Monthly Meeting Wednesday, January 13th

At 7:00 pm in the Lakewood Park Building

This month's Guest:
Sunnyvale Public Safety

President's Column

-Fred Fowler

Greetings Neighbors!

The holidays have come and gone and Lakewood Village has been blessed with rainy weather. After a long dry spell that has lasted several years, it looks like Mother Nature is doing something to rescue our dying lawns and our thirsty roses. I'm afraid I prefer sunny weather and I don't like this cold, dark, rainy time of year. Still, one can't enjoy the warm sun as much if one doesn't get to experience its absence once in a while. Luckily, it won't be long before Spring is here again.

February is famous for a number of events of its own. We'll soon have Groundhog Day, Valentine's Day, President's day (celebrating both presidents Lincoln and Washington who were born in February) and Mardi Gras in New Orleans. We'll also have another uniquely American special event: The Super Bowl.

We'll all become very aware of the Super Bowl this time around, even if we are not necessarily fans of Professional Football. We won't be able to avoid it because it will be literally happening on our front door step. On that special Sunday in February, our area will become the focus of the entire sporting world as the Super Bowl is played in Levi Stadium, just a short walk from Lakewood Village. Walkers Needed!

Start the new year out right by committing to a walk once a month delivering newsletters.

I have two routes in need of walkers. The first route is all of Twinlake. The second route is the back half of Lakewood, from Meadowlake to Lakehaven.

If interested in either of these routes, please call **Wendy Stanley at 408-745-1331.**

2015 LVNA Parade Video!

*(I saw this on the **Nextdoor** page for Lakewood Village from one of our neighbors. Thank you Molly!!)*

I had asked my friend if he'd come out & do a YouTube video of our parade. This was the first time my dad's ever seen the parade as a result. If enough people enjoy the video he may do it again next year, this is good especially for those who work the day of or slept in. Here's the link to his channel: **www.youtube.com/nachotv**

President's Column

(Continued from page 1)

How big will the event be? The City of San Francisco is expecting more than a million visitors who will partake in all of the pre- and post-game festivities.

There will be parties, receptions, press conferences tours, and all manner of activities celebrating the sporting event. There will also be many disruptions for people nearby to deal with. As I write this, the NFL has already confiscated a number of youth soccer fields near Levi's Stadium to create a "media center" for all of the TV trucks and reporters that are expected. The soccer kids are not happy and are suing the league to get a place where they can play their games.

Would you like to find out more about how the Super Bowl will affect Lakewood Village?

Come to the LVNA meeting at 7:00pm on Wednesday, January 13th in the Lakewood Park building. The LVNA has asked the Sunnyvale Public Safety department to give us a briefing on what will be happening and what to expect.

The impact the Super Bowl may have on the area ranges from greatly beneficial to potentially tragic. The hospitality industry (hotels, restaurants, taxis, etc.) should get a large shot in the arm. Those of us who drive family cars may see some of the worst traffic we've ever experienced. In addition to these inconveniences, we may face real danger as the Super Bowl is the kind of event that may attract terrorist attacks.

The LVNA invites everyone to come to the next general meeting to get information on what to expect. It should be a very useful meeting to attend.

Please be there!

Urban Forest Talk

Where: Sunnyvale Library (665 W. Olive Ave
When: Monday, January 25th
Time: 7:00 PM

Join SUFA (Sunnyvale Urban Forest Advocates) for an interesting and enlightening evening as to the wonders and care of our urban forest!

Rhonda Berry, Founder and President of Our City Forest in San Jose, will speak at the first of several talks about the urban forest sponsored this year by SUFA. Ms. Berry has been working in San Jose for the last 20 years helping to promote and care for the urban forest in her city.

