COVID VACCINATIONS

As of Tuesday, May 4th, 74% of vaccine-eligible residents of 94089 had received at least 1 COVID-19 vaccination dose. On the flip side, nearly 26% of residents 16 and older haven't yet received any shots.

Vaccination appointments are much more readily available now. A couple tips:

- Reach out to your primary care provider to book an appointment. This is often the easiest method for those with limited access to internet.
- Schedule your appointment online at https://vax.sccgov.org/
- Drop-in vaccination clinics can be found here: https://covid19.sccgov.org/covid-19-vaccine-information (just scroll down a little). No appointment required!
- If you're having trouble scheduling an appointment or need extra assistance, reach out to the Sunnyvale Senior Center (408-730-7360) and they can assign a case manager to help.
- If you don't have access to transportation, try reaching out to family, friends, or neighbors for assistance. Many neighbors on Nextdoor have offered free rides to/from vaccination sites.

LVNA MEETING RECAP

LVNA MEETING ON APR 14

Last month, the Sunnyvale Emergency Response Volunteers (SERV) team presented an overview of emergency response preparedness and the numerous programs offered by the city. Lakewood Village encompasses an area at risk for fires, earthquakes, and flooding, just to name a few. Being prepared and having a neighborhood plan can be the difference between life and death in a disaster. If you weren't able to attend the meeting, we highly encourage you to watch the recording here: https://youtu.be/DGyA1QmTXOY

MEET YOUR NEIGHBOR

To help neighbors get to know each other, we are starting a monthly "Meet Your Neighbor" series. Please email vp2@lvnasv.org if you want to recommend someone for an upcoming newsletter or if you would like to interview a neighbor for the newsletter. Thank you to Heather for agreeing to join us for our first "Meet Your Neighbor" conversation.

Q: Tell us a bit about yourself and your family.
Heather: I live on Prescott Ave with my husband and two girls (5 and 2 years old). We moved to the Fairwood neighborhood in 2014.

Q: Name one thing you see out of your kitchen window:
Heather: My backyard.

Q: Something that is in your front yard?
Heather: A fountain.

Q: A sound you hear a lot in the neighborhood?
Heather: A bird.

Q: What is something you like about living in Lakewood/Fairwood? And something that has changed since you moved to the neighborhood?
Heather: We really love the greenbelt and the convenience of being so close to the park. Since we moved to Lakewood, we've had several new neighbors near us, and it's been fun to meet our new neighbors.

Q: What are your favorite parks/things to do in Sunnyvale and/or the Bay Area?
Heather: We really enjoy both Fairwood and Lakewood Park. We spend a lot of time there, and the kids are happy. We've met a lot of great parents and have built some good relationships with people we've met at the parks. We recently went to Magical Bridges Park in Redwood City, and the kids had a lot of fun.

Q: Tell me a bit about your hobbies.
Heather: I enjoy running. COVID has made other hobbies hard, and the kids keep me busy. I do love to bake, and the girls and I spend a lot of time baking.

HOW TO GET RID OF ANYTHING

Here is some guidance on how to dispose of common trash items without filling up your garbage can. Unable to drop off items yourself? Reach out to a neighbor for help, or email us at recycle@lvnasv.org

Hazardous Waste

Did you know that hazardous waste items cannot go in your garbage bin? Hazardous waste includes anything flammable, corrosive, toxic, or reactive. Common items are batteries, electronics, garden chemicals, paint, household cleaners, fluorescent and LED lightbulbs, and auto fluids. Santa Clara County has a Household Hazardous Waste Program for you to safely dispose of these items. There is a drop-off location in East San Jose (near McKee Rd and Highway 101). Appointments are required, and we suggest making an appointment a few days in advance. Visit https://www.sccgov.org/sites/rwr/hhw/Pages/hhw.aspx or call 408-299-7300 to make an appointment.

Shoes

Have worn out shoes to get rid of? Don't throw them in the trash! Sports Basement in Sunnyvale (1177 Kern Ave) has a bin where you can drop off old shoes for recycling. The bin is located just after you walk in the store, and they take tennis shoes, flip flops, sandals, hiking shoes, etc. Call them at 408-598-4240 to confirm store hours or check https://shop.sportsbasement.com/blogs/stores/sunnyvale

Used Eyeglasses

Local Lions Clubs have drop boxes throughout Sunnyvale and Santa Clara to collect prescription eyeglasses that are no longer used. The eyeglasses are donated to people in our community and around the world who need them. Drop boxes are harder to find due to the pandemic, but we've confirmed one drop box location. If you can't drop it off at Kaiser, reach out to your local optometrist to see if they collect used eyeglasses.

