LVNA ELECTIONS

The annual LVNA board member elections are this coming **Wednesday, March 9th, 7:00 – 8:00 PM**. Elections will again be virtual this year with the meeting credentials appearing 1 hour before the start of the meeting, at LVNASV.org/meeting one hour before the start of the meeting.

Are you passionate about our neighborhood? Do you enjoy meeting new neighbors? Would you be overjoyed to help build a tight-knit (Lakewood) Village for yourself, your friends, and the next generation who's currently growing up right outside your door or even in your own backyard? Perhaps you should consider running for one of the five LVNA board positions. We have 2 members who will be stepping down this year. The board meets once per month to discuss ongoing activities, in addition to the monthly general meeting where we invite guest speakers to discuss topics of interest for the neighborhood (currently still virtual due to COVID) and the few seasonal events each year. The level of commitment is up to each individual – as these are all completely volunteer roles. All of the incumbent board members are happy to shuffle around, so, any of the 5 roles are available for the 2022-2023 term (March 2022 – March 2023). The only requirements are that you are 18+ and live in the neighborhood (renters included).

President, 1st VP, 2nd VP, Treasurer, and Secretary

Want to help, but not interested in a board position? Our Villager editors will also be stepping down after 2.5 years so the role of Villager Editor is open to anyone interested (no age requirement). At a minimum, the role consists of proof-reading the content and compiling it all into a single document. The sky is the limit though so the previous editors have helped write some of that content, design a new layout, take photos for fun backgrounds, and send it out to the Villager subscribers each month. The board is happy to help with these other aspects though so you have as much creative freedom as you'd like.

Want to partner up with a family member or friend? Great! Are you a high school student interested in writing or media design and trying to increase your community service hours to meet a graduation or Scouts requirement? This is your chance to feed a couple ducks with a single loaf of bread! (See how much fun this role can be? You can make up your own idioms if you don't like killing birds with stones.)

Any of these roles are a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. If interested, please email the board and let them know you're on board (puns – love it)! - board@lvnasv.org

MEET YOUR BOARD MEMBER

TONY BUGNA

Tony is the first Vice President of the Lakewood Village Neighborhood Association.

Q: Tell me a bit about yourself and your family.

Tony: I live here with my wife Joan and 2 cats (Frank and Nyla). Joan and I met in 2003; she's originally from the Boston area via Haiti. I have family around the Bay Area and Central Valley. I'm a native - born in Oakland but raised in Dublin in a foster home until I went to college down in Long Beach. Lived there for 11 years, then moved back to the Bay Area in 1998. Next, I lived in The City for 10 years. Most of my father's side of the family lives here in the South Bay. My parents grew up on the península (San Carlos and Menlo Park). I've worked the majority of my career in outside sales. Telecom and banking in the 90s, pharmaceuticals and biotech 00s, dental supplies & equipment and patient financing from 10s-20s. I've been on the LVNA board since 2019, first as the 2nd VP and currently as 1st VP. I plan on stepping down in March. Yet every time I think I'm out, they.....

Q: When did you move to the Lakewood/Fairwood neighborhood?

Tony: I believe Joan bought the house in 2005. I moved in in 2008.

Q: What street do you live on?

Tony: Prescott Ave

Q: Name one thing you see out your kitchen window.

Tony: The den. If the den shade is open, I can see the fence. Not very exciting.

Q: Something that is in your front yard?

Tony: A big yucca tree with a picnic table underneath it. Joan didn't want me to put the table there, but once I did, she liked it. We eat there in nice weather and watch people walk by.

Q: A sound you hear frequently in the neighborhood?

Tony: I live near Fairwood Park. I hear people playing soccer games, volleyball, tennis, kids having fun. I also hear traffic on 101 freeway & Lawrence Expressway, the faint freight train whistle in the distance, the bell of the light rail train on Tasman, planes taking off from Mineta [San Jose airport] and the foghorn from Levi Stadium when the home team scores.

Q: What is something you like about living in Lakewood/ Fairwood?

Tony: Nice neighbors; having the greenbelt behind us is nice; the proximity to the park, shopping, restaurants and movie theatre.

