VILLAGER

VOLUME 65 EDITION 1 JANUARY 2022 REPRESENTING 1,614 HOUSEHOLDS

WHAT'S IN THIS ISSUE

1 next meeting
holiday social
2 holiday lights
3 volunteering for lvna
4 sunnyvale to buy vacant lots
5 meet your board member
6 scavenger hunt
7 beautifying sunnyvale
8 mental health awareness
10 lvna meeting recap

NEXT MEETING

Join us for a virtual discussion with our District 6 city council representative, Omar Din. Omar will fill us in on the latest updates pertaining to our district and Sunnyvale, as a whole, and answer any questions that you have.

Wednesday, January 12, 7:00 – 8:00 PM

Meeting sign-in link will be posted to LVNASV.org/meeting one hour before the start of the meeting.

HOLIDAY SOCIAL

The LVNA holiday social in early December was a huge success! Neighbors had the opportunity to catch up with familiar faces and even meet some new ones in a safe and festive setting, featuring Santa, hot cider, hot chocolate, cookies, carols, games, and more!

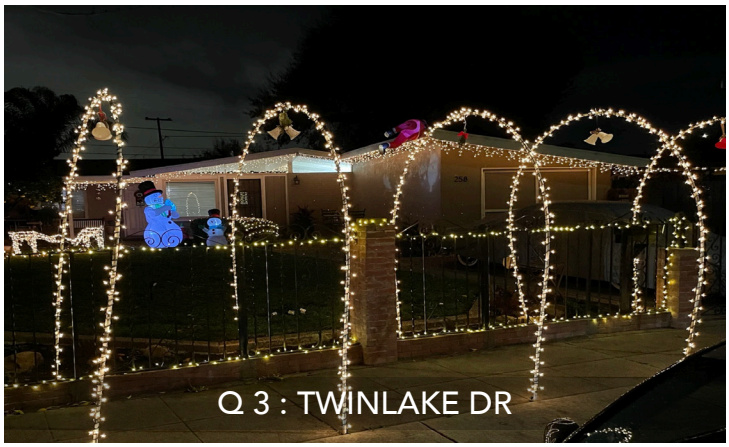

HOLIDAY LIGHTS

Q 1 : PRESCOTT AVE

Q 2 : LAKECHIME DR

Q 3 : TWINLAKE DR

Q 4 : TORRANCE AVE

Congratulations, holiday lighting contest winners! Along with your gift-card, you've each earned the coveted bragging rights of having one of the best Lakewood Village light displays of 2021!

VOLUNTEERING FOR LVNA

Are you passionate about our neighborhood? Do you enjoy meeting new neighbors? Would you be overjoyed to help build a tight-knit (Lakewood) Village for yourself, your friends, and the next generation who's currently growing up right outside your door or even in your own backyard?

Perhaps you should consider running for one of the five LVNA board positions. We have 2 members who will be reaching their maximum quota of 3 consecutive years on the board and will be stepping down this March. The board meets once per month to discuss ongoing activities, in addition to the monthly general meeting where we invite guest speakers to discuss topics of interest for the neighborhood (currently still virtual due to COVID) and the few seasonal events each year. The level of commitment is up to each individual – as these are all completely volunteer roles. All of the incumbent board members are happy to shuffle around, so, any of the 5 roles are available for the 2022-2023 term (March 2022 – March 2023). The only requirements are that you are 18+ and live in the neighborhood, and plan to for the duration of the term.

President, 1st VP, 2nd VP, Treasurer, and Secretary

Want to help, but not interested in a board position? Our Villager editors will be stepping down in March so the role of **Villager Editor** is open to anyone interested (no age requirement). At a minimum, the role consists of proof-reading the content and compiling it all into a single document. The sky is the limit though so the previous editors have helped write some of that content, design a new layout, take photos for fun backgrounds, and send it out to the Villager subscribers each month. The board is happy to help with these other aspects though so you have as much creative freedom as you'd like.

Want to partner up with a family member or friend? Great! Are you a high school student interested in writing or media design and trying to increase your community service hours to meet a graduation or Scouts requirement? This is your chance to feed a couple ducks with a single loaf of bread! (See how much fun this role can be? You can make up your own idioms if you don't like killing birds with stones.)

Any of these roles are a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. If interested, please email the board and let them know you're on board (puns – love it)!

board@lvnasv.org

— SUNNYVALE TO BUY VACANT LOTS —

Article by Mar Junge

Thanks to the perseverance of our neighbor, Tony Bugna, this month, the City of Sunnyvale unanimously voted to authorize a $1.13 million purchase agreement for the two parcels of land on the 1100 block of Manzano Way. Located across the street from the end of Fairwood Park, the 6,000- and 8,817-square foot lots are currently owned by the San Francisco Public Utilities Commission (SFPUC). Tony has been pushing for Sunnyvale to buy this land for about three years.

"The realtor who had the listing said it would never happen," Tony said.

In 2019, Tony presented the idea to Mayor Klein, who said he said he would look into it. When Tony saw the issue was coming up for a vote at the January 4th City Council meeting, he posted on the Nextdoor app asking neighbors to send letters to the City Manager and City Council about why this land is important to our neighborhood. And he spoke in support of the purchase at the meeting, explaining, "It's better that Sunnyvale have control of the land."

