5 pet of the month
new to zoom
6 website overhaul

– NEXT LVNA MEETING –

Our October general meeting will be this Wednesday, October 14th, at 7:00 PM, via Zoom. Our guest speaker will be Dr. Moshe Lewis, MD., discussing the ongoing coronavirus pandemic and answering any questions that attendees may have. On top of being a practicing Bay-Area physician for the past 15 years, Dr. Lewis also holds a masters degree in Public Health. Meeting info, along with a direct link to the Zoom session, will be available at lvnasv.org/meeting by 6:30 PM on October 14th (at least 30 min before the start of the meeting).

– HALLOWEEN COSTUME CONTEST

What's this? No Halloween? To that we say, "Fooey!" Researchers have theorized that COVID-19 can't be contracted over the internet, so we're taking advantage of this "groundbreaking" information to throw a Spooktacular Costume Contest… over Zoom!

To start, head over to lvnasv.org and create your account. Once registered and logged in, visit lvnasv.org/halloween, either directly or by clicking the seasonal "~Halloween~" menu item, to upload your photo.

You'll be able to submit one photo per person. If you have children that are too young to manage their own account, you can create a child profile and upload one photo on their behalf. All ages are welcome!

There will be numerous categories, similar to last year, and split by age groups {4 and under, 5-12, 13-17, 18 and up}. Photos must be submitted by Wednesday, October 28th. Winners will be announced, live, during the virtual costume party on Friday, October 30th, at 7:00 PM. And who knows – participants may even be awarded with a profile badge for participation once those are enabled!

FACTOID

You've likely heard your fair share of voting-related info this year. However, we'd like to use this month's "Factoid" to highlight some of the info specifically pertaining to Lakewood Village.

You should have already received your ballot in the mail. All California voters are receiving a vote-by-mail ballot this year, regardless of their voting preferences from prior elections.

Nearest drop-box locations, open now (24/7) until 8:00PM on Nov 3rd. Note: Neither Fairwood nor Lakewood schools have them this year -

- Mission College – Student drop-off : 3000 Mission College Boulevard, Santa Clara, CA 95054
- Grocery Outlet Bargain Market : 1180 North Fair Oaks, Sunnyvale, CA 94089

These are currently the closest to Lakewood Village, but there's the potential for change, up until the election. Visit eservices.sccgov.org/Rov/ for complete information.

Mailing your ballot with the prepaid envelope is another great option. Due to the entire state receiving mail-in ballots and a huge influx of mailed ballots across the country, sending it in as early as possible has never been more important. Not only can you track your ballot along its journey at wheresmyballot.sos.ca.gov, but early arrival then ensures that, if for some reason the ballot is rejected (the most anticipated cause would be a signature mismatch), you would have enough time to correct the discrepancy, per SB 759.

If you will be voting in person, the closest voting centers will open for early voting from 9:00 AM – 5:00 PM on October 31st – November 2nd, and again on election day (November 3rd) from 7:00 AM – 8:00 PM.

- Levi's Stadium – Atrium : 4900 Marie P DeBartolo Wy, Santa Clara, CA 95054
- Fair Oaks Park – Park Building : 540 N Fair Oaks Ave, Sunnyvale, CA 94085
- Columbia Middle School – Library : 739 Morse Ave, Sunnyvale, CA 94085

These have the potential to change up until the election. Visit eservices.sccgov.org/Rov/ for complete information.

If you are eligible to vote but aren't yet registered, the **voter registration deadline is October 19th**. Besides this being a presidential election year, there are over two-dozen additional positions and measures included on this ballot. Please consider registering and submitting your ballot so that our leaders and policy changes are truly decided by "the people," as opposed to only a portion of the eligible voting population. Your voice matters!

MAYORAL CANDIDATES FORUM

With voting now in full swing, if you weren't able to join the Sunnyvale Mayoral Candidates Forum last month, or would like to revisit the discussion, the recording has been posted to youtube.com/watch?v=pZdySbtb65k

The candidates for this position are: Michael Goldman, Larry Klein and Nancy Smith.

– LVNA MEETING RECAP

LVNA MEETING ON SEPT 9

Officers Jason Pistor and Spencer Chen, from the Sunnyvale Department of Public Safety, joined our first-ever digital LVNA general meeting last month to discuss residents' concerns and answer any questions. This was an amazingly informative hour-long meeting that covered a wide range of issues. Some key takeaways:

- **If you see/hear something you believe to be illegal or dangerous, call 911 immediately.** The sooner an officer can arrive on scene, the more likely they are to be successful in resolving the issue.
- For speeding/donuts: Call 408-736-6224 right away, with a description of the individual, vehicle make/model/color, license plate number, direction of travel, and any additional information that may be relevant.
- If you hear what you believe could be gunshots, call the police immediately so they can investigate. Many people put off calling, second-guessing whether or not they were fireworks. In the case of an incident at Lakewood Park about a week before this meeting (early September), the officers confirmed they were in fact gunshots but, as of writing this, there aren't any leads.
- Car break-ins are much more frequent these days. There were changes to the law which significantly reduces the consequences for this crime, leading to a higher frequency of occurrence and more repeat offenders. Your best defense is to not leave anything of value in your car, even if it's hidden.
- Multiple streets within Lakewood Village were identified as major thoroughfares for speeders. The officers took note and agreed to place both hidden and visible warning speed sensors to gather data in these areas. Sensors were spotted within days of this meeting. Thanks Officer Pistor and Officer Chen!

