Dumpster Day is July 18th
Hot August Night—August 4th

President's Column

-Fred Fowler

Greetings neighbors!
It is July again, and we all know what that means: **Dumpster Day!** Mark your calendars for **Saturday, July 18th**. That will be the day when we hold our annual neighborhood cleanup.

Once again, longtime Dumpster coordinator **Skip Gottschalk** has lined up locations for the 19 debris boxes we will have. Skip has also recruited enough volunteers to staff them all and keep inappropriate things out of them. Thanks to Skip for doing this important work.

Specialty Solid Waste and Recycling will deliver the dumpsters starting the afternoon of the 17th. While the event doesn't technically start until the morning of the 18th, some volunteers may choose to open their dumpsters on Friday afternoon to accommodate people who have to work over the weekend. Please see the map we've included and check with the dumpster monitor for details.

This year we will once again be hosting Goodwill trailers as part of our Dumpster Day event. Goodwill will station two 28 foot trailers in the neighborhood once more to accept small donated items. One will be in the parking lot of the Fairwood School at the corner of Sandia and Fairwood Avenue. The other will be in the Lakewood School parking lot near the baseball diamond along Lakechime drive. Last year we filled up both trailers for a total of **eight tons** of donated items. I hope we do even better this year.

One difference between Dumpster Day this year and the event last year will be that we've made special arrangements

The LVNA Has A New Printer

By Fred Fowler

As you read this edition of ***The Villager***, you may notice that the type face looks crisper, the colors brighter, and the overall quality of the printing looks much better. If you are wondering why, it is because the LVNA has purchased a new Konica-Minolta color printer!

Back in 2010, the neighborhood association got a grant from the City of Sunnyvale to acquire an HP 5500dn color LaserJet. We got the grant because it was costing us about $425 per month to have our 6 page black and white newsletter printed by a local print shop. Getting our own printer let us print a color version of the publication for roughly half the prior cost. Over the past 5 years our workhorse HP has paid for itself many times over and delivered almost 60 editions of ***The Villager***.

with Goodwill to take **furniture** as well as smaller items. The furniture **will not** go into the trailers. Instead, Good-will will send a **special truck with a lift gate** to pick up usable furniture at the end of the event on Saturday. The two pick up locations will be the Fairwood and Lakewood School parking lots, near where the trailers will be.

Goodwill has asked us for help in managing the trailers. Goodwill will have their own people at each trailer site, but they would like us to assign at least one neighborhood volunteer to help with each trailer. Some moderately heavy lifting may be required, so please don't volunteer unless you are reasonably fit.

The Goodwill people will be guests in our neighborhood and will be doing us a great service. One thing that Goodwill requests is that we provide a way for their people to take bathroom breaks. The trailer site at the Fairwood School is near some public restrooms, so that will not be a problem. The Lakewood school site is a different matter, though. If you live on Lakechime and you would be willing to open your house to the Goodwill

By the way, we still need people with trucks or vans to take things from the Dumpster sites and bring them to the Good-will trailers. We've got one volunteer are present but we could probably use a couple more.

One more thing, check out **http://www.lvna.net** for more information about Dumpster Day. We'll keep the website up to date with the latest information. If you need information about the event, try the website first!

If you are interested in helping out with any of the above needs, please contact either Skip Gottschalk at (408) 746-3741 or me. My e-mail address is **fmfainc@gmail.com**, and my cell phone is (408) 505-2813.◆

The LVNA Has A New Printer

(Continued from page 1)

Unfortunately, our HP color printer has gotten old. It was a used machine when we bought it and it is now more than 10 years since it was new. The machine has been cranky lately, making it a challenge to get the newsletter out on schedule. The time finally came to put it out to pasture and get a new model.

We found a good deal on eBay for a used Konica-Minolta Bizhub C353 color printer/scanner/copier. We took delivery in the last week of June, and this is the first edition of ***The Villager*** we've produced with it. Phyllis and I are thrilled, partly because this new machine is so much faster than the old one. It took the better part of 3 days to print our newsletter on the old HP. It looks like our new printer will do the job in about 8 hours. In addition, the toner is cheaper too, saving the LVNA even more money than the HP did.

If anyone wants our used HP 5500dn, please contact me at fmfainc@gmail.com. There is also a used black and white Konica-Minolta Bizhub printer we will be getting rid of. If someone from the neighborhood is interested, please let me know ASAP. If no one expresses interest, they will both go to Goodwill as part of our Dumpster Day donation.

Please let me know. Thanks!

Police Blotter

nixle

Aggravated Assault –
700 Blk. N. Fair Oaks 5/26 @ 9:30 pm
Officers responded on a report of a large group fighting in a parking lot. Upon arrival, the participants had fled the scene but officers were able to stop some participants in the area. It appeared to be a gang related incident in which bats and tire irons were used as weapons. A subject with a significant head injury was located at a local hospital later in the evening. Detectives are continuing the investigation. .

Residential Burglary – 800 Blk. San Junipero 5/29 between11:20 – 11:30 am
Unknown suspects entered the residence via an unlocked front door and stole electronics and jewelry. The suspects fled when they were observed by a neighbor.

Vehicle Extrication – Lawrence & Tasman 6/1 @ 7:45 pm
DPS personnel responded on a collision involving a vehicle that had rolled-over. Fire personnel stabilized the vehicle and cut open the roof to extricate the occupant.

Hazardous Materials – 1300 Blk. Kifer 6/4 @ 1:37 pm
A transport driver reported a sound coming from a bucket of lithium batteries he was transporting. The DPS Hazardous Materials team responded and determined a chemical reaction was occurring in the bucket and the chemicals were venting. The Haz Mat team determined there was no risk to the public, mitigated the hazard from the transport vehicle, and contained it within the bucket of origin.

Robbery – 1063 Morse 6/6 @ 2:30 am
As the victims were getting out of their car in the parking lot of the apartment complex, they were approached by an unknown suspect who pointed a gun at them and demanded jewelry and money. The suspect removed jewelry from the victims and left the area on foot.

Aggravated Assault – 1200 Blk. Lawrence Station Rd 6/6 @.1:12 pm
Two suspects confronted the victim regarding an altercation they were involved in a couple of years ago. The suspect pulled out a knife and threatened to stab the victim. The victim sprayed the suspect with mace and the suspect and accomplice fled on foot. Officers located the suspect and accomplice in the area and they were both arrested.

Residential Burglary – 1225 Vienna 6/11 @ 11:20 am
Unknown suspect entered a residence by cutting the screen to a window that had been left open. The suspect was confronted by a resident who had been sleeping in a bedroom. The suspect fled out the front door. It did not appear anything was stolen from the residence. ◆
