President's Column

-Fred Fowler

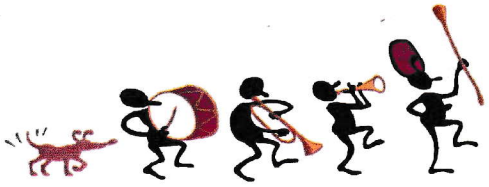

Greetings neighbors.

Have you noticed that there has been quite a bit of road work going on lately? We've had quite a number of Lakewood Village streets and avenues repaved and resurfaced during the past few months. The same is true for many of the other streets in Sunnyvale, with thoroughfares such as Reed Avenue, Arques, Kifer, and others undergoing major maintenance or repair.

Road work produces welcome results but forces us all to live with short term disruptions before the benefits are realized. The work on our neighborhood streets disrupts us for a few days (or a few weeks). We learn to adjust. For example, I took to leaving the Lakewood side of the neighborhood each morning by getting on Lawrence Expressway at Lakewood drive during the time PG & E was working on Lakehaven Drive.

As readers of The Villager know, there is a plan in the works that could provide great benefit to us, but only after we live with a severe disruption that will last, not for weeks but for years. I'm speaking of a proposal to lower Lawrence Expressway below grade and make the intersections at Kifer, Arques and other streets into over crossings. The result will be much more efficient from a traffic flow point of view. To undertake the construction and get that efficiency it will be necessary to close parts of Lawrence expressway for the better part of 36 months.

Sunnyvale: Lakewood Village Holiday Parade celebrates 24 Years

Neighbors, families and friends be ready to line the streets Dec. 6th to celebrate the 24th anniversary of a treasured Sunnyvale tradition, the Lakewood Village Holiday Parade.

The only parade of its kind in the city, the event will kick off at about 11 a.m. at Lakewood Elementary School, 750 Lakechime Drive, led by the Fremont High Marching Band. The parade will turn left on Meadowlake, and then turn left onto Lakehaven. It will cross Lawrence Expressway to Sandia and continue until it reaches Fairwood Park. At Fairwood Park, where Santa will greet children and cookies and hot chocolate will be provided.

Students from the Kids Learning After School program will also pass out candy and collect new, unwrapped toys to donate to Sunnyvale Community Services.

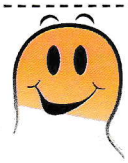

Please be aware the this route will be closed to traffic for about an hour. ◆

President's Column

(Continued from page 1)

If you are concerned, you are not alone. This proposed project has the potential to affect daily life in the neighborhood for years to come.

Please mark your calendars and come to the Lakewood Park building at **7:00pm on Wednesday Night, October 14th.** The LVNA will be welcoming representatives of ***the Santa Clara County Roads Department*** to give us an update to the project plans and the possible timing of the work. They will provide information on the plans for the future of Lawrence Expressway, as well as let us know about the schedule and duration for the current road work that many of us have noticed.

(We wish to that the office of Supervisor Dave Cortese for arranging this presentation.)

So if you are interesting in getting details about this impending project, please stop by the meeting on the 14th. It should be a very interesting presentation.

I'll see you there! ◆

Home Safety Tips:

- Locking your windows and doors, including sliding glass doors, and setting your alarm significantly reduces the chance of your home being burglarized.
- When moving into a new house or apartment, re-key all of the locks; this decreases the chances of someone accessing your home. If you are renting, ask the owner if the locks have been re-keyed. If not, ask if you can.
- Keep your yard as clean as possible. Maintain shrubbery to avoid concealing windows or doors, thus eliminating hiding places and areas of your home that may be easily accessible.
- Make a list of valuables with serial numbers, descriptions, and even photos. This can be beneficial in identifying items in the event that they are ever stolen and recovered.
- Join or start a neighborhood watch program. These programs promote getting to know your neighbors and their regular patterns so that each member will be able to report activity that appears suspicious and out of place. ◆

Halloween Safety Tips

Halloween is an exciting time of year for kids, and to help ensure they have a safe holiday, here are some tips from the American Academy of Pediatrics (AAP).

ALL DRESSED UP:
Plan costumes that are bright and reflective. Make sure that shoes fit well and costumes are short enough to prevent tripping, entanglement or contact with flame.

When shopping for costumes, wigs and accessories look for a label that clearly indicating they are flame resistant.

Consider adding reflective tape or striping to costumes and Trick-or-Treat bags for greater visibility.

Because masks can limit or block eyesight, consider non-toxic makeup and decorative hats.

Have flashlights with fresh batteries for all children and their escorts.

ON THE TRICK-OR-TREAT TRAIL:
A parent or responsible adult should always accompany young children on their neighborhood rounds.

Only go to homes with a porch light on and never enter a home or car for a treat!

Remain on well-lit streets and always use the sidewalk. Pedestrian injuries are the most common injuries to children on Halloween.

Never cross between parked cars or out driveways.

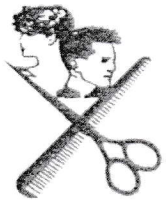

Stay in a group

Carry a cell phone for quick communication

Don't assume the right of way. Motorists may have trouble seeing Trick-or-Treaters. Just because one car stops, doesn't mean others will!

Wait until children are home to sort and check treats. Though tampering is rare, a responsible adult should closely examine all treats and throw away any spoiled, unwrapped or suspicious items. ◆
