *Santa Clara County Vector Control District* has been sending insecticide fogging trucks through the area on a regular basis in an effort to eradicate the mosquitoes that are spreading the disease.

The disease incubates in a cycle involving mosquitoes and birds. Larger birds such as ravens, crows, magpies and hawks become infected by being bitten by infected mosquitoes. The birds develop symptoms and frequently die from the disease, but not before being bitten by other mosquitoes. Mosquitoes infect birds; birds infect other mosquitoes, which infect other birds, and so on. It is a vicious cycle.

Occasionally infected mosquitoes bite human beings. While most people who get bitten suffer no ill effects, some become deathly ill. Once serious symptoms present themselves, there is little that can be done to treat the disease.

Last month I reported that one of our neighbors found a dead bird that tested positive for the West Nile Virus on the Lakewood side of the neighborhood. There has also been an infected dead bird found on the Fairwood side.

National Night Out/Hot August Nights Was a BIG SUCCESS

By Fred Fowler

Tuesday, August 5th was our first **"Hot August Nights"** car show and it couldn't have gone any better! We had almost 30 of the coolest cars you've ever seen stop by. We had great music provided by *Idol Hands*. Best of all, I met and talked with many of you who I hadn't seen in many years! Lakewood Village really turned out for the event, and that helped make it a very special evening indeed.

Our event was held as part of National Night Out, a nationwide event sponsored by the National Association of Town Watch. The purpose of the event is to get neighbors out or their houses and doing things together once a year. The idea is to "take back the night" from the not-so-pleasant elements in the community and get neighbors to stake a claim in their community. Judging by the number of people who came out last night, our event worked! A great time was had by all.

There are lots of people to thank! Many thanks to:

—The band **Idol Hands** who came and played great music for us just for the asking.

—**Joel Wyrick** of the Sunnyvale Downtown Association who provided the stage and sound system.

—**Specialty Solid Waste and Recycling** and its general manager Jerry Nabhan who generously sponsored the stage and sound system.

—**John Shaw** who helped get the cool LVNA Banner printed and delivered with very little lead time.

President's Message

By Fred Fowler

(*continued from Page 1*)

Like it or not, these two dead birds mean we need to educate ourselves about the realities of West Nile Virus. We need to know what it means for us. We will have a representative from *the Santa Clara County Vector Control District* as our guest at the next LVNA meeting. He or she will give us a presentation about the situation and answer questions about what steps are being planned to deal with it. We will also find out what we should do and how we can help.

We also hope to have an open discussion of the ways we have (or have not) been impacted by traffic from **Levi's Stadium**. There have been several games played there already, so we want to find out how much impact there has been on Lakewood Village.

Finally, if we have the time left we would like to discuss what we should do with all of the money the LVNA currently has. *(See article "Thank God for Such Problems!" on page 4*) Wendy Stanley suggested that we bring back the writing and drawing contest for our neighborhood kids.

What do you think of this idea? Do you have any other ideas you would like to share? Come to the meeting and let us know.
It should be an interesting evening! I'll see you there! ◆

Backpack Day a Big Success!

Sunnyvale Community Services had a record turnout last week for their annual **Backpack Day**! This year they gave out 1,300 new backpacks packed with grade-appropriate school supplies and $25 Payless Shoe gift cards to Sunnyvale children eager and excited to start the new school year. *Sunnyvale Community Services* are grateful to all who volunteered their time preparing and helping at the event, along with the many individuals, groups and organizations that made financial donations. We are particularly grateful to the **San Jose Sharks Foundation** and the **Sereno Group Los Altos** who each donated $25,000 to the drive. ◆

National Night Out/Hot August Nights Was a BIG SUCCESS

By Fred Fowler

—Lakewood Shopping Center General manager **Stan Yee** who gave us permission to use the shopping center parking lot.

—Mona's Fruits and Food catering truck who supplied great fruit cocktails, hot dogs and tacos.

