FALL IS HERE

Although autumn officially began on September 23rd, you may have noticed the Lakewood Village trees finally catching up. With rain shortly behind, it's important to stay on top of the leaves to prevent downspout clogs and street drainage problems.

The green bin is your friend when it comes to excess foliage, but there are plenty of other options for utilizing your trees' hard work and your yard will thank you for it with an abundance of produce and/or greenery next spring.

Organic Mulch
Mow over leaves with a grass catcher to chop and collect them for a nutrient-infused organic mulch. Sprinkle it on garden beds, in your lawn, or in a homegrown compost pile/bin.

Insulation
Whole or chopped leaves can be used as insulation for the soil and around delicate plants during the cold winter months.

Lasagna Garden
Build your lasagna garden, a minimal-effort gardening technique, with a few layers of whole or chopped leaves

GRATITUDE

WE ARE
grateful & thankful
FOR OUR
LAKEWOOD VILLAGE
NEIGHBORS!

Thanksgiving is a holiday centered around family, friends, and food. It can also be a time to show gratitude to those around you and to cherish the present. Write a thank you note to a co-worker, encourage a significant other, or spend time with someone you love. Like Ellen Degeneres always says, "be kind to one another."

... and remember to be thankful for all the potentially amazing deals on Black Friday and Cyber Monday!

LVNA HALLOWEEN PARTY

This past Saturday, on October 26th, LVNA hosted its first Halloween Party for neighborhood kids and families. This event was organized by Tatiana Colon, who used her creativity and after-work hours to plan out decorations, kid-friendly games, DIY Halloween treats, and more. Families dressed up in Halloween costumes and came out to the event for entertainment and activities like a spider maze, pumpkin pop surprise, witch-hat toss, and even just kicking balloons around on the ground. We also had a costume contest where fun trophies were given out for best overall costume, best family costume, best handmade costume, scariest costume, and funniest costume.

We want to give a big thank you shout out to everyone who volunteered with event prep & setup.

RECIPE CORNER

SWEET POTATO PIE

PIE FILLING:

1 pie crust *(store bought ok)*
1 LB sweet potatoes
4 TBSP butter *room temp*
2 eggs *room temp*
¾ CUP evaporated milk
¼ CUP brown sugar
¼ CUP white sugar *(optional)*
1 TSP vanilla extract
2 TBSP flour
1 TSP ground cinnamon
½ TSP ground nutmeg
¼ TSP ground cloves
¼ TSP ground ginger

NUT TOPPING:

1.5 CUPS chopped pecans
2 TBSP flour
1.5 TBSP maple syrup
5 TBSP melted butter

1. Peel sweet potatoes and cut into approx 1 inch cubes. Place sweet potatoes in saucepan. Add water to cover. Bring to boil. Reduce heat and cook until fork tender, approx 15 minutes. Drain potatoes and return to pan. Mash until smooth. Cool to room temperature.
2. Preheat oven to 350°F. In a bowl or standing mixer, cream together room temp butter and brown sugar (and white sugar, if desired). Add eggs and mix well.
3. Add evaporated milk, vanilla extract, flour, cinnamon, nutmeg, cloves, and ginger. Mix well until smooth and fully combined.
4. In a separate bowl, combine chopped pecans and flour until the pecans are coated. Add maple syrup and melted butter. Mix until you can't see white flour. If white flour is still present, feel free to add a little more butter. Set aside when fully mixed.
5. Roll out pie crust and carefully place into pie dish (10.5 inch diameter). Push crust up against pie dish and make it smooth. Trim off excess dough, if needed.
6. Pour sweet potato filling into pie dish. Dollop pecan mixture over filling until pie is covered.
7. Bake in 350°F oven for 55-60 minutes. Let cool for 1 hour prior to serving.

– LVNA MEETING RECAP

LVNA MEETING ON OCT 9

Sunnyvale Election System –

Jaqui Guzman, Deputy City Manager for Sunnyvale, provided an overview of Sunnyvale's current "at-large" election system and outlined the reasons for moving towards a district-based system. Cities with at-large voting systems have increasingly been targeted for litigation under the California Voting Rights Act (CVRA), which prohibits any voting practices that have the potential to dilute the votes of racial minorities.

Sunnyvale has proactively decided to pursue a district-based voting system to avoid a lawsuit under CVRA, which would cost between $3M and $6M. No city has ever won one of these litigation cases.

Under the new district-based system, Sunnyvale will be divided into 6 districts, each voting for their district's City councilmember. Sunnyvale's mayor would still be elected through an at-large vote.

International Brotherhood of Electrical Workers (which includes sisters) –

Manuel Aguilar and Anthony Hernandez, from the International Brotherhood of Electrical Workers (IBEW), spoke about their eagerness to help build community involvement. For example, they shared ideas to expand the yearly LVNA picnic and increase attendance. Plus, a huge thank you to Manuel for lending his expertise, time, and equipment to help spruce up our LVNA Halloween party!

Anthony spoke about their involvement with youth groups and connected with other meeting attendees for follow-ups on additional outreach opportunities.

Manuel grew up in the area and Anthony still lives right here in Lakewood Village.