Land Purchase Agreement Represents Win for North Sunnyvale

There are benefits from this land purchase. One is that the location is a key piece in Sunnyvale's Active Transportation Plan. It provides access to the bike-pedestrian pathway on the Calabazas Creek Trail managed by Valley Water.

Another is that it represents a "win" for North Sunnyvale. For decades, when it came to allocating financial resources, Lakewood Village was at the bottom of the City of Sunnyvale's list. In fact, that's one of the reasons why neighbors banded together in the early 1990's to revive the LVNA – to give us a voice in how our tax dollars were being spent.

We've come a long way since Fairwood Park was a neglected dirt lot full of weeds and trash next to buildings that had fallen into disrepair when Fairwood Elementary School closed. But even after all these years of advocating for our neighborhood, at this month's City Council meeting, one councilman questioned why this much money was being spent on a plot of land "on the edge of Sunnyvale" when there are more urgent needs downtown. Another referred to "Far North Sunnyvale" – almost as if residents on the other side of 101 live in a different city.

Don't Expect to See Landscaping Anytime Soon

Before anything can be done to the two plots, the purchase agreement has to be approved by the SFPUC. That could take anywhere from three to five months. Once Sunnyvale owns the land, it can submit the plots into the capital cycle to fund landscaping. However, the Council made it clear that turning this land into a mini park is not set in stone. For example, it could be used as a bargaining chip in a future land swap.

Even if the land continues to be a vacant strip that's perfect for running RC cars for a few more years, this purchase called attention to the necessity of allocating resources to North Sunnyvale. And that happened because, as Mayor Larry Klein said at the end of the council meeting, "Tony didn't give up."

MEET YOUR BOARD MEMBER

BEV WOIDYLA

Bev is the treasurer of the Lakewood Village Neighborhood Association.

Q: Tell me a bit about yourself and your family.

Bev: I am a retired RN & live with my daughter Robin & cat Brownie.

Q: When did you move to the neighborhood?

Bev: April 1981

Q: Where do you live?

Bev: I live on the Fairwood side of Sandia Ave.

Q: Name one thing you see out of your kitchen window.

Bev: Neighbor's fence

Q: Something that is in your front yard?

Bev: Flowers, a lemon tree & a big tree which has a squirrel's nest where the squirrels love playing on my front lawn

Q: A sound you hear frequently in the neighborhood?

Bev: Traffic

Q: What is something you like about living in Lakewood/ Fairwood and something that has changed since you moved to the neighborhood?

Bev: I like the location. The biggest change is that the Mercado shopping center used to be an open field.

Q: What are your favorite parks/things to do in Sunnyvale and/or the Bay Area?

Bev: I don't have a favorite park. I enjoy bowling, riding my bike in the neighborhood, going to art & craft fairs, and driving to Monterey, Santa Cruz, or Half Moon Bay.

Q: Tell me a bit about your hobbies.

Bev: I enjoy doing puzzles and working on my family tree. I also volunteer with AARP doing taxes, SCS (Sunnyvale Community Services), & LVNA. I'm not sure those are hobbies but it keeps me busy.

Q: Any great stories to share about living in the neighborhood?

Bev: When I first took a position on LVNA as treasurer, I was assigned to coordinate the Christmas parade from Lakewood School to Fairwood Park. I was given a list of about 50 people to call. I started calling (with a friend) all the numbers on the list, not having any idea what we were doing. The end product meant that our annual parade had 45-50 units from the color guard, bands, choruses, Boy & Girl Scouts, council members, ham operators, elementary schools, ugliest dog, antique cars, and Santa Claus, plus many others. All of that was followed by hot chocolate or cider, cookies, and a visit from Santa at Fairwood Park. The end product was a success, especially since I didn't know what I was doing.

Q: How did you get involved with the LVNA initially?

Bev: I've been a walker for the Villager for about 20 years and coordinated the walkers on the Fairwood side for 15 years. I was also a dumpster monitor for about 15 years and I co-coordinated the last 3 events. One of the board members was moving out of the neighborhood and she asked if I would take her place as treasurer. I said yes. Over the years, I've been treasurer, secretary & president for 7 board member years

Q: Why did you want to be treasurer this year?

Bev: I didn't mind what position I took, although I didn't want to be president. I didn't feel I had the tech savvy knowledge to work effectively.

NEIGHBORHOOD SCAVENGER HUNT

Congratulations to Mark R. on the Fairwood side! Mark was the winner of the December scavenger hunt and won a $10 gift card to Wal-Mart.

