Dear Lakewood Village Residents,

For those who have not yet seen our newsletter, welcome! My name is Lydia Fotiades, and I am the president of the Lakewood Village Neighborhood Association (LVNA). LVNA is a volunteer-led association to help bring the neighborhood together, inform our neighbors about happenings in our area, and make improvements to our neighborhood. This monthly Villager newsletter is one way we help keep the neighborhood informed. Our newsletter is typically distributed via email, so if you're not on our newsletter distribution list, please sign up! See back of flyer for details.

As president, my primary reason for joining the board was to bring people together, help our community get to know each other, and enjoy fun neighborhood events. Seeing new people at our events is all it takes to put a smile on my face. :) This year, we brought back some of our typical yearly events:

- Dumpster Day in July: Approximately 20 dumpsters are placed throughout the neighborhood for residents to drop off their junk for free
- Pumpkin Carving in October: It was "BYOP" ("Bring Your Own Pumpkin") - LVNA provided carving supplies and patterns, prizes, snacks, and a backdrop for photos
- Holiday Social in December: Santa, games, prizes, cookies, hot chocolate and cider
- Monthly Meetings: Currently held virtually, these meetings feature guest speakers and cover updates and/or changes to our neighborhood and the rest of Sunnyvale. Recent speakers have included Omar Din (our Sunnyvale City Council representative), a speaker from Sunnyvale Urban Forest Advocates, and Andrea Urton (CEO of HomeFirst, which helps support unhoused people in our community)

As I mentioned, we are a volunteer-led organization for the entire Lakewood Village neighborhood (which encompasses both the Lakewood Park and Fairwood Park sides of Lawrence Expy.), and there are many ways to get involved to support LVNA and our community. We need volunteers to join our board - elections are coming up in March! There are also opportunities to volunteer on a more "as needed" basis. These volunteers support many of the events listed above, and can do anything from being a dumpster monitor on Dumpster Day to hanging fliers for the holiday social to organizing the neighborhood picnic (which we hope to bring back this year). Any level of volunteering is welcome, even if all you can say now is "I might be able to help but I'm not sure, email me when the time comes."

If you have any ideas for what you'd like to see from LVNA - whether it's an improvement to the community, a new event, or suggestions about topics for our monthly meetings (new speakers, a more social component, etc.) - please email us at Board@LVNASV.org. You can also reach me directly at President@LVNASV.org. Finally, a quick reminder to join the LVNA group on Nextdoor if you are not already a member (instructions to join are included in this Villager). Hope to see you at our next event!

Your LVNA President,
Lydia Fotiades

January Meeting Recap

District 6 city council representative, Omar Din, filled us in on the latest updates pertaining to our district and Sunnyvale, as a whole. The meeting recording is available at https://youtu.be/DEVqR7rftWk

Sunnyvale Recycling Dos and Don'ts

A quick reminder that our community has people representing us at all levels of government (local, state and federal). Here is a list of our representatives and the easiest ways to contact them.

We've heard feedback that many neighbors (us included) struggle with what can and cannot be recycled curbside. While the best practice is to reduce first, reuse second, and then recycle (or throw it in the garbage), here is a quick explanation of what should and should not be recycled. Sunnyvale has broken items down into two categories - the "Nice Nine" and the "Dirty Dozen." Here's a quick review of what's what.

The Nice Nine These are items that you should be recycling - these do NOT belong in the garbage. If you can't reuse them, then recycle them. The Nice Nine are:

- Plastic bottles - please rinse containers & remove lids
- Glass bottles & jars
- Aluminum & steel cans
- Plastic tubs - please rinse containers & remove lids
- Newspaper & magazines
- Cartons - e.g., milk cartons, juice boxes
- Paper
- Cardboard - boxes need to be broken down so they fit in the bin or tied together & set next to the recycle bin
- Paperboard - e.g., cereal boxes (but not frozen food boxes)

The Dirty Dozen These items are commonly - and incorrectly - assumed to be recyclable. Called "The Dirty Dozen," these items are NOT recyclable. If you can't reuse them, then please put them in the garbage. The Dirty Dozen are:

- Clamshells
- Black plastic
- Plastic wrap and plastic bags - note that some grocery stores may take plastic bags. See also https://how2recycle.info/ for more details
- Egg cartons (both plastic and cardboard egg cartons) - note that cardboard egg cartons can go in your backyard compost
- Hot & cold cups - e.g., the disposable cups from your local coffee store; the lids and straws are also not recyclable.
- Frozen food boxes
- Takeout containers
- Padded envelopes
- Food & liquids - note that these should go into the food scraps side of your garbage can
- Foam - note that clean packing peanuts can go to the local shipping store for reuse
- Ceramics & glassware
- Propane & butane cylinders - note these can be taken to a hazardous waste event.

Find us on Nextdoor!

If you have not already joined the LVNA group on Nextdoor then we encourage you to do so. Nextdoor allows separate settings for group posts so it's an excellent way to get curated Lakewood Village-relevant content while filtering out the rest. Board members post reminders about upcoming events and moderators ensure all activity in the group adheres to the group's rules (e.g., content relevant to Lakewood Village, no soliciting, etc.). Note that only Lakewood Village residents are permitted to join. To learn more or to join, visit **nextdoor.com/g/alya6yxap** or scan the QR code to the right.

LVNA Board Elections

LVNA board member elections are on March 9th. Are you passionate about our neighborhood? Do you have big ideas and/or skills to bring to the table? You should consider running for one of the five board positions next month. We are also looking for a new Villager editor (or co-editors). Please contact any of the current board members with your notice of interest. Visit **LVNASV.org/contact** to send us a message.

LVNA Villager

This is the Villager, Lakewood Village's neighborhood newsletter. We're currently in our 65th year of publication! A new edition is published each month, via email, and contains information about upcoming events and subjects relevant to our neighborhood. Since this is our once-per-year paper delivery, we encourage you to sign up for the Villager mailing list at **LVNASV.org/villager**. Simply submit your name and email address, then check your email and click the confirmation link in your inbox. That's it! Our guarantee is that it's only one email per month (while subscribed); nobody likes junk-mail.

Support Local Restaurants

Looking for a place to order lunch or dinner? Early in the pandemic, Mayor Klein started an effort to dine at one new Sunnyvale restaurant each day and share his experience on Facebook. It grew into his Eat Sunnyvale project, complete with its own website here: **www.eatsunnyvale.com**. Check it out for inspiration on new restaurants to try and ways to support our local restaurant community. Note, similar information is also available on Mayor Klein's Facebook page, but the **www.eatsunnyvale.com** is accessible without needing a Facebook account.
