3 lvna meeting recap
4 pet of the month
5 covid-19

LVNA ELECTIONS

Are you passionate about our neighborhood?

Do you have big ideas and skillsets to bring to the table?

Perhaps you should consider running for one of the five LVNA board positions. Just like a good democracy, the best way to improve resident representation is to have a diverse candidate pool. If you received this newsletter, which we suspect you did since you're reading it, and you're at least 18 years old, you're eligible to run for any of the board positions –

President, 1st VP, 2nd VP, Treasurer, and Secretary

Want to help, but not interested in a board position? Maybe you'd prefer one of the additional support committees:

Budget Committee, Audit Committee, Publicity Committee, Social & Recreation Committee, Grievance Committee, Ad-Hoc Committee, and more!

This is a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. Please come show your support by either running or voting in the LVNA board member elections.

March 11th, 7:00 - 8:00 PM – Lakewood Park Building (834 Lakechime Dr.)

WHAT ELSE TO EXPECT AT LVNA'S MARCH MEETING?

Speaker: Steve Sloan will be presenting information about building the Lakewood Library. The city gave the approval to move forward with building the library and Steve will give us an update on the timeline.

Our March meeting is also volunteer appreciation night and we will be serving pizza and drinks after the speaker and board elections. Hope to see you there!

RECIPE CORNER

ZUCCHINI WALNUT MUFFINS

yields approx 12-16 muffins

2 eggs
½ CUP brown sugar
¼ CUP white sugar
3 TSP vanilla extract
3 CUPS grated zucchini
½ CUP unsalted butter, *melted*
3½ CUPS all-purpose flour
1 TSP baking powder
1 TSP baking soda
¼ TSP salt
2 TSP ground cinnamon
½ TSP ground nutmeg
½ TSP ground ginger
1 CUP chopped walnuts

Note: Depending on the moisture content of your zucchinis, it could change the consistency of your muffins. If there is a lot of moisture after grating, let zucchini shreds sit in strainer to drain a little. Also, I used some yellow squash when I made this recipe because I didn't have enough zucchini on hand, which is why there are flecks of yellow in the muffin picture to the left.

1. Preheat oven to 350°F.
2. In a large bowl, mix eggs, sugar, vanilla extract, and melted butter. When fully combined, incorporate grated zucchini.
2. In a separate bowl, combine all of the dry ingredients (minus the walnuts): flour, baking powder, baking soda, salt, cinnamon, nutmeg, and ginger.
3. Stir dry ingredients into the bowl with the zucchini until fully combined. Do not over-mix.
4. Fold in chopped walnuts. You could also consider adding ingredients like cranberries or chocolate chips.
5. Place muffin liners inside of your muffin pan. Evenly fill muffin cups with batter.
6. Bake at 350°F for about 25-30 minutes, or until a toothpick is free of batter when inserted into center of muffin.

– LVNA MEETING RECAP

LVNA MEETING ON FEB 12

Anne Karoly, Partnership Specialist at the U.S. Census Bureau, provided an overview of the census and why it's so important for everyone to participate. Besides being legally mandated by the constitution, there are 2 high-level reasons why ALL people residing in the U.S. must be counted, regardless of citizenship:

Government Representation: Headcount directly determines the number of seats each state gets in the House of Representatives. California currently has 53 seats, as a result of the population count from the 2010 census. That number could change, depending on the results of this year's census. Additionally, local-level changes are made every 10 years, pursuant to census information, such as redrawing maps for school districts and the Board of Supervisors.

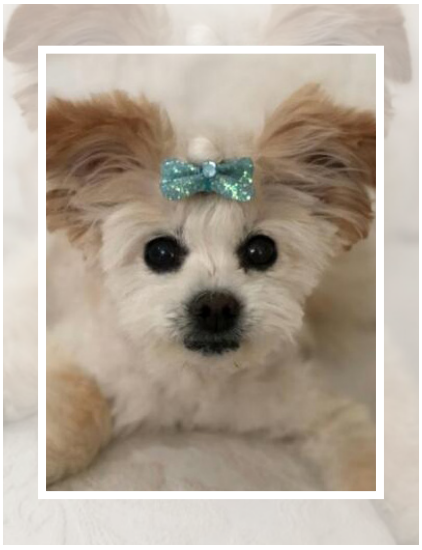

Federal Funding: Demographics from the census are used for allocating $675B in federal grants, between states, for transportation, medical, social services, libraries, and many others.

The results of the census are completely confidential, even from law enforcement and other government agencies. The records will not be released until 72 years after they're collected (2092 for this year's census data).

Deborah Abbott, a U.S. Census Bureau Recruiter, discussed the temporary U.S. Census Bureau positions that are available every 10 years. To qualify, you must be 18+, have a social security number, email address, and be a U.S. citizen. There are also some other positions available for non-citizens, such as interpreters.

In our area, the pay is $27 - $33 per hour. Field hours are flexible and based on your preferred schedule. The primary working season is May through August. If you're interested in getting out there to help conduct census surveys, call the Sunnyvale office at (408) 541-3400.

PET OF THE MONTH

Hi! I'm Mollie (or Molly, depending on which of my family members you ask). I'm a 12 year old pomapoo who will be turning into a teen next month. I have a closet full of different outfits and love to take naps. I enjoy taking walks and going along on car rides. Thank you for choosing me to be the featured pet this month! Hope to see you around the neighborhood!

Is your pet ready for the Villager spotlight? Submit your caption and photo to editor@lvnasv.org

ADVERTISE WITH US!

In upcoming editions, we'll have space throughout the Villager to host ads of various sizes. If you're interested in advertising with us, please email us at ads@lvnasv.org

Do you have a story you'd like to share? Or maybe there's a topic you'd like to see addressed in the Villager.

The Villager is Lakewood Village's neighborhood newsletter, so we'd love to hear from YOU on the topics that matter most.

Send us an email (editor@lvnasv.org) or messages us (lvnasv.org/contact) with your ideas.

COVID-19

We realize that the coronavirus is on many people's minds and that information about it is coming from all directions. While the intentions may be good, a lot of the information available online is either misleading or completely false. We encourage you to use general common sense when it comes to hygiene – frequent hand washing, avoid touching your face/eyes/nose/mouth, etc. Additionally, ensure your sources of info are reputable. Below are the QR codes for the CDC's and SCC's page on COVID-19.

Link to Santa Clara County Public Health

Link to Centers for Disease Control and Prevention

Not sure how to read a QR code? Open up your camera app on any newer smartphone or tablet and hover over each individual QR code. The URL should automatically pull up in your camera app, allowing you to click the link. If this doesn't work, download a third-party QR code reader app.

Don't forget - Daylight Savings is on Sunday, March 8th!
