## President's Message

*By Fred Fowler*

**Greetings Neighbors!**
The news about the current rainfall season is none to good right now. The Sierra snowpack is only 25% of its average water content for this time of year, and for the first time since such records started being kept there was no rainfall in San Francisco for the entire month of January.

Even though things have been dry, we all know that it doesn't take much to cause flooding in Lakewood Village. Just last month we had such a big storm that we had standing water in many of our streets. At one point the water was up over the curb along the entire lower length of Lakebird Drive (where I live). Similar high water occurred on Meadowlake, Lakechime and around Lakewood School. We all know that much of Lakewood Village lies in the "100 year event" floodplain, and we must pay for flood insurance as a result.

There is a project in the works, however, to change that. The ***Santa Clara Valley Water District*** has a plan on the books to renovate the Sunnyvale East flood control channel. This channel runs along the western edge of Lakewood Village and provides drainage for storm water runoff. When this channel gets renovated it will remove almost all of our homes from the 100 year event danger zone. Flood insurance will no longer be needed. Needless to say, we're all anxious to see this renovation work done.

## Election time!

*By Fred Fowler*

Hello again neighbors. February marks the end of the LVNA's "fiscal year", and with the upcoming meeting we'll be closing out the work of the current Board of Directors. It has been quite a year! In addition to holding most of our traditional events, we created a new one (the Classic Car Show) and completely re-thought another one (Dumpster Day cooperation with Goodwill). The 2014 board did an excellent job, and we all owe them our thanks.

Next month marks the beginning of our new year, and the first order of business will be to elect a new LVNA board. There are five offices: President, 1st Vice President, 2nd Vice President, Secretary and Treasurer. Each office has a three year term limit – no one can be elected for more than three consecutive terms before having to step aside.

## Newsletter Walkers Needed for Lakewood Routes!

There are 2 routes that need to be filled on the Lakewood side. The first route is all of Velvetlake; the second is the back half of Lakewood Drive from Meadowlake to Lakehaven. It takes about 1/2 an hour to walk a route and you get the benefits of meeting your neighbors, getting landscaping ideas, and, best of all, fresh air and exercise.

It's only once a month, usually the 1st or 2nd weekend. If interested, please call Wendy at (408)745-1331 ◆

## Election time!

*By Fred Fowler*

Four of the current officers are just finishing their first term.
They are:
Phyllis Fowler — Secretary
Dess Tamez — Treasurer
Pat Muniz — 2nd Vice President
and me — President

I've asked them if they are willing to serve another term, and everyone (so far) has said they will stand for re-election.

That leaves just one more office to take into account. Unfortunately, our fine 1st Vice President has reached the end of her third term. Wendy Stanley, our 1st VP, has done a great job for three years! It is time for someone else to step in. I'm looking for someone to rise to this challenge.

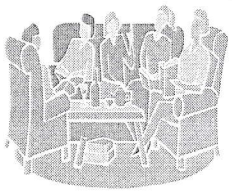

Would you like to do a little work on behalf of your neighbors? Do you care about Lakewood Village enough to step in and help preserve the LVNA and its traditions? Do you think our neighborhood is worth these efforts? If so, then THE LVNA NEEDS YOU!

Please contact me for more information about the role of 1st Vice President. If you are really interested we'll publish your name as part of a list of nominees for the March elections. If you are thinking about taking on the job but are not sure, please come to the March meeting anyway. You may throw your hat into the ring at any time up until the votes are cast.

Lakewood Village is a big place and I know there is someone out there who will step up. There has always been someone there when he or she has truly been needed by the neighborhood. I'm sure that this time it will be the same.

Whoever you are, I want to say "Thanks" in advance for volunteering. I look forward to working with you. 2014 was a banner year for the LVNA, and I'm sure that 2015 will be even better! Let's make it happen together.

## President's Message

(Continued from page 1)

Come to the Lakewood Part building on Wednesday, February 11th at 7:00pm and listen to a representative of the ***Santa Clara Valley Water District*** give us an update on the status of the project. According to the original plans the project was supposed to get underway in 2014. We're anxious to hear when this work will get started and how long we'll have to live through the construction period.

We've also asked the Water District to give us an update on the work happening on the Calabasas Creek at Wildwood Avenue. For those of you who may not know it, Wildwood Avenue has been reduced to a single lane where it crosses the creek. Temporary traffic lights have been installed to let westbound traffic through the lane, then to stop it so that eastbound traffic can pass. It is a big inconvenience for Lakewood Villagers who wish to visit the Mercado center, and so far no one has told us anything about what is going on. We've asked the Water District to let us know what is being worked on, why it is being done and how long it will be before the work is finished.

It should be a very interesting presentation. I'll see you there!

## Winter Break Camps

**When: February 17 – 20**
**Where: Columbia Neighborhood Center**
**Time:**
**Grades 1 – 5 from 8:30 am to 3:00 pm**
**Middle School from 9:00 am to 3:00 pm**
**Cost: $30 for the week, and extended care is $12 for the week (1 day or all 4, same price)**

CNC is hosting Winter Break camps for students in the CNC service area as defined by their school assignments to Bishop, Fairwood, Lakewood, San Miguel, or Columbia schools. Parents must bring proof of address when registering. Camps are limited. Extended care is available until 5:30 p.m.

Sign-ups for both camps start Tuesday, February 3rd at 8:30 a.m. at CNC. Flyers are available at the local schools.

**For grades 1 – 5**, camp will be led by the YMCA staff and will include recreation, healthy living and environmental activities. There will be a special component of the HITS tennis program (Honesty, Inspiration, Teamwork and Sportsmanship) which teaches character development through tennis.

**Columbia Middle School students** can attend Teen Technology Camp, run by Learning Tech. This hands-on camp is about robotics, coding and engineering for those in grades 6 – 8. ◆

## Reading Partners Needed For Lakewood School

*By Pat Boyle*

Do you have 1 or 2 hours a week to volunteer to read with a student in grades 2 - 5?
There are 40 students are waiting for help!

*Reading Partners* has sessions 2 days a week, and 10 students need 1 more volunteer reading hour each week until May. Do you have time to help local kids?

*Reading Partners* is a non-profit organization in 4 other Sunnyvale schools (and 16 more in Santa Clara County) which provides reading tutors with each lesson; with these lessons, kids catch up with their classmates-- on average a student improves 1.5 months with each month of tutoring.

This is my second year to tutor, and I really enjoy seeing the kids improve in reading and confidence each week! I read for 10 minutes, tutor for 30 minutes, and help the student choose a book to take home. Same time and same student each week. Can you come to Lakewood School and help a student? More info at www.ReadingPartners.org .
Lakewood is a Silicon Valley school. ◆