Q: And something that has changed since you moved to the neighborhood?

Tony: Not too much has changed in the immediate neighborhood. The closest one would be the building of Levi Stadium.

Q: What are your favorite parks/things to do in Sunnyvale and/or the Bay Area?

Tony: In Sunnyvale, I like the Greenbelt right behind my house. I also like to go to Santa Cruz boardwalk. I have always had fond memories from there growing up.

Q: Tell me a bit about your hobbies.

Tony: I like watching football in the fall and basketball in the spring. I also like reading interesting things online. I grew up playing soccer, BMX, riding motorcycles, water skiing, and jet skiing.

Q: Any great stories to share about living in the neighborhood?

Tony: Nothing interesting comes to mind.

Q: How did you get involved with the LVNA initially?

Tony: I got involved in 2018 as part of an effort to help Dumpster Day continue that year. I had no intention of being on the board. When we all met at the home of a past LVNA president, there was a need for board members. Here I am three years later.

Q: Why did you want to be vice president?

Tony: I was originally the 2nd VP. Then when we looked at the descriptions of the different board positions, the 1st VP was a better fit for what I was doing, so I transitioned into the 1st VP position.

Q: What are some of your favorite things that LVNA has done since you've been on the board?

Tony: I believe that bringing back the Villager was key. I'm really proud of the work and end product that our Villager editors (Jennifer and Jonathon Ray) have done, along with the new suggestions and content from Cortney (2nd VP). The website Jennifer and Jonathon built is also just fantastic. I'm appreciative that we have volunteers like Tatiana Colon, who organized

our Halloween parties, or Quyen Fitting, who lead the school supplies donations. I like how Bev has gotten the Dumpster Day back on track when it was at risk of getting discontinued a few years ago. Congratulations to the board for keeping the meetings consistently going by utilizing online meetings through the pandemic! The engagement that I saw with the original board I joined (which included Bev, Grace, Imelda and Linda) has continued to today (with current board members Lydia, Cortney, Brad and Bev). The leadership that Lydia, Imelda and Bev have all shown over the past few years as president. I really like that Brad is very enthusiastic about having more in-person events, such as the Halloween and Christmas events.

NEIGHBORHOOD SCAVENGER HUNT

After a break for the printed Villager edition, the monthly scavenger hunt is back. Send your name, address (to confirm that you live in the Lakewood/Fairwood neighborhood), and answers to the three questions to vp2@lvnasv.org by March 31, and we will announce the winner and the correct answers in the next newsletter. If there is a tie for the winner, we will randomly select one person as the winner. **The winner will get to choose a $10 gift card from either World Wrapps, Wal-Mart, or Giovanni's Pizzeria.**

1.Which of the following is NOT a position on the board of the Lakewood Village Neighborhood Association?

(a) Treasurer
(b) 1st Vice President
(c) 2nd Treasurer
(d) President

2. True or False: Both Lakewood Park and Fairwood Park have tennis courts.

(a) True
(b) False

3. What is the name of the church that is on Lakewood Dr?

(a) Silicon Valley Methodist Church
(b) Silicon Valley Reformed Baptist Church
(c) Silicon Valley Church of Hope
(d) Silicon Valley Church of God

Answers from the January scavenger hunt:

1. Going from west to east, you would encounter streets in this order

(c) Greenlake Dr, Silverlake Dr, Blazingwood Dr

2. True or False: Fairwood Ave intersects both Pecos Way and Burntwood Ave.

(a) True

3. Which house had the best Christmas lights decoration this season? (Answer must include the street name)

Trick question. There were four winners for the Christmas lights decoration, one per neighborhood quadrant

SUPPORT FOR OUTDOOR CATS

Kitten season is already here! Santa Clara County has over 150,000 community (also known as free-roaming or feral) cats. How to manage all of these cats? Humane Society of Silicon Valley (our local animal shelter) and many other organizations support the trap-neuter-return (TNR) program. Cats are spayed or neutered ("fixed") and vaccinated. Eligible cats go up for adoption, while feral cats are returned to the exact spot where they were trapped. This keeps the community cat population healthier, reduces the number of community kittens born, and controls the spread of disease.

