NEXT MEETING

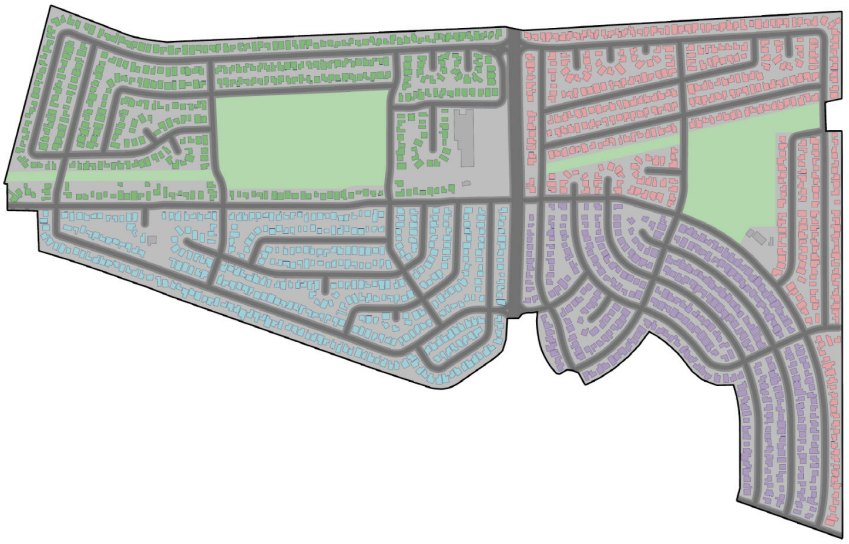

Join us for a virtual presentation from Mary Brunkhorst, a volunteer with Sunnyvale Urban Forest Advocates (SUFA). SUFA is a volunteer group that supports the City of Sunnyvale and its residents by working to increase, sustain, and enhance our urban forest. SUFA works to educate city officials and residents about the benefits of trees, advocates for tree preservation, and participates in the planting and monitoring of trees in Sunnyvale. Some of Sunnyvale's upcoming urban forest projects include tree walks (including right here in Lakewood Village) and the city's new tree planting program, Branch Out Sunnyvale. More info available at sunnyvaletrees.org

Wednesday, December 8, 7:00 – 8:00 PM

Meeting sign-in link will be posted to LVNASV.org/meeting one hour before the start of the meeting.

– HOLIDAY LIGHTS

Can you believe it's already that time of year again? **The Lakewood Village holiday lighting competition is back!**

All homes within Lakewood Village are automatically entered into the competition; so, get those decorations ready!

Lights and decor must be up by 6:00 PM on Sunday, December 12th, for consideration by the judging panel.

Our team of volunteers will be out perusing the neighborhood for the most festive displays and documenting their findings with notes and photos. Our judges will then cast their votes for the winners of each quadrant.

Each winning home will receive a gift card, along with the coveted bragging rights for the best Lakewood Village light displays of 2021. To ensure fairness, last year's winners will be ineligible for this year's prizes but are highly encouraged to continue raising the bar on the Lakewood Village's festiveness (honorable mentions are still on the table).

Interested in sizing up the competition for your quadrant? Check out the map, above, to see which houses you're up against. We fully condone a little bit of healthy competition to help brighten up the neighborhood (yes, pun very much intended).

VOLUNTEERING FOR LVNA

Are you passionate about our neighborhood? Do you enjoy meeting new neighbors? Would you be overjoyed to help build a tight-knit (Lakewood) Village for yourself, your friends, and the next generation who's currently growing up right outside your door or even in your own backyard?

Perhaps you should consider running for one of the five LVNA board positions. We have 2 members who have served many years on the board and will be stepping down this March. The board meets once per month to discuss ongoing activities, in addition to the monthly general meeting where we invite guest speakers to discuss topics of interest for the neighborhood (currently still virtual due to COVID) and the few seasonal events each year. The level of commitment is up to each individual – as these are all completely volunteer roles. All of the incumbent board members are happy to shuffle around, so, any of the 5 roles are available for the upcoming term (March 2022 – March 2023). The only requirements are that you are 18+ and live in the neighborhood, and plan to for the duration of the term.

President, 1st VP, 2nd VP, Treasurer, and Secretary

Want to help, but not interested in a board position? Our Villager editors will be stepping down in March so the role of **Villager Editor** is open to anyone interested (no age requirement). At a minimum, the role consists of proof-reading the content and compiling it all into a single document. The sky is the limit though so the previous editors have helped write some of that content, design a new layout, take photos for fun backgrounds, and send it out to the Villager subscribers each month. The board is happy to help with these other aspects though so you have as much creative freedom as you'd like.

