LVNA DUMPSTER DAY

Dumpster day is back! Saturday, July 17th, from 8:00 – 2:00 PM, dumpsters will be placed around Lakewood Village for residents to conveniently dispose of unwanted junk. Some of our neighbors have generously volunteered to supervise each dumpster site, so please be respectful and adhere to their instructions.

Please remember these dumpsters are intended for Lakewood Village residents only.

- Ensure items are evenly distributed in the dumpsters and NOT filled above the brim. If overfilled, they cannot be picked up.
- Do not leave items lying around outside of the dumpsters (this includes furniture – place it in the bin).
- Mattresses, box spring, and carpets are to be placed in specially designated dumpsters, located at the Shell Station, for proper recycling – Do not place them in the regular neighborhood bins.
- E-Waste (computers/laptops, monitors, phones, video cameras, fax/copy machines, video-game consoles, etc.) is accepted at the Goodwill truck, located in the Fairwood Elementary parking lot on Sandia ave.

The Goodwill truck will be located in the parking lot of Fairwood Elementary, on Sandia. They're accepting:

MEET YOUR NEIGHBOR

Please email vp2@lvnasv.org if you want to recommend someone for an upcoming newsletter or if you would like to interview a neighbor for the newsletter.

QUYEN LY

Q: Tell us a bit about yourself and your family.

Quyen: My name is Quyen. I live with my husband and 2 daughters. We enjoy going to parks, bike riding, and spending time with family and friends. We love to read books and learn about animals, famous people, how things work, and other topics.

Q: When did you move to the neighborhood, and what road do you live on?

Quyen: We moved here in 2009. We live on Prescott Ave.

Q: Name one thing you see out of your kitchen window.

Quyen: Our orange tree. We have an orange tree that gives delicious fruit.

Q: Something that is in your front yard?

Quyen: We have a persimmon tree that is in our front yard.

Q: A sound you hear frequently in the neighborhood?

Quyen: I hear birds chirping.

Q: What is something you like about living in Lakewood/Fairwood?

Quyen: I like the neighbors that we have met over the years. We are able to help each other out and care for one another.

Q: And something that has changed since you moved to the neighborhood?

Quyen: At Fairwood Park, the big kids' playground changed into an obstacle course-like playground.

Q: What are your favorite parks/things to do in Sunnyvale and/or the Bay Area?

Quyen: We like Fairwood Park and Lakewood Park since they are both close to our home. We enjoy

playing at Baylands Park, since there is also Animal Assisted Happiness Farm there. My favorite park is Magical Bridge Playground in Palo Alto. I call it the Disney World of playgrounds. I look forward to the opening of Magical Bridge Playground on Fair Oaks Ave. As a family, we enjoy going to different parks and biking with friends. Also, I enjoy taking the girls to the different libraries.

Q: Tell me a bit about your hobbies.

Quyen: I enjoy doing puzzles as a hobby. I was doing one and thought it would be great to have another puzzle to swap or borrow. So, I started The Little Free Puzzle Library at my home. Anyone can take a puzzle, return, or pass the puzzle to another person. Also, during the pandemic, I started making felt bracelets and stuffed dolls for my kids and other friends. It was a relaxing and rewarding experience.

Q: Any great stories to share about living in the neighborhood?

Quyen: I remember our neighbor, Al, who lived on our street. He was about 98 yrs (?) and rode an electric tricycle to Walmart and back. Whenever I saw him riding, it encouraged me to stay fit.

Instyle Beauty Salon, located in Sunnyvale-Santa Clara, is offering readers $150 off microblading, a new and popular procedure that creates the perfect eyebrow!

Normally $450, Instyle Beauty Salon is offering readers $150 off, making it just $300 for the procedure – which also includes the touch-up visit that is recommended within 4-6 weeks of the initial procedure.

Manual microblading is a form of a semi-permanent tattoo that involves using tiny needles (instead of a tattoo gun) that make up a small blade to help deposit pigment under your skin, one by one, for natural looking hair strokes. The procedure takes about an hour to 2 hours and lasts 1.5-2 years before needing to be redone to look fresh. Topical numbing cream is used to maximize comfort. Microblading is perfect for anyone with any hair color and is tailored to each individual client.
