President's Column

-Phyllis Fowler

Greetings!
Please come to the Lakewood Park building on Wednesday, March 8th to take part in the next general meeting of the LVNA. The meeting will start at 7:00pm, and it is an important one!

The first order of business will be the annual election of our officers. The LVNA bylaws stipulate that the organization will be governed by a committee of **five** people serving in different capacities. There is a **President**, who bears overall responsibility for the association. There is a "**1st Vice President**", who presides if the president cannot and also is responsible for overseeing publicity for the association. There is a "**2nd Vice President**" who presides if both the president and the **1st Vice President** cannot and chairs something called the "Grievance committee". There is a "**Secretary**" who keeps the records of the organization, and there is a "**Treasurer**" who handles the money and keeps the organization's books. Each officer serves a one-year term after being elected, and no one can serve as an elected officer for more than three consecutive terms.

The board will also need to bill and collect from the newsletter advertisers. The money collected helps to pay for printing the newsletter and paying for the different events we have in the neighborhood.

This year we will have a bit of a challenge. The LVNA currently has a president (me), a 2nd vice president (Aubrey Tamez), and a treasurer (Fred Fowler). We have had not had a 1st vice president or Secretary for some time. Fred volunteered to be treasurer only so that could continue as a board,. Fred and I are finishing our third term on the LVNA board and must step down. Aubrey will also be stepping down.

Fred has been busy with his business and it had fallen to Aubrey and I to run the board, meetings and events. As it turns out; the LVNA board cannot function with just two officers. The Bylaws (which serve as the LVNA's "constitution") require that board meetings must have a minimum of three officers present in order to conduct business. If we don't have three elected officers, we can't make any decisions legally. Without three officers, we won't be able legally to print this newsletter, organize Dumpster Day, apply for city grant funds, or engage in just about any other activity.

I am also stepping down from being the editor of the Villager. It will be up to the new board and editor if the newsletter will continue.

We need some new blood to serve on the LVNA board! **If no one volunteers to be on the board, the LVNA will cease to exist!**

As of this date, no one has expressed an interest to serve on the board. I ask YOU to think about it! The main commitment you would have to make is to attend and run the LVNA board meetings, which happen once per month. Other than that, the amount of time and energy you will have to contribute is completely up to you.

Over the years the LVNA has made a big difference for our neighborhood. From the graffiti wars of the 1990's to the picnics, Dumpster Day and parades, the LVNA has contributed a great deal toward making Lakewood Village a wonderful place to call home. The neighborhood needs the LVNA. And now, the LVNA needs you.

If you are interested in running for the LVNA Board or Editor, please feel free to contact me at sunnyphyl@gmail.com .
I'll be happy to answer any questions you have, and make sure your name is on the nominations list.
Thank you!