Useful phone numbers: Desk/Office – 408-730-7150 | Speeding/donuts – 408-736-6244 | Non-emergency – 408-730-7180 | Emergency – 911

To discuss any additional issues, both officers have graciously agreed to be open-ears. Feel free to reach out to them through email and include your name and phone number.

Officer Jason Pistor: jpistor@sunnyvale.ca.gov || Officer Spencer Chen: schen@sunnyvale.ca.gov

– RECIPE CORNER

Apple & Brie Panini

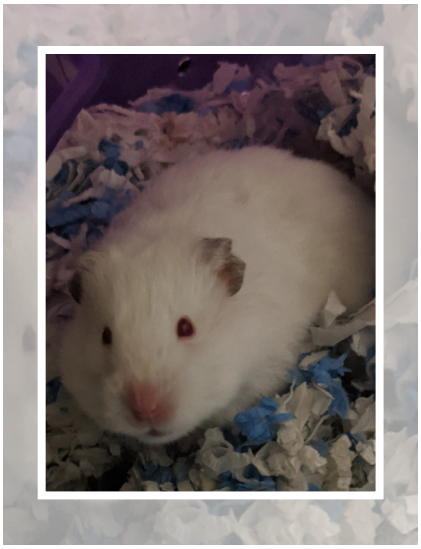

2 pieces sliced bread
wedge of brie, thinly sliced
1 apple, thinly sliced
caramelized onions *(refer to Villager Aug 2020 edition for recipe)*
butter

1. Assemble sandwich in the following order:
   - slice of bread
   - layer of sliced brie
   - layer of apple slices
   - layer of caramelized onions
   - layer of apple slices
   - layer of sliced brie
   - slice of bread

   Feel free to deviate from the above order. Or add in other ingredients like sliced meat or herbs.
2. Preheat skillet with 1 tbsp of butter on medium heat. Place panini in the pan and turn the heat down to medium-low. Cook the panini until golden on one side and the brie has started to melt. Flip the panini and cook the other side until golden brown.
3. Remove from pan and enjoy!

PET OF THE MONTH

Our pet is named Snowball. She is a Syrian Hamster. She is albino, which is quite rare, and also mute, so she can't squeak. Like all hamsters, she also can't see that well. Did you know that she's not nocturnal or diurnal? Instead, she's crepuscular. What that means is that she's actually most active at dawn and dusk. Cool, right? She also really likes to eat carrots and broccoli and goes wild for celery and sprouts.

During the day, she sleeps in her cage. In the summer, she's stopped using her igloo and just sleeps in the paper bedding. My little brother, Rishab, feeds her Hamster Pellets in the morning. He loves to play with her. For some reason, she doesn't drink that much water, but then, I don't either. It's really fun to play with her in the evenings when we are all awake. She's our first ever pet and we all really love her.

Is your pet ready for the Villager spotlight? Submit your caption and photo to editor@lvnasv.org

NEW TO ZOOM?

LVNA meetings have gone virtual!

We will be using Zoom, a video conferencing platform, for our October meeting. If you haven't used Zoom before, here are a few things to keep in mind. Before joining a Zoom meeting on a computer, tablet, or mobile device, we recommend downloading the Zoom app from Zoom's Download Center (linked here). You can also join through a browser, but may have access to limited features. Once you are ready to actually join the meeting, go to lvnasv.org/meeting where you will find a "join" button. You can also enter our customized meeting ID and password (listed at lvnasv.org/meeting) on Zoom's app to access the meeting.

The views, opinions, and facts presented in the Villager are of their respective authors/creators and don't necessarily reflect the views or opinions of the Lakewood Village Neighborhood Association, its officers, residents or other sponsors.

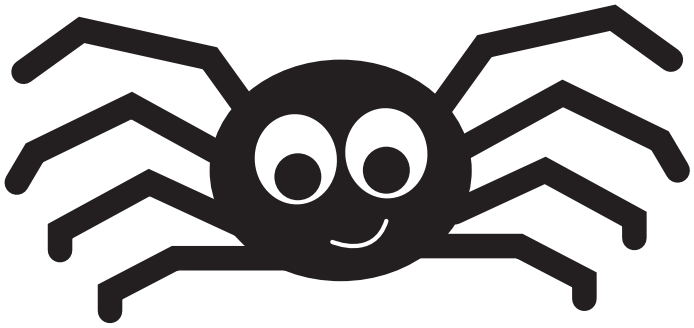

If you'd like to submit an article, event, etc., for possible publication in a future edition of the Villager, please send an email to our editor(s) at editor@lvnasv.org

WEBSITE OVERHAUL

We've been working on a completely overhauled website design/framework for the past few months to enable, what we hope are, some super fun new features. This has been a massive undertaking but now provides the ability to create individual user accounts, which opens up numerous possibilities for expansion.

In fact, this project is what is enabling us to host this month's costume contest. We've been rushing to get the primary framework in place to facilitate this capability, so bear with us as new features continue to roll out in the coming months.

UPCOMING EVENTS

OCTOBER

14 lvna monthly meeting
virtual Zoom link: lvnasv.org/meeting
7:00 - 8:00 PM

30 lvna virtual costume party
virtual Zoom link: lvnasv.org/halloween
