Monthly Meeting Wednesday, February 10th

At 7:00 pm in the Lakewood Park Building

This month's Guest:
Sunnyvale Community Services and Reading Partners

President's Column

-Fred Fowler

Greetings Neighbors!

By the time you read this, the Super Bowl will be over. With luck, all of the disruptions it brings will things of the past and we will all have survived. After our day in the national limelight, things can get back to normal and our neighborhood can again focus on important things closer to home.

One important thing about Lakewood Village is the fact that there are two fine schools in our neighborhood, one on the Lakewood side and one on the Fairwood side. This month our February general meeting will focus on two initiatives centered on those schools.

First of all, *Lakewood School and Sunnyvale Community Services* (*SCS*) are partnering on a new food program for North Sunnyvale. The SCS will be opening and running a new food distribution point at the Lakewood School to make it easier for North Sunnyvale residents who can't travel easily to get access to SCS's nutrition programs. We've invited a representative of the program to come and present the details for us. By the way, they will also be describing volunteer opportunities for Lakewood residents who want to help distribute the food. It should be very interesting.

Second of all, the LVNA has been contacted by the "Reading Partners" program. *Cont. on Page 2)*

LVNA Opportunity

March is the time to elect new LVNA Board members. I hope that there are more Lakewood residents that would like to get involved in the coordination of the LVNA events.

If you wish to become involved in supporting your neighborhood and would consider being nominated for a LVNA Board position, please contact any of the LVNA Board members. Send an email to sunnyphyl@gmail.com or drop a note at 921 Lakebird Drive. **LVNA Board elections will take place at the March 9th meeting**.

President's Column

(Continued from page 1)

Reading Partners is an AmeriCorps program that puts domestic "peace core" type volunteers into schools to help with literacy programs. The Reading Partner people provide tutoring and other services to help kids get the most out of their formative educational experiences. They would like to visit the LVNA, talk about their mission and perhaps recruit some neighborhood volunteers to help.

They say it is better to light a candle than to curse the darkness. Now that the artificial hoopla of the Super Bowl is over we need to get back to focusing on some important realities. In our wonderful community there are still people who are hungry and kids who need help learning to read. Let's come to the LVNA meeting at the Lakewood Park building on Wednesday, February 10th at 7:00pm and learn what we can do about it. We can't solve these problems, but we can do something to help! As long as we try, we can make a difference.

I'll see you there. ◆

Changes at Instyle Salon

A Review by Phyllis Fowler

For those of you who have not visited Instyle recently, Lynh has a new manicurist!

Her name is Tina. She has twenty years' experience in doing nails. She owned a salon in San Jose and is now working Lynh.

I went there on Wednesday and had a manicure and pedicure. Tina did a very nice job. Lynh has a new line of gel polish that has the matching color for your feet! This time I decided to try two of the new colors, a bright pink on my toes and a red for my hands. (*Next week I will get my toes the matching red, I like it better.)* One of things I love about the gel polish is that it lasts two weeks and still looks good.

If your haven't been to Instyle lately, come on down and meet Tina and receive a free gift. Better yet, get your nails and hair done!

Instyle is open Monday through Saturday, from 10:00am to 7:00pm. Call for an appointment at (408) 734-2035. Walk-ins are also welcome. ◆