Her topic for the evening is "Trees and the Drought: A contradiction in terms?" Not at all! She will explain how trees actually help during a drought! One will find out why it's important to plant trees during a drought, how to select the "right tree for the right place" and how to care for young and mature trees during a drought. ◆

2016 Poverty Simulation

Date: Friday, February 5, 2016
Time: 8:30 AM - 12:30 PM
Location: Sunnyvale Presbyterian Church
728 Fremont, Sunnyvale

Participants in this unique event view poverty from different perspectives in an interactive and experiential setting. Role-play the lives of low-income families, from single parents trying to care for their children to seniors trying to maintain self-sufficiency on Social Security.

Following the role-play, participants and low-income volunteers reflect upon their experiences, share their insights, compare these with the reality of poverty today in Santa Clara County and learn about next steps to cut poverty in our community.

This event is free and open to the public. If you would like more information, please contact Jay Pecot atjpecot@svcommunityservices.org or 408.636.7053. ◆

Flood and Storm Safety

By Phyllis Fowler

Lakewood Village in the past has had flooding issues. I have seen Lakebird and Silverlake flooded several times from the storm drains backing up. We have also seen flooding on the Fairwood side from Calabasas creek. Until the work is finished on the West side creek, we will continue to be a high risk flooding area. Here is some helpful information I got from the Sunnyvale.ca.gov website.

Living in the Flood Zone

There are many considerations to living in a flood zone.. Some things you can do to protect yourself and your property are:

Develop an emergency plan and acquire supplies which may be needed in event of a natural disaster such as flooding, earthquake, or major water outage. Know how to shut-off the electricity and gas if needed.

Who Should I Call to Report Storm Hazards?

Emergencies:	9-1-1
Clogged Storm Drain or Local-ized Flooding:	408-730-7400
Downed Trees or Tree Limbs:	408-730-7506

How Can I Prepare for Wet Weather?

- Develop an emergency plan.
- Put together an emergency supply kit.
- Store drinking water in closed, clean containers (One gallon per person per day for at least three days).
- Know how to shut-off the electricity and gas if needed.
- Make proactive changes to protect your property
- Raise electrical panels, installing sewer backflow devices.
- Be aware of low-elevation spots that could flood.

Where can I get Free Sandbags?

Sunnyvale Corporation Yard,
221 Commercial St.
(at end of California Street)
7:30 a.m.- 4 p.m., Monday-Friday,
until April 1st

- 10-sandbag limit (unless special circumstances)
- Residents must show a valid ID with Sunnyvale residence.
- Filled and unfilled bags are available. Bring a shovel to fill empty bags.

What if My Home Floods During a Storm…

- If water has entered a garage or basement, do not walk through it.
- If you are asked to leave your property, disconnect all electrical appliances.
- Tune to local radio and TV channels for emergency advisories and instructions.
- Avoid downed power lines and broken gas lines.
- **Do not drive through standing water!**

Additional Precautions

Help keep storm drains and waterways clean: report illegal dumping at 408-730-7270.

Flood and Storm Safety

(Continued from page 4)

What if My Home Floods After a Storm…

- Avoid direct contact with floodwater.
- Just 6 inches for moving water can knock you down!
- Follow local instructions regarding the safety of drinking water.
- Do not use fresh foods or canned goods that have come in contact with flood-waters.
- Flooded buildings should be pumped out, disinfected and dried as quickly as possible to prevent mold.
- **DO NOT** turn gas back on yourself. **Call PG&E at 800-743-5000.**
- **Do not handle live electrical equipment in wet areas!!!**

Living in the Flood Zone

Flood insurance is required for all properties within a Special Flood Hazard Areas (SFHA). A large portion of the Lakewood side falls under the "High Risk for Flooding" zone. (including my house). This means homes with federally regulated mortgages are required to have flood insurance. However, renters, commercial property owners and properties outside of the SFHA can also purchase flood insurance. Remember standard property insurance does not cover flood damage losses. There is a 30 day waiting period before flood insurance goes into effect. If you are interested in buying flood insurance, contact your insurance agent and they can help you.
