## HELP & ASSISTANCE

Thank You to all of the neighbors and friends who have stepped up during these difficult times to provide their help and support to others. We've seen the posts on Nextdoor from those reaching out to complete strangers, offering assistance with getting groceries, providing personal protective equipment (PPE), and even just being another person to talk to. You are a big part of what makes this such a great community.
So, THANK YOU!

Sunnyvale Community Services (SCS) is still open to the Sunnyvale community to provide support and emergency assistance to those facing financial hardship, homelessness, and hunger. They have emergency food, financial aid, and referral services available. If you or someone in the community that you know is in need of assistance, please contact SCS:
info@svcommunityservices.org or 408-738-4321.

If you would like to help:

- Consider donating to SCS' relief fund: https://svcommunityservices.org/donate-online-2/
  Your contribution helps staff meet the needs of those requiring financial assistance for paying rent, utilities, medical costs, food, and other essential items.
- Reach out to a neighbor or loved one who may be struggling. Even in difficult times, many people may still feel uncomfortable asking for assistance. Lending a hand can help ease that discomfort.

One more shout-out to the neighborhood for doing such an excellent job at following the shelter-in-place order and social-distancing recommendations. Those who cross the street to maintain 6+ feet between others while on neighborhood walks haven't gone unnoticed. Keep it up!

# RECIPE CORNER

## DEVILED EGGS

6 eggs
5 TSP mayo
½ TSP yellow mustard
salt, *to taste*
pepper, *to taste*
green onions or chives, *optional*
paprika, *optional*

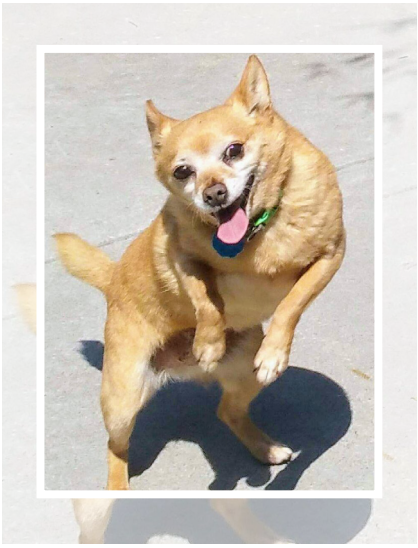

1. Bring a pot of water to a boil. You want enough water to completely submerge the eggs in a single layer. Do not put the eggs in the water yet.
2. Once water comes into rolling bowl, place eggs gently into pot. Boil for 13 minutes.
2. When 13 minutes are up, immediately place eggs into an ice bath (bowl filled with ice and water) for at least 5 minutes.
3. Peel eggs and slice them in half, lengthwise. Place egg yolks into a mixing bowl and egg whites onto a plate.
4. Mash egg yolks into a fine crumble with a fork. Add mayo, mustard, salt, and pepper. Mix well.
6. Evenly distribute yolk mixture into egg white cavities.
   *TIP: Transfer egg mixture into a sandwich bag and cut off a corner. Squeeze mixture out into egg whites.*
7. Optional: Sprinkle on paprika, green onion, and/or chives.

# PET OF THE MONTH

Hi, my name is Mimzy. I was named after the movie, "The Last Mimzy." Sometimes, my mom calls me Princess. My family adopted me 12 yrs ago, when I was about 1 year old. I also have an adopted brother, named Kyo. We both love to chase each other and play ball. I'm very loyal and love to cuddle up and jump on top of things.

See you around the neighborhood!

# LVNA MEETING RECAP

## LVNA MEETING ON MAR 11

Steve Sloan, Superintendent of Libraries, discussed the new Lakewood Village library, set to open late 2023 to early 2024.

Development started in 2012, with Lakewood Village targeted as a prime location due to the lack of any other branch within a two-mile radius. Additionally, US-101 is a distinct barrier for many, making those other locations a challenge to get to. These are likely contributing factors for why Lakewood has a very low percentage of library card holders, compared with the rest of Sunnyvale.

Many agencies have been involved since the beginning, including the Sunnyvale School District and Parks and Recreation, to ensure this facility would meet the needs of the whole community. After outreach, negotiations, and reviews, the council approved a single-story, 20,000 sq. ft. facility, with 2,400 sq. ft. designated as program space, to be built in the location of the existing Lakewood swimming pool.

The city is responsible for the design of the building, bidding, and construction management, and will lease the site from the Sunnyvale School District for 50 years, with the option of extending an additional 25 years for $1. Construction is on track to begin in 2022.