—Allstate Insurance, Instyle Salon, Curry Bhavan Indian Restaurant, Stevens Philly Cheesesteaks, Lakewood Dentist, Tasman Square Dentist, and City101 for supplying bags and discount coupons as "thank you" gifts for the classic car drivers.

—United Site Services and **A Tool Shed** for giving us deals on the rental of a porta-potty and 30 traffic barricades.

—Lakewood Shell Station for allowing us to power the sound system from their electrical outlets.

—The Sunnyvale Amateur Radio Emergency Service (SARES) for helping direct traffic, check in classic cars, perform safety patrols and break down the site after the event was over.

—The Sunnyvale Department of Public Safety for supplying a fire truck, two motorcycles and a number of uniformed officers for the event.

—LVNA board members Dess Tamez, Wendy Stanley and Pat Muniz for their tireless work to help nail down a myriad of event details.

—LVNA board secretary Phyllis Fowler who had the idea for "Hot August nights" in the first place.

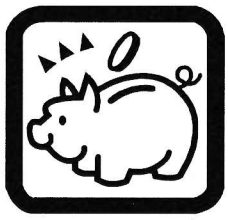

—Special thanks to **Eli Haddaway**, son of Dawn Haddaway, for his hard work helping to set things up at the beginning of the event and to clean things up at the end.

—Very special thanks to **all of the owners of all of those great cars!** Thanks for bringing them out for the rest of us to enjoy! We got lots of cool pictures of the event (and even a video). To see them, check out our Facebook Group page: Lakewood Village LVNA.

Many of the car owners told us that they loved the event and wanted to bring their friends next year. They seem to feel we should make this into an annual event. What do you think? This year was an experiment. Do you think we should make this into a regular part of our LNA traditions?

Please send me your thoughts at fmfainc@gmail.com. Better yet, come to our next LVNA meeting and let me know! I'll see you there! ◆

Thank God for Such Problems!

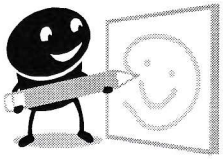

By Fred Fowler

The LVNA has more money in the bank right now than we've ever had before! When I was president in 2010-2011 we barely had enough cash to pay for printing the newsletter. Now we have more than $5,000 in the checking account! The question is what should we do with it?

There are two reasons the LVNA is so flush. First, in 2010 we bought a big HP 5500 color printer and started printing the newsletter ourselves. We've had some glitches and challenges along the way, but it cut our printing costs in half. We used to pay $423 per month to have a 6 page newsletter printed in black and white. It now costs us $200 less per month to print a 6 to 8 page newsletter in color. After 4 years the savings have added up.

The other reason we have money is our successful *Dumpster Day Goodwill Donation Drive*. We gave so much to **Goodwill** that we ended up filling up almost two of their trailers. We earned more than $2,800 in that one day.

Now that we have all of this money, the question is what to do with it all? We're a not-for-profit organization meant to serve the needs of the neighborhood. We should put this money to use for a few worthy causes.

Years ago we sponsored "Writing and Drawing" contest for neighborhood kids. The winners got US Savings Bonds and we published the entries in the newsletter. We also sponsored tennis lessons and helped some kids attend science camp.

What should we do now?

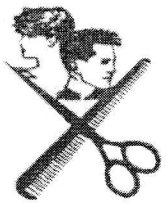

Years ago we sponsored a "Writing and Drawing " contest for neighborhood kids. The winner got a $25.00 US Savings Bond and we published the entries in the newsletter. We also sponsored tennis lessons and helped some kids attend Science Camp. What should we do now?

It has been suggested that we hold the Writing & Drawing contest again. If you have any ideas, please let me know! Come to our regular LVNA meeting on September 10th and let us know. Also, you can send your ideas to fmfainc@gmail.com, or post them on our Facebook group page: **Lakewood Village LVNA.**

I'll put the best ideas on the LVNA website for us all to discuss. The website is **http://sss.lvna.net** .
