SHELTER-IN-PLACE

You've likely heard that Santa Clara County, along with 6 other Bay Area jurisdictions, has extended the shelter-in-place order through May 31st. This is to help continue slowing the number of new cases while additional testing, tools, and measures become available for a safe transition back towards pre COVID-19 lifestyles.
For most, this extension is largely a continuation of the order placed in March. However, there are some updated guidelines and definitions in certain areas, particularly in regards to exemptions and "essential businesses."
If you haven't done so already, you are encouraged to read the official order, available at https://www.sccgov.org/sites/covid19/Pages/order-health-officer-050420.aspx

As mentioned in April's edition of the Villager, Sunnyvale Community Services (SCS) is still open to the Sunnyvale community to provide support and emergency assistance to those facing financial hardship, homelessness, and hunger. They have emergency food, financial aid, and referral services available. If you or someone in the community that you know is in need of assistance, please contact SCS: info@svcommunityservices.org or 408-738-4321.

If you would like to help:

- Consider donating to SCS' relief fund: https://svcommunityservices.org/donate-online/ Your contribution helps staff meet the needs of those requiring financial assistance for paying rent, utilities, medical costs, food, and other essential items. An anonymous local couple has agreed to match up to $250 per individual, up to a total of $100,000.
- Reach out to a neighbor or loved one who may be struggling. Even in difficult times, many people may still feel uncomfortable asking for assistance. Lending a hand can help ease that discomfort.

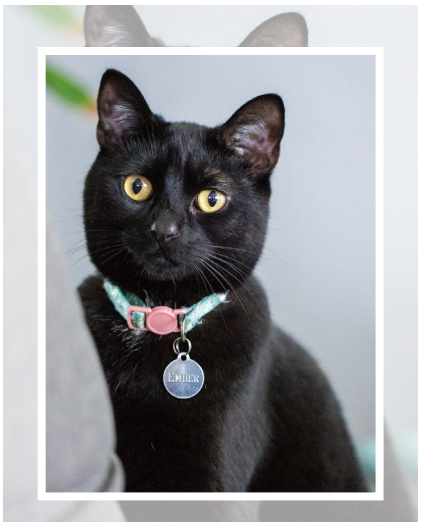

RECIPE CORNER

DATE BROWNIES

13 OZ medjool dates, pitted
4 eggs
2 TSP vanilla bean paste
½ CUP coconut oil, melted
½ CUP unsalted butter, melted
¾ CUP cacao powder
1 CUP almond flour
½ TSP salt
1 TSP baking soda
hot water
chocolate chips, *topping*
chopped walnuts, *optional*

1. Soak dates in freshly boiled water for about 20 minutes.
2. Scoop dates from water and into a food processor (save ⅓ cup of the water for step 3) and process until a paste forms.
3. Add the ⅓ cup water from from previous step into food processor and process until smooth. Let mixture cool for 10 minutes before proceeding to step 4.
4. Completely process eggs into mixture 1 at a time.
5. Add melted coconut oil, unsalted butter, and vanilla into date mixture and process until mixed.
6. Add cocoa powder and process again.
7. Add almond flour, salt, and baking soda. Process until fully incorporated. Set aside. Optional: Fold in chopped walnuts.
8. Preheat oven to 350 degrees.
9. Line a 7x11 inch baking pan with parchment paper. Pour date mixture into pan and press chocolate chips gently into the top of the brownie batter.
10. Bake for about 45 minutes, or until a toothpick comes out clean. Let them cool before cutting into squares. Enjoy!

PET OF THE MONTH

Hi everyone! I'm Ember. I was rescued when I was about 6 months old, which is basically forever ago since my first birthday is next week. I love playing fetch with my favorite toy - "poofs" (craft glitter pom-poms). I'm super friendly but I'm an indoor kitty so you probably won't see me out and about... unless my parents put me in that awful harness again. Such a fashion faux "paw"!

EXTRA TRASH?

As we continue to practice social-distancing measures, you may have noticed an increase in trash production at home. Did you know that you can place 2 additional trash bags out at the curb on collection day, for FREE?

In Lakewood Village, this service is performed by a separate collections vehicle so the cart may be emptied before/after the additional bags are collected.

For more information on this temporary service, visit https://sunnyvale.ca.gov/news/topics/coronavirus.htm and click "Garbage and Recycling."