Want to partner up with a family member or friend? Great! Are you a high school student interested in writing or media design and trying to increase your community service hours to meet a graduation or Scouts requirement? This is your chance to feed a couple ducks with a single loaf of bread! (See how much fun this role can be? You can make up your own idioms if you don't like killing birds with stones.)

Any of these roles are a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. If interested, please email the board and let them know you're on board (puns – love it)!

LINDA CAIN

Q: Tell me a bit about yourself and your family.
Linda: My immediate family consists of my husband Dennis, my son Damon and my two grandsons, Damon and Dario, who are 19 and 18. Dennis and I celebrated our 59th wedding anniversary in November. I am a retired accounting manager and since retiring have spent most of my time volunteering. I worked for two years at a domestic violence nonprofit but had to leave when they relocated to downtown San Jose. I then joined Sunnyvale Community Services and have been there nine years. Many volunteers were retired due to Covid in 2020.They very recently moved into a new building and I hope that they will soon open up to all volunteers. I really enjoy my volunteer work. I was on the LVNA board for 2019-20 as secretary and in 2020-21 as treasurer. This is such a great association and I would love to see more neighborhood people involved.

Q: When did you move to the Lakewood/Fairwood neighborhood?
Linda: Dennis and I moved to Lakewood Village in December 1969. Our son was born in March of 1969 so it was a good time.

Q: What street do you live on?
Linda: We live on Lakeknoll Drive.

Q: Name one thing you see out your kitchen window.
Linda: There is not much to see out of our kitchen window, just our side yard and a bit of our neighbor's yard.

Q: Something that is in your front yard?
Linda: We almost always have our front door open. I am light-sensitive, so drapes are kept closed. I love to see walkers and their pets go by. We have a lot of walkers on Lakeknoll. I also love seeing our cat colony out there. We have a fairly large colony that we feed and take care of. They do not live here but come to eat twice a day and there are a few that will lay around our yard periodically throughout the day. I particularly love the children's reaction when they see our cats. They get so excited and happy.

Q: A sound you hear frequently in the neighborhood?
Linda: Our street is actually very quiet. I enjoy the sounds of children playing but we don't have much of that either.

Q: What is something you like about living in Lakewood/Fairwood?
Linda: I like my neighborhood. We have almost always had great neighbors. We still have four families close by that have lived here even longer than us. We are also fortunate to be surrounded by new young families. It is a renewal of our neighborhood. It is nice to have some shopping close to us. The nearby parks are also great. It is also close to several freeways and expressways for quick access.

Q: And something that has changed since you moved to the neighborhood?
Linda: I don't see a big change in Lakewood Village. Maybe the remodeling or new construction of homes. The library that is coming will be great although I think getting rid of the swimming pool was a mistake. One big minus is the Christmas Parade. This was around for so many years and I would love to see it make a comeback.

Q: What are your favorite parks/things to do in Sunnyvale and/or the Bay Area?
Linda: Our parks are very nice. My son spent so much time there with Lakewood Youth Baseball, scouts and playing with his friends. We also used the parks a lot when our grandsons were growing up, they loved both parks with the water and the equipment. They loved grandpa putting them in or on the tire and twirling them all around. The LVNA picnic has also been fun for our family.

Q: Tell me a bit about your hobbies.
Linda: I love to read and manage to get some in every day. I also color in coloring books for adults. I have always enjoyed walking but it is too dangerous for me now so I bought a leg elliptical machine that I use every day.

Q: Any great stories to share about living in the neighborhood?
Linda: I can't think of any specific story about Lakewood Village. It is great that so many people in our neighborhood have been connected to Lakewood Village on Nextdoor. There is a great deal of information on that site. It allows us to stay in touch with Lakewood Village and other neighbors that are close by.

Editor's note: If you are unfamiliar with Nextdoor and would like to join the community, go to www.nextdoor.com. Sign up for an account (it's free) to join. Once you have an account, look for the group "LVNA (Lakewood Village Neighborhood Association)" and request to join. This is the group specifically for our Lakewood and Fairwood neighborhoods. If you get stuck, please email vp2@lvnasv.org or ask your nearest technology expert for help.

Instyle Beauty Salon, located in Sunnyvale-Santa Clara, is offering readers $150 off microblading, a new and popular procedure that creates the perfect eyebrow!

Normally $450, Instyle Beauty Salon is offering readers $150 off, making it just $300 for the procedure – which also includes the touch-up visit that is recommended within 4-6 weeks of the initial procedure.

Manual microblading is a form of a semi-permanent tattoo that involves using tiny needles (instead of a tattoo gun) that make up a small blade to help deposit pigment under your skin, one by one, for natural looking hair strokes. The procedure takes about an hour to 2 hours and lasts 1.5-2 years before needing to be redone to look fresh. Topical numbing cream is used to maximize comfort. Microblading is perfect for anyone with any hair color and is tailored to each individual client.