Kaiser Permanente Optical Services, 710 Lawrence Expressway #474, Santa Clara 408-851-4000

TerraCycle

Some of your neighbors have recently started working with TerraCycle to collect hard-to-recycle plastic items. The items are mailed back to TerraCycle, who works with companies to turn those materials into new products. Here are items that you can currently drop at your neighbor's house to get recycled:

- ACURE empty containers from body wash, shampoo, conditioner, etc.
- Solo cups - those red icon #6 rigid plastic cups
- Tom's of Maine mouthwash bottles and caps, toothpaste tubs and caps, deodorant containers and caps, soap packaging, toothbrushes, and floss containers (please rinse and/or dry the items first)
- Floss, floss picks, toothpaste tubes and caps, toothbrushes (non-electric)
- Bread bags and plastic bread bag tags

HOW TO GET RID OF ANYTHING

CONT.

If you have any of these items you want to discard, please email recycle@lvnasv.org or call 408-524-5900 and we will connect you with the appropriate neighbor, depending on which item(s) you have.

Plastic Film Recycling

Dozens of nearby stores have drop-off bins for various plastic bags and packaging.

- Plastic bags: cereal liners, produce, shopping, newspaper, bread/bagels/buns, retail, carryout
- Zip-top food/snack bags
- Stretch-/shrink-wrap from drinks, paper towels/napkins, disposable cups, toiletries, etc.
- Bubble wrap, pillows, and envelopes
- Anything else with the "How2Recycle" label

Visit https://www.plasticfilmrecycling.org/recycling-bags-and-wraps/find-drop-off-location/ to find your most convenient location. Note that some locations are temporarily not accepting drop-offs, due to COVID-19, so you can find an alternative collection site or store them up until your preferred location begins accepting again.

CRV Recycling (Plastic, Glass, and Aluminum)

LVNA collects CRV-eligible recyclables as a fundraising activity for the neighborhood. We'll even come pick them up! Schedule your pick-up by emailing us at recycle@lvnasv.org and one of our volunteers will coordinate a time to swing by and collect them.

Suggested Tips

Please make sure all items are clean, empty, and CRV-eligible. You should see one of the following printed on the label: California Redemption Value, CA Redemption Value, California Cash Refund, CA CRV, or CA Cash Refund

Before containers can be turned in at the redemption center, all items must be properly sorted. While pre-sorting isn't required, our volunteers greatly appreciate the extra help.

- Glass separation by color: Green, Brown, and Clear
- Plastic separation by color: Green, White, and Clear
- Aluminum cans: no additional sorting required

PET OF THE MONTH

Hello! I'm Sienna. I was rescued right here in Lakewood Village, about 4 years ago, from the engine compartment of a minivan (a Toyota "Sienna") when I was just a 10-day-old kitten!

Instyle Beauty Salon, located in Sunnyvale-Santa Clara, is offering readers $150 off microblading, a new and popular procedure that creates the perfect eyebrow!

Normally $450, Instyle Beauty Salon is offering readers $150 off, making it just $300 for the procedure – which also includes the touch-up visit that is recommended within 4-6 weeks of the initial procedure.

Manual microblading is a form of a semi-permanent tattoo that involves using tiny needles (instead of a tattoo gun) that make up a small blade to help deposit pigment under your skin, one by one, for natural looking hair strokes. The procedure takes about an hour to 2 hours and lasts 1.5-2 years before needing to be redone to look fresh. Topical numbing cream is used to maximize comfort. Microblading is perfect for anyone with any hair color and is tailored to each individual client.

For more information and to schedule a consultation, call or text (408) 605-2146.

NEXT LVNA MEETING

Sunnyvale

Bailey Hall, Environmental Program Specialist with the city of Sunnyvale, will join us on May 12th for a virtual discussion on the fundamentals of recycling and what happens with the items you put in your bins after they've left the curb. This is an excellent opportunity to ask all your recycling-related questions and learn what each of us can do to help reduce the amount of waste going into landfills or being burned.

Wednesday, May 12th, 7:00 – 8:00 PM. Zoom meeting credentials will be posted to LVNASV.org/meeting 1 hour before the start of the meeting.
