Dumpster Day by Bev

Lakewood Village's Annual Dumpster Day will be Saturday July 15, 2017 from 8:00 am to 3:00 pm. During this event, we will have numerous dumpsters placed through out the neighborhood, in which Lakewood Village Residents may dispose of extra garbage free of charge. Success of this event is dependent on our volunteers.

If you had a dumpster at your home last year & you haven't been contacted yet, please call Bev. Meanwhile a few slots have opened up, so if you want a dumpster at your house, please contact Bev at (408) 736-6225.

Dumpsters are delivered on Friday before the event. Monitors must supervise what is put in the dumpster (no hazardous materials). We will have flyers with what can be put in & no dumping signs. We ask that monitors put aside any donate-able goods, and an LVNA Volunteer Diver will pick them up for donation to Goodwill.

There will be three dumpsters at the Shell Gas station on Lakehaven Drive for disposal of tires, mattresses & carpet. During Dumpster Day, dispose of all tires, mattresses, & carpets in the dumpsters at the Gas Station; LVNA Volunteers will not pick up tires, mattresses or carpets..

Two Goodwill Trucks (one on each side of the neighborhood) will be accepting donations of gently used goods. If you have donate-able goods, please take items directly to the Goodwill truck. We will need a person to work with each Goodwill truck for breaks & light lifting.

LVNA will provide sandwiches to volunteers. If you can help, please call Bev @ (408) 736-6225. Thanks in advance for your hard work!

Calling Lakewood Village Volunteers !

LVNA needs your skills for editing, selling advertisements, and distributing our monthly newsletter.

Also needed are individuals interested in developing/managing our website in the future. Contact an LVNA board member, and/or attend our monthly meeting for more information.

Newsletter Walker Volunteers

This is a commitment of 30-40 minutes per month, and counts towards community service hours for students. On the Fairwood side, many walkers are seniors and some walk 2-3 routes!

If you don't know if you would like it, sign up as a "relief walker" for vacations & illness. It would be great to see people take over routes on their own block;
A great way to get exercise, fresh air, and get to know the neighborhood.

Lakewood Side:

Routes available on Lakemuir, and back-half of Lakewood Drive (beginning at Meadowlake).
Contact: Wendy Stanley @ (408) 745-1331

Fairwood Side:

Routes available on Ortiz, 1200 Block Pecos, 1000 Block Prescott, Fairwood, Burnwood, Candlewood, Redrock, 1000 Block Tuscon, 900 Block Blazingwood, Crestwood, & 1000 Block Sandia. Any small area will help!
Contact: Bev (408) 736-6225, bjwoid@netzero.net.

******Volunteers Please Leave a Message with your Name, Phone#, and route you prefer, you will receive a call back for next month's distribution.******

Meet with Sunnyvale City Councilperson

by Zedory

Councilperson Larry Klein attended the VTA's meeting at the Lakewood Park in April. He invites us to make our voices heard, by attending his weekly "office hours" at Bean Scene Café, 186 S. Murphy Ave, most Fridays, 8-10AM, see his website at larryklein.com.

Tasman Corridor Project by Zedory

In April, the LVNA board cancelled it's regularly scheduled monthly meeting, and instead attended the Valley Transit Authority's (VTA) Complete Streets Study. Members of the LVNA board attended, as well as many residents of Lakewood Village, and surrounding neighborhoods.

The purpose of the meeting was to provide information, and conduct a community survey on the current usage, and future plans for improvements to the Tasman Drive corridor. Improvements proposed include increasing pedestrian, bicycle and motor vehicle safety along the corridor, with consideration for the expected growth and development of the area over the next 20 years.

Read more about the project online at http://www.vta.org/projects-and-programs/complete-streets/tasman-study.

Street Sweeping Schedule:

Fairwood Side: 5/16, 5/30, & 6/13
Lakewood Side : 5/9, 5/23, & 6/6