Welcome to the monthly scavenger hunt. Send your name, address (to confirm that you live in the Lakewood/Fairwood neighborhood), and answers to the three questions to vp2@lvnasv.org by December 31, and we will announce the winner and the correct answers in the next newsletter. If there is a tie for the winner, we will randomly select one person as the winner. **The winner will get to choose a $10 gift card from World Wrapps, Wal-Mart, or Giovanni's Pizzeria.**

1.Going from west to east, you would encounter streets in this order:

(a) Silverlake Dr, Greenlake Dr, Blazingwood Dr
(b) Greenlake Dr, Blazingwood Dr, Silverlake Dr
(c) Greenlake Dr, Silverlake Dr, Blazingwood Dr
(d) Blazingwood Dr, Silverlake Dr, Greenlake Dr

2. True or False: Fairwood Ave intersects both Pecos Way and Burntwood Ave.

(a) True
(b) False

3. Which house had the best Christmas lights decoration this season? (Answer must include the street name)

Answers from the December scavenger hunt:

1. Which one of these roads runs north-south (or south-north)?

(c) Manzano Way

2. True or False: There is a skatepark at Lakewood Park.

(a) True

3. What is the name of the apartment complex that's next to the Ramada?

(d) Arches Apartments

BEAUTIFYING SUNNYVALE

Sunnyvale's Environmental Services Department (ESD) is in the process of applying for the Clean California grant from Caltrans. Caltrans' operations have been significantly impacted by the amounts of litter in public spaces and roads and looking for initiatives that will help build a cleaner California. Lakewood Village is one of the targeted areas for this grant so ESD is seeking input from residents on projects that would improve the cleanliness of our neighborhood.

Goals of this project are to:

- Reduce the amount of waste and debris within public rights-of-way, pathways, parks, transit centers, and other public spaces
- Enhance, rehabilitate, restore, or install measures to beautify and improve public spaces and mitigate the urban heat island effect
- Enhance public health, cultural connections, and community placemaking by improving public spaces for walking and recreation
- Advance equity for underserved communities

Examples of eligible features within the project area include (but are not necessarily limited to):

- Enhanced paving to address the needs of the space, using permeable pavements where possible
- Pavement alternatives, such as wood chips
- Inert materials, such as rubberized pavement
- Shade structures
- Shade trees or drought-tolerant plantings
- Irrigation systems
- Bioretention, swales, and other green street elements
- Architectural fencing
- Art installations, including community identification or cultural elements

    An art installation should:

    - Be appropriate and safe to its proposed setting
    - Be in proper scale with its surroundings
    - Be composed of materials that are durable for the projected lifespan
    - Include graphics or sculptural artwork that express unique attributes of an area's history, resources, or character
    - Not display symbols or icons, including but not limited to, logos or political and commercial symbols. Sponsor recognition should be unobtrusive, discreet, and not appear to be an integral part of the artwork
    - Not display text
    - Be designed to minimize ongoing maintenance needs

- Gateway Monuments and Community Identification projects. If these are on Caltrans right-of-way, they have different requirements than art installations
- Human-scale, energy-conserving lighting
- Walking and/or biking facilities through the space
- Wayfinding signage
- Amenities related to proper waste collection or prevention (e.g., signage, bins, etc.)

Potential Project Ideas:

- Trash capture devices
- Green Stormwater Infrastructure projects
- Tree plantings
- Pet waste stations added in key locations (e.g., parks or John W. Christian Greenbelt)
- Beautification of transit stops or streetscape (e.g., utility box art, bus shelter art, etc.)
- Playground improvements
- Educational signage about pet waste, stormwater, pollution prevention, etc.

If you have suggestions, please consider joining the Sustainability Commission meeting (virtually) on Tuesday, January 18, 2022 at 7:00 P.M.
https://sunnyvale-ca-gov.zoom.us/j/95835903911

This can make a huge impact on our neighborhood so if you'd like your voice to be heard but won't be able to attend the meeting, please email the LVNA board (board@lvnasv.org) so we can share your input with the city.

MENTAL HEALTH AWARENESS

We wanted to remind our neighbors of some important mental health resources.

If you are experiencing depression and suicidal ideations, please reach out to someone. Every life has value, no matter your background, age, race, gender identity, disability, religion, or sexual orientation. Talk to a friend, family member, or a stranger. You are worth it!

According to the CDC, suicide is the 10th leading cause of death in the United States. More than 47,500 people died by suicide in 2019, and more than 12 million seriously thought about suicide. If you notice signs of depression in a friend or loved one, reach out to them. A difficult conversation now is much better than a potentially tragic alternative.

Free and confidential 24/7 support available through:
- National Suicide Prevention Lifeline: 1-800-273-TALK (1-800-273-8255)
- Crisis Text Line: Text "BAY" to 741741 to connect to a trained counselor

Instyle Beauty Salon, located in Sunnyvale-Santa Clara, is offering readers $150 off microblading, a new and popular procedure that creates the perfect eyebrow!

Normally $450, Instyle Beauty Salon is offering readers $150 off, making it just $300 for the procedure – which also includes the touch-up visit that is recommended within 4-6 weeks of the initial procedure.

Manual microblading is a form of a semi-permanent tattoo that involves using tiny needles (instead of a tattoo gun) that make up a small blade to help deposit pigment under your skin, one by one, for natural looking hair strokes. The procedure takes about an hour to 2 hours and lasts 1.5-2 years before needing to be redone to look fresh. Topical numbing cream is used to maximize comfort. Microblading is perfect for anyone with any hair color and is tailored to each individual client.

For more information and to schedule a consultation, call or text (408) 605-2146.
