CRV RECYCLING DRIVE

Last month, we kicked off a new fundraising activity for our neighborhood by collecting beverage containers. Huge shout-out to those who have already helped contribute to LVNA by donating their CRV recyclables. Here's just a portion of the collection. Thank you!

Due to the success of this initiative, we plan to continue collecting recyclables to help raise money for LVNA events (once we're able to bring those back).

How You Can Help

You and your family can start by saving eligible recyclables. Once you're ready for someone to collect them, schedule a pick-up by emailing us at recycle@lvnasv.org and one of our volunteers will coordinate a time to swing by and collect them. That's it!

Suggested Tips

- Please make sure all items are clean, empty, and CRV eligible. You should see one of the following printed on the label: California Redemption Value, CA Redemption Value, California Cash Refund, CA CRV, or CA Cash Refund
- Before containers can be turned in at the redemption center, all items must be properly sorted. While pre-sorting isn't required, our volunteers greatly appreciate the extra help.
    - Glass separation by color: Green, Brown, and Clear
    - Plastic separation by color: Green, White, and Clear
    - Aluminum cans – no additional sorting required

RECIPE CORNER

Caramelized Onions

2-3 large onions, sliced (yellow onions were used here)
2 tbsp butter, salted or unsalted or oil

1. In a large skillet over medium heat, melt butter.
2. Add sliced onions into skillet. Reduce the heat to medium low and stir the onions every 3-5 minutes, allowing them to brown a little on the bottom in-between each stir.
3. If onions start sticking to the pan, add 2-3 tablespoons of water to deglaze the pan while scraping all the flavor off the bottom of the pan.
4. Repeat steps 2 & 3 until the onions have cooked for at least 45 minutes to an hour (or until the onions reached your desired color).
5. Enjoy!

Caramelized onions are a great addition to many dishes like sandwiches and casseroles. An upcoming Villager recipe may even include caramelized onions!

PET OF THE MONTH

Hi, everyone! I'm Olive. I was rescued from the streets of Taiwan and finally made it to my forever home this May, after waiting for months to find a chaperone to bring me to the U.S. I love going on hikes, playing with my toys, and hanging out with my feline sister. When it comes to meeting new people, I'm very shy but if you give me some time, I'll warm up to you! :) Thanks so much to Mary from marysdoggies.org for helping me find my family!

FUTURE LVNA MEETINGS

We're gearing up to start running the LVNA general meetings over a video conferencing platform. Though there hasn't been an LVNA meeting since shelter-in-place started, there's been a lot going on in the background. Besides kicking off the recycling initiative to help raise funds for LVNA, we have a handful of other exciting developments for the neighborhood already underway that we'd like to share with you.

Have any topics you would like to see discussed at a future LVNA general meeting? Let us know by emailing contact@lvnasv.org

Keep an eye on the Villager, lvnasv.org, and/or Nextdoor for upcoming meeting info (targeting September for LVNA's first-ever virtual meeting). We look forward to seeing you there!