If you are feeding outdoor community cats, please make sure the cats are fixed and each cat has a left ear clipped. Humane Society Silicon Valley (HSSV) offers FREE spay/neuter, vaccinations, flea treatment, microchip, and deworming for Sunnyvale feral and community cats.

Go to bayareacats.org/hssv to get started on how to trap your cats.

A few helpful reminders:

- No appointments needed for Sunnyvale cats. Once you've trapped the cat, bring it to HSSV intake between 9:00am and 6:00pm (7 days a week). If you are unable to transport, call Sunnyvale Animal Control (408-730-7178) and they can transport the cat for you.
- For a TNR with same-day pick-up, schedule an appointment by emailing HSSV at medicalcenter@hssv.org

Why does this matter? Without TNR, kittens suffer from worms, flea anemia, diarrhea, lung infections, eye infections, predators, and could even be killed by other cats. Due to repeated pregnancies and the demands of nursing kittens, mother cats are often underweight and overworked. Tomcats fight and are at risk of getting severely injured, spreading diseases like FIV and feline leukemia, and being hit by cars. Spaying/neutering cats also keeps feral populations smaller; a typical female cat who is not spayed will have 2-3 litters per year with up to 8 kittens per litter.

Help keep our community cat populations healthy and safe! If you have questions, file a TNR request for guidance at bayareacats.org/tnr. If you need help with spaying/neutering your outdoor cat, please email bayareatnr@gmail.com.

Thank you for doing your part!

ADDITIONAL RESOURCES FOR PET OWNERS

Do you have pets but are struggling to feed them due to financial insecurity? HSSV offers a Pet Pantry program to help pet owners continue to care for their pets. There is also support to spay/neuter your pet. Find out more information here: https://www.hssv.org/pet-pantry/

There are several reasons to get your pet fixed: health benefits include reduced cancer risk and fewer behavioral issues, and community benefits include reduced dog bites and less pressure on animal shelters. There used to be several free or low-cost options for Santa Clara County residents to spay/neuter their pet, but current options are very limited due to covid. For more information on spaying/neutering your pet, please contact your veterinarian or one of these resources:

- Nine Lives Foundation in Redwood City (cats only): 650-368-1365
- Aborn Pet Clinic in San Jose (cats only): email doglovescat@yahoo.com

For additional information or financial assistance to spay/neuter your pet, please email bayareatnr@gmail.com

Instyle Beauty Salon, located in Sunnyvale-Santa Clara, is offering readers $150 off microblading, a new and popular procedure that creates the perfect eyebrow!

Normally $450, Instyle Beauty Salon is offering readers $150 off, making it just $300 for the procedure – which also includes the touch-up visit that is recommended within 4-6 weeks of the initial procedure.

Manual microblading is a form of a semi-permanent tattoo that involves using tiny needles (instead of a tattoo gun) that make up a small blade to help deposit pigment under your skin, one by one, for natural looking hair strokes. The procedure takes about an hour to 2 hours and lasts 1.5-2 years before needing to be redone to look fresh. Topical numbing cream is used to maximize comfort. Microblading is perfect for anyone with any hair color and is tailored to each individual client.

LVNA MEETING RECAP

LVNA MEETING ON FEBRUARY 9

It was fantastic getting to meet some new neighbors last month during our virtual Meet & Greet. Obviously, for privacy reasons, we did not record this meeting so there isn't a recap video to share. But we encourage you to join in on the next Meet & Greet later this year to meet some new faces and catch up with your neighbors. Who knows, you may even meet your next carpool or hiking buddy, or the parents of your kid's next playdate!

Don't forget - Daylight Savings is on Sunday, March 13th!

Find us on Nextdoor!

If you have not already joined the LVNA group on Nextdoor then we encourage you to do so. Nextdoor allows separate settings for group posts so it's an excellent way to get curated Lakewood Village-relevant content while filtering out the rest. Board members post reminders about upcoming events and moderators ensure all activity in the group adheres to the group's rules (e.g., content relevant to Lakewood Village, no soliciting, etc.). Note that only Lakewood Village residents are permitted to join.
