VILLAGER

The Villager is back from vacation with a brand-new look!

Lakewood Village has seen a lot of changes over the years and to help ensure everyone has access to the newsletter, and content within it, it was time for a revamp. To better address the communication preferences for our diverse neighborhood, we're working towards delivering the Villager both digitally and with our traditional hand-delivery method.

We're starting our efforts by creating a digital monthly newsletter as we try to secure funding for a printed version in the future. In the coming months, we'll be introducing a method to opt-out of paper delivery, which offers loads of benefits!

- It'll save LVNA some money on printing costs
- Reduces environmental impact
- You'll receive the digital version as soon as it's available
- Easily share with friends & family to show how awesome your neighborhood is

Have something you'd like to share for an upcoming Villager? We'd love to hear from you! Email your ideas to editor@lvnasv.org

PET OF THE MONTH

Hi! Chelsea, here! I'm an 18-week-old mini golden doodle. I live part time on Prescott Avenue with my step-brother when my mom and dad are out of town. I love digging up plants in the backyard, playing fetch, and chewing on my dad's hands. My mom sometimes pesters me to pose for Instagram photos but I go along with it to get more treats.
